

God's Proclamation to the Dying World

God Himself explains to us
the significance of our time

A selection of Revelations from God
received through the 'Inner Word'
by Bertha Dudde

God's Proclamation to the Dying World

This booklet contains a selection of
Divine Revelations, received through the Inner Word
by Bertha Dudde as promised by John 14.21:
'Whoever has My commands and obeys them, he is the one who loves Me.
He who loves Me will be loved by My Father,
and I too will love him and show Myself to him.'

The revelations are non-denominational, they do not intend
to attract members of any Christian religious affiliation nor
to recruit members into any Christian religious affiliation.
The only purpose of these revelations is to make God's Word accessible to all people,
as it is God's Will.

Only complete and unaltered messages with references
may be copied and translated.

We invite everyone wishing to express their gratitude for the receipt of the Word of God to pray,
particularly for the most needy souls.

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.”

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

Speedy end.... Fulfilment of the predictions....

Don't be misled and believe My Words, which announce the near end to you.... You have not been informed of the day and the hour because it is not beneficial for you if you knew them. Yet none of you envisage the day of the end to be as near as has been determined for eternity. Each one of you still keeps his eyes so firmly on the world that the fact, that it should all come to a speedy end, doesn't seem possible to him.... for **each one** of you is still very earthly minded, even if he belongs to My Own and has spiritual aspirations. For you are living in the midst of the world and still have to do your work. And this is why your thoughts are often so far removed from what I have always and forever foretold. Time and again you are told that the end will come suddenly and unexpectedly.... And you humans will not determine the time, for I will come like a thief in the night.... But don't mock what lies ahead of you just because you don't believe it.... so that you will not have to regret it one day. Time and again I awaken seers and prophets in order to warn and admonish you through them to prepare yourselves for the inevitable. And yet I will not inform you of the day and the hour so as not to confuse you, so as not to restrict your thoughts and actions. And even when the day comes it will take people by surprise, because nothing extraordinary will happen beforehand and worldly people more than ever indulge in pleasures and enjoy their lives.... Just a few see the light but their admonitions are laughed at.... until I intervene and My Word fulfils itself.... Therefore accept everything conveyed to you through the voice of the spirit as pure truth.... Expect the end very soon, for the time has been fulfilled.... the time of the harvest has arrived.... Amen

Purifying the divine plant nursery....

My divine plant nursery often has to undergo a thorough purification process when the weeds so threaten to overgrow all good seeds that even the healthy plants can no longer develop in a way that their thriving is pleasing to Me. In that case all good plants will have to be carefully separated, the weeds must be dug out and burned, the ground must be ploughed over, and only then can it receive new seeds, only then will I be able to harvest the right fruit again, new life can take root again and make Me happy, which was no longer possible before. And such a thorough cleansing process has been intended for eternity, and you humans can expect it daily and hourly.... The earth no longer serves its purpose, evil dominates everything, it often even suffocates delicate seedlings wishing to burst through in order to attain light and life.... The world's poisonous breath destroys life, and therefore many a seedling withers that promised to become strong and healthy.... People are drawn into the whirlpool of the world and many a soul which was intended to live finds its death therein. The atmosphere in which people are meant to perfect themselves is no longer **clean**, it is nothing but a realm of sin and depravity.... And for this reason the said purification can no longer be avoided.... irrespective of whether you humans believe it or not....

One day the lowest point will come and therefore also the hour when My plan of Salvation, which includes this thorough cleansing of earth, will be carried out. And thus, once the few who have found life have been separated, everything incapable of living will have to be destroyed.... For it is no longer enough that only what is evil and unsuitable should be **removed** because it predominates. But neither will I sacrifice to evil what has prevailed against it.... I will gather the people who are and will remain My Own and who did not let themselves be enslaved by My adversary.... I will lift them up and remove them from earth in order to cause a total transformation and to make the earth suitable again as a nursery school for a new human generation. Everything a good farmer does when he ploughs his field, when he clears and prepares it for new good seeds, will also be done by Me, because the time for it has come and because one day I, too, want to achieve a good harvest again, since this has become impossible now. For people by and large leave earth in a lifeless state, their earthly life does not result in any progress, they remain as they were at the start of their earthly life or they become stunted and incapable of living, and this is not the purpose of their embodiment on earth.

And thus I will have to prepare the nutritious soil for the next human generation, I must cleanse the earth and deny My adversary access for a while, I must create the opportunity for the souls to be able to fully mature again, for his time, which he had truly used well to ruin people, has come to an end. Even for My adversary the hour will come one day when his activity will be prevented.... Nevertheless, at the same time I also have to make his followers' activity impossible. And this is only feasible when everything belonging to him is banished again, thus I will let a new earth arise with all kinds of new creations which will shelter these spirits again until they have calmed down and can start their process of development once more.... The earth has to be made suitable again, so that the people on it can achieve perfection, since My infinite love for My living creations strives to give them **life** and not death which, however, has found entrance in this earth. And I want to repel death and turn the earth into a field of life again, from which the weak will also be able to draw their strength once more and attain life.... Amen

Serious warning about God's intervention and consequences....

Only a short time separates you from the day when My voice will so forcefully resound that it cannot be ignored by anyone.... You will not live in normal circumstances for much longer. But then there will be chaos and you humans will be faced by the immense task of making yours and your fellow human beings' lives more tolerable, to gain control of the chaos by helping in extraordinary ways and create bearable conditions again with the minimum means at your disposal. For those of you who live in the regions which will be hit by a natural disaster of inconceivable proportions will lose everything. You humans will not and cannot believe this as yet because a natural event like this has never been experienced before.... But the subsequent end of this earth still requires such an intervention on My part because I want to address humanity just once more in order to bring it to its senses, in order to still save those who are of good will. And nobody will be able to ignore this language, but whether they will open their hearts and ears will still be up to them. For even then most people will turn away from Me, they will remain in the isolation they had previously entered due to their unbelief, and they will look for and find all kinds of explanations for this event apart from the correct one being that I want to speak to them, that a God wants to reveal Himself and address them in order to bring them to their senses, in order to motivate them into contacting Him in greatest adversity and danger.

Countless people will lose their lives and the survivors will be faced by vast devastation, there will be such overwhelming adversity that only firm faith in Me and My help will be able to banish it which, however, only few people will possess. Earthly things which seem unattainable will nevertheless be possible with My help, and I will often work wonders where true believers trust in Me and My help. But the earth has to suffer an upheaval and human hearts, too, must be extraordinarily touched in order to help their neighbour in these hard times, and wherever this unselfish love, this will to help other people, expresses itself an obvious improvement of the situation will also take place. My forceful intervention only serves the purpose that people should put their 'ego' aside for a change and practise unselfish neighbourly love.... Then I will also be able to resolve **their** hardship, then I will be able to provide them with the bare essentials, and I will truly take care of those who reveal this unselfishness. Never before have such harsh conditions been experienced but I have to speak as distinctly as that so that everyone can recognise Me in My might, and anyone who pays attention to the extraordinary help which could not humanly be expected will also be able to recognise My love. Anyone who merely establishes or strengthens a heartfelt bond with Me can always also be assured of My help, yet people without faith will be in serious trouble. They will try to help themselves and often at the expense of their fellow human beings.... but they will not derive any benefit from it, neither earthly nor spiritually....

Not much time will pass until this disastrous event takes place but you humans are being made aware of it and that, in itself, is already an incredible grace, for then you will also know **Whom** you must contact, **Who** can help you in extreme adversity and danger.... This is why I announce this event time and again, and anyone who listens should appeal for a firm faith, for strength and vigour, in order to remain steadfast. In that case he will indeed take the path to Me, Who alone can help him in this adversity.... And he will not need to fear anything, for I will take care of My Own, no matter how.... And anyone belongs to My Own who believes in Me, who prays to Me, who thus unites with Me and therefore can always be assured of My protection and My help.... And they have the task of referring their fellow human beings to Me so that they, too, will take the path to Me when the hour comes which will decide the weal and woe of all people.... Amen

What fate is the world heading towards....

If you knew what fate you are heading towards you would not desire the world with all its commodities for even one minute longer. For you will lose them all and have to content yourselves with the small amount that is left to you after hours of extreme adversity and distress. And yet you cannot be spared because the time of the end is near and you shall first dispose of everything that belongs to the world and thus also to the one who is the prince of this world. And as soon as you have the right attitude towards Me, your God and Creator of eternity, your life will also become bearable for you.... But who has this right attitude towards Me? The firm belief that I will help him in every adversity, who entrusts himself to Me completely, and who is willing to surrender his life for the sake of his neighbour? For this will be your fate, that you even voluntarily choose to die in order to save your neighbour's life!

Yet it will not be to your disadvantage, for although you will lose your life on earth you will with certainty gain eternal life, which no one can take away from you again.... Therefore, don't be afraid, regardless of what will happen.... And firmly believe that you will go on living.... and therefore take care that you can leave your earthly life in a state which will lead you to life in eternity. For even life on this earth will come to an end soon afterwards and then the great reckoning will take place.... The gates into the kingdom of the beyond will be closed and only Satan's slaves and My Own will inhabit the earth.... the former will be banished into matter again whilst the living bodies of the latter will be removed by Me in order to populate the reshaped earth. And because I will send warnings and admonitions prior to such disintegrations of earth, the preceding natural disaster must also be viewed as such an omen which, with absolute certainty, will be followed by the end.

I terminate an earthly period because people no longer use their earthly life for the maturing of their souls and I still want to save what can be saved.... For I love all of you, My living creations, I don't want your ruin but your release from the constraint of the one who was responsible for your apostasy. But I cannot induce you against your will to live in accordance with My will and thus to live a way of life which will guarantee you eternal life. I must always give priority to your will and depending on your will so shall be your fate. However, since this time of the occurring judgment has already been planned for eternity you have all had ample opportunity to change so that you need not be counted amongst the victims of this judgment.... Yet you lack belief in it, and thus the end will take you by surprise and find you utterly unprepared. And I can't do anything else but send you a stern warning in advance, a natural disaster of such huge proportions that it will trigger tremendous fear and could make you recognise your God and Creator's solemn voice, yet until the end a human being's fate is determined by his free will, for neither I nor My adversary will use coercion. The adversary, however, will have greater success; nevertheless he will not be able to enjoy it for I will seize what belongs to him from his control again in order to embed it in hard matter, so that he will nevertheless lose strength as higher development continues, which will always also result in beings reaching the light, who escape from him altogether and return into their Father's house from where they once originated.... Amen

'The powers of heaven shall be shaken....'

I also foretold that by the signs of the time you will recognise the end is near.... And these signs will be so obvious that you will no longer need to doubt and know the hour you live in.... For the powers of heaven shall be shaken, you will be able to detect cosmic changes, natural phenomena which should make you think; they will be observable and even the lawful order of nature will seem to have been revoked.... and yet this, too, is governed by divine law, for everything that will happen and take place is based on My will. Yet only the truth of what was proclaimed by seers and prophets and what I foretold you Myself about the end shall be revealed to you humans. For everything will become disorderly during the last days so as to make you humans take notice.... Since you no longer accept any faith in a God and Creator, since you think that **My** works of creation are subject to your influence, since you consider yourselves powerful and extraordinarily knowledgeable, you will also have to be given evidence to the contrary, you will have to recognise your powerlessness in view of phenomena which cannot be stopped or changed by you at will.... Furthermore, you must recognise that such predictions, which you cannot deny, have already existed for a long time and that the time has finally come when what is written and what is repeatedly proclaimed to people through My Word will be fulfilled.... Yet people will even regard the cosmic changes to be the consequences of their own activities and consider themselves as masters with the ability to cause such cosmic changes, and thus they will deny God with absolute conviction. For My adversary's activity in the last days are intended to dethrone Me and therefore he will be bound again....

But there will also always be people who are aware of the time and speak on behalf of Me and My kingdom to the world, to those who are entirely without faith.... For they know that the last hour will soon strike, they also consider the cosmic changes as evidence because I predicted them Myself when I lived on earth. 'The powers of heaven shall be shaken....' this Word, too, has a spiritual meaning which you humans are as yet unable to grasp.... Everything that comes forth from Me, that is based on My will, is alive, and since My strength, which always generates life, will express itself every rigid form will be brought to life.... In the last days before the end My strength will flow out abundantly, everything will become less dense everywhere, that is, the sun of My spirit will penetrate the darkness of night which enshrouds the whole of the earth.... The sun of My spirit will flare brightly and its radiance will give life to everything, it will awaken what is sleeping and give life to the hitherto dead as it is struck by this beam.... Thus the powers of heaven, which you humans are incapable of stopping, will express themselves.... But in the end My power will also express itself in a purely natural sense which no-one will be able to explain, for I predicted unusual signs before the end, and these will happen in such a way that humankind will be able to observe the events in nature with horror since they cannot prevent them with their own countermeasures.... Instead they will even contribute by releasing forces whose effects have not been ascertained as yet and which therefore result in all-destroying consequences and accelerate the final end which, admittedly, is intended in My eternal plan of Salvation because I have always known people's will and therefore based My plan of Salvation on it.... but which nevertheless will be carried out by people themselves who believe themselves able to surpass Me and who are visibly under the adversary's influence whose devastating effect will then become apparent....

It will happen as it is proclaimed, and anyone who pays attention can already recognise the signs of the time.... anyone who pays attention also realises that My Word is truth, which is conveyed from above to people as a greater than great gift of grace for anyone who wants to accept this gift.... For at no time have I ever left humanity without forewarning when it was faced by events for which I had to send over people as soon as they were at risk of utterly losing themselves to My adversary.... My judgments have always been preceded by warnings and admonitions, for I always wanted to offer people the opportunity to come to their senses and make use of the short time they had left so that their souls' could emerge unscathed from all such judgments. Yet these admonitions and warnings were never allowed to compel belief, and this is why My present proclamations will also find little credence no matter how clearly the signs can be observed.... People try to explain everything in a way that is more to their liking, and this is why the end will take them by surprise, for the time is fulfilled, the end is near.... Amen

The predetermined day of the end will be kept....

The day that My wisdom predetermined in order to cause a transformation on earth, which merely serves a worldly inclined human race as a dwelling place but is no longer used as a spiritual place of education, is not far away.... The day is not far away when My will shall implement an act which will aim to achieve the complete transformation of the external shape of the work of creation called earth, which will signify the destruction of all life in, on and above the earth as well as all existing works of creation.... For My plan of Salvation has been determined for eternity and the time will be kept which I, in My wisdom, recognised to be necessary in order to create new opportunities for maturing for the spiritual beings.... And you humans will not be able to persuade Me to abandon this plan or to grant you more time, for I know and have known for eternity humanity's spiritual state at this point in time, which is precisely the reason why a complete change is needed, a renewed transformation of all spiritual beings which are on the path of return to Me.... Consequently, My predictions that you should not count on a long time ought to be taken literally.... that you should not transfer the announced end to the future, for one day even the future will become the present, and this time has arrived. Moreover, you humans can see for yourselves by all the happenings in the world and around you that people's spiritually low level can almost not be surpassed anymore, and therein you will also have to recognise the reason for a near end, for everything has become disorderly, the development of the spiritual beings has come to a standstill if it is not in fact regressing....

Hence you are living with false hope if you humans believe that you can win Me over through prayer, even if I keep telling you that prayers have great strength.... But what you pray for is only ever a selfish prayer, because you are not prepared to surrender your earthly life, and **therefore** you only pray that I should preserve the earth so that you will not have to fall prey to the end as well.... Your prayer should only concern the state of your fellow human beings' souls, you should only take care of your spiritual maturation and pray for each other and not appeal to Me to abandon a final destruction, for this is needed for the spiritual substances which are still bound in the creation which, just like you, are entitled to ascend so that one day they will also be permitted to become a human shell. But people forfeit their own right to be embodied on earth because they no longer take even one step upwards but are more inclined to strive towards the abyss again. A prolonged existence on this earth would be of no benefit whatsoever for these souls, instead they would sink even lower still, and they shall be prevented from doing so.... which will happen through a new banishment.... so that they will be wrested away from My adversary again, who had too much control over them as human beings in earthly life. You humans should only pray on behalf of each other that the souls will still release themselves from his control before the end.... Such a prayer of loving intercession for one of your fellow human beings will also reach My ear and be granted.... yet you will not succeed in trying to persuade Me to change My plan of eternity, after all, I know what is beneficial for all My living creations and what will help them to progress.

Therefore, anyone who wants to work for Me in My vineyard should take into account that the imminent end is a fact and thus be appropriately active on earth by preaching love and by also drawing all people's attention to the proclaimer of this divine teaching of love, to Jesus Christ, so that they will take the path to Him and under His cross become redeemed from sin and death when the end has come.... Then they will either enter the kingdom of light or be placed onto the new earth where they will be assured of a paradisiacal stay, which is already comparable to entering the kingdom of light, because people will have passed their test of earthly life and become free from guilt. And so that many people will still be able to reach this goal I continue to address them time and again through you, My messengers on earth, who receive My Word directly and pass it on to wherever it will be faithfully accepted. And this speech will not cease until the end, for I know who is suited to hear My Word, who allows My ray of love to flow into his heart and also makes correct use of it. And they will testify time and again that the end is not far away, they will never cease to mention My plan of Salvation and constantly refer to Jesus Christ and His act Salvation.... Time after time I will also emphasise His great significance and refer people to Him, Who alone can deliver them from the fall into the deepest abyss. And anyone who is able to believe in an end will not fear it either, for his faith has come alive through love and a person who lives in love will always also have the strength to defy all onslaughts which will still confront him in the last days.... For love itself is strength, because love connects the human being with Me, the Eternal Love, and thus constant strength flows to him from Me. And truly, none of you need to fear the end if only you would make the effort to live a life of love.... Humanity, however, is lacking love and is therefore descending ever deeper and thus causing the end itself.... as I have recognised for eternity and therefore My plan of Salvation will be implemented, as it was proclaimed in Word and Scripture.... Amen

Time indication....

You will never receive any indication in regards to time, because it would only have a damaging effect on your soul if you knew exactly when a prediction would take place. You should certainly take notice of it because I want you to prepare yourselves, because I want to admonish and caution you.... admonish, so that you will eagerly work at improving your soul and caution, so that you will not become complacent, which you will bitterly regret one day. This is why I have informed you of future happenings and indeed pointed forthcoming events out to people since the beginning of this period of salvation, for the idea of approaching them shortly should encourage you to live in accordance with My will and thus fulfil your purpose of earthly life.... Yet the time **when** you should expect the announced events has never been specified, and this made you become half-hearted regarding these predictions.... You always assume that My predictions will fulfil themselves in the distant future.... But you fail to consider that time passes constantly, that you draw ever closer to this future and that one day even the 'future' becomes the 'present'.... Thus I once again predict to you that the end of this earth, the end of a period of Salvation, is soon to come. And I keep referring to it with increasing urgency because it seems incredible to you that **you** should live in this end time.... Once again I don't give you the precise time and will not do so until the end so as not to compel your will....

Yet one thing I will tell you, **you don't have much time left**, very soon the time will come when all My predictions will fulfil themselves and you should not rely on the fact that one day is like a thousand years to Me.... Even a thousand years eventually pass by, and thus even the period of Salvation in which you live will come to its end one day, for sooner or later a new period will have to start if only for the sake of the bound spiritual substances in the works of creation which shall continue their development.... And again I only say, you are on the verge of it.... But time and again I repeat these Words with such urgency that you should nevertheless start to think.... Time and again I try to attract labourers during the last days before the end because I urgently need them in view of the forthcoming event, I convey remarkable knowledge to you humans so that you learn to understand My predictions, so that you know the reasons on which My proclamations are based.... I do this because the end is very near and because you ought to believe that My Words will fulfil themselves.... Yet even now I cannot specify the time since I don't want to throw you into incalculable chaos.... For the knowledge of the precise day and hour would throw you into dreadful confusion and no longer result in any kind of maturity. I can only repeatedly and ever more urgently draw your attention to the fact that you must take the fulfilment of all predictions into account, that you should not rely on the fact that you yourselves will not experience them anymore....

No-one knows the hour of his death and neither will anyone know as to whether he will be taken by surprise by the announced end, by the immense work of destruction and its predecessor, the unexpected natural disaster, and whether he will have to live through everything that happens in the last days, for I keep telling you: You are on the verge of it, you don't have much time left and every day and every hour you must take into account that I will extraordinarily manifest Myself through the elements of nature, and then you will also know that the end is no longer far away.... Therefore you should live in accordance with My will.... It will enable you to approach all events without fear.... You should only unite yourselves with Me through deeds of love, prayer and frequent thoughts and truly, your souls will not be harmed even if I prematurely call you back.... But I will also physically protect you if it is My will that you should still serve Me until the end.... Yet never expect Me to disclose a time to you, for it would not be of any benefit whatsoever for you, who serve Me, nor for your fellow human beings whose state of maturity is even less suitable for such knowledge. Yet whatever knowledge you can possibly impart to your fellow human beings about the forthcoming events, about My eternal plan of Salvation and the Father's infinite love Who wants to save all His children before the end.... should be done by you, and thus you still carry out fruitful vineyard work for Me until the end.... For every soul which still finds deliverance is a gain for Me for which I will truly reward you.... Amen

Distribution....

And wherever the opportunity presents itself to inform your fellow human beings about the forthcoming end and all preceding events you should speak up, so that no-one can use the excuse not to have heard anything about it. For I really still want to do whatever it takes to give people a small light, and thus I will also bring you into contact with those where there is still a small glimmer of hope that they will react by thinking about it and then observing for themselves what is happening around them. I try to direct all people's thought such that they, for once, would like know what they can still expect, if not in this life then in another, to which their thoughts will therefore be directed. The life which people presently live with purely earthly directed thoughts is by no means healthy for their souls, for the soul is meant to rise above all matter during its earthly life. But if the human being ties himself to matter it will signify for the soul a state of hardship, a state of hunger and of hopelessness of attaining its goal.... And this is why people's attention shall be drawn to the transience of all worldly things and, with good will, they can still utilise the short time by acquiring something of permanence for themselves even if the earthly body will cease to exist.... all I aim to achieve by constantly announcing the forthcoming end is that they will give account to themselves about the state of their souls, if they at all believe in a continuation of life after death.... Yet this very faith is missing, which is the reason for the enormous spiritual adversity during these last days. But don't let it put you off informing your fellow human beings again and again of what you were allowed to hear from Me.... You shall talk about the working of the spirit within yourselves as well as the contents of what is conveyed to you as My Word....

Tell them that they are in great danger of going astray for an infinitely long time if they don't diligently use the short time until the end in order to change their nature into love which, during the last days, does not show much love at all.... Tell them that they still have to take the path to Jesus before their death, that they have to carry their guilt under His cross and appeal to Him for forgiveness.... And you have to teach them the most important commandments: the commandments of love for God and one's neighbour.... their state of soul on earth and later in the spiritual kingdom depends on their fulfilment.... You must pass on everything you hear from Me directly, always in relation to your fellow human beings' state of soul, so that they learn to understand it and also direct their thoughts to Me, Who will always help them if they pray for help. I convey this knowledge to earth so that people will have an explanation, even for what still lies ahead of them and what I constantly announce, so that they will not be taken by surprise by the events, which will come without fail as I have always and forever proclaimed. For I still want to give everyone the opportunity to prepare themselves in order to then await the end without fear, which only needs to be dreaded by those who, as completely obstinate followers of My adversary, will be banished once more into the creations of the new earth.

Detach yourselves from earthly matter so that it will not become your shell again from which you no longer can free yourselves without help.... Believe that the end will come in not too long a time, for the low level has been reached, no spiritual change is possible on this earth anymore.... Only a total transformation of the earth can achieve a spiritual change, and in order for you to be permitted to experience this change on the new earth you must strive for a heartfelt bond with Me, so that I can count you to be one of My Own who will remain faithful to Me even in the harshest battle of faith which is yet to be waged against you by My adversary.... so that you will receive strength from Me and persevere to the end.... And you will be able to enter a realm of peace and beatitude.... You will be allowed to populate the new earth where you will receive the reward for your steadfastness when you have to confess Me before the world.... Then you will have prevailed over this world and you will never need to fear My adversary again, for he, together with his followers, will be bound for a long time again.... Amen

Fear and misery.... God's intervention – Battle of faith....

You may take it for granted that you will soon enter the last stage before the end.... For the signs will be noticeable which were predicted in Word and Scripture.... However, under no circumstances will you be compelled to believe it, for every person is free to find his own explanation as to whether it corresponds to the truth or not.... Yet the spiritually minded person knows that a period is coming to an end, and he also knows that a new one will start again, because countless spiritual beings shall still be redeemed which travel the path across earth partly in a constrained state and partly as free beings for the purpose of their return to God.... Everything will take place in lawful order, both the disintegration of the creation as well as the reshaping of the earth, because God's plan of Salvation has been predetermined for eternity.... And due to your eternal God and Creator's immense grace you humans who live in the last days are permitted to be informed of what lies ahead of you.... You will be initiated into His plan of Salvation if you want to know the truth about it, and therefore you may receive His Word which in all truthfulness informs you of everything pertaining to the act of creation and deification.... For it is not His will that you should experience the end in complete ignorance because.... if you just possess a small glimmer of realisation.... you will make an effort to fulfil the purpose of your earthly life which entails that you will bring the act of deification to fruition in earthly life and thus reach your goal....

However, it requires your free will to know the truth, and then you will also be able to believe everything that is conveyed to you humans through the Word of God from above. Then you will also find it credible that the end and a total transformation of the earth is near, for your spirit will explain much to you and all correlations will fall into place.... And thus you will also be able to observe happenings in the world which will have alarming consequences for the whole of mankind.... You will watch how people proceed against each other and the measures all participants take in order to assert their authority.... You will get very frightened, for you humans will be threatened by an exterminatory war of immense proportions, there will be widespread fear which will only bypass the few who completely hand themselves over to their God and Creator, their Father of eternity, and who therefore will be led out of every adversity.... And His guidance will be truly remarkable, for He Himself will intervene.... Yet, instead of diminishing, the tribulation will become much worse, for then people will be faced by and find themselves at the mercy of a natural disaster, a raging of elements, which cannot be humanly prevented, because it is the expression of **that** Power Which is in control of all forces and Which the elements have to obey in accordance with Its will....

And this will be the dawning of a time which can truly be regarded as the greatest misery that has ever come across this earth.... but which, again, will not be quite so severely felt by His Own because they may receive God's extraordinary help at all times.... Yet those who are distant from their God and Creator, who do not believe in His love and wisdom, in His greater than great might, will have to suffer great hardship because they won't call upon the One Who can help them in their distress.... They will not acknowledge Him and are still of the same opposing spirit as they were at the time of their apostasy from God, and thus they will return to the abyss again, from where they had already raised themselves with the help of God and just had to pass their last test of will in order to be completely redeemed from all guilt. For in the last days a brutal battle will erupt against Jesus Christ, Whom you humans have to acknowledge as God's Son and Redeemer of the world in Whom God Himself became a human being.... so that you can then enter the spiritual kingdom in a redeemed state.... Yet God's adversary will declare war on all those who believe in Him, and therefore everyone will have to publicly profess Him before the world.... And only those who have accepted His Word which was transmitted to earth from above will be able to profess Him, for they will recognise the truth and know **Who** Jesus Christ was and why He has to be acknowledged, and they will remain faithful to Him until the end and belong to those who will be carried away when the day of the end has come.... The battle of faith will be the last test of endurance for you humans, but which **you** who know the truth will be able to pass.... This is why God time and again conveys His Word to earth, so that all people can partake of the truth in order to also uphold it before the world during the final battle of faith, for only the **truth** will provide them with the information about Jesus Christ, and only faith in Him will give you the strength to persevere until the end.... until He comes Himself to fetch you into His kingdom.... Amen

Signs before the catastrophe (Anxiety of people and animals)....

People will be seized by immense anxiety shortly before I appear through the forces of nature. The event will announce itself such that people and animals will feel nervous and inwardly sense that something is about to happen in nature. Strange behaviour amongst animals will be particularly apparent, they will attempt to flee in a certain direction and suddenly turn back as if driven by an invisible power. And this behaviour will cause apprehension in people who realise that imminent danger is approaching against which they cannot defend themselves.

And thus everyone will worriedly wait for what is to come. And you, My servants on earth, should make good use of this time for it will be a short reprieve when people will still listen to your words because they will be looking for an explanation for the unusual sensations experienced by people and beasts. Then draw their attention to My Word, prepare them for My appearance and refer them to Me so that they will take refuge with Me when the hour has come that I will speak. At the same time you should unite with Me in thought so that you may be strong and able to support those who are unbelieving or of little faith.

You have to prove yourselves and will be able to do so if you call to Me in advance and in the hours of greatest need. I will draw your attention to the signs in advance and give you the opportunity to observe your environment so that you will see that everything I told you will come to pass, that an oppressive feeling and restlessness will burden people, the cause of which you know and thus you will be able to speak effectively where necessary. And once again you will experience a situation where the person who lives in love will believe you, whereas the heartless person, although listening to you, will derive no benefit from it. Until the hour comes when I will speak from above.... And there will be raging and gusting in the air, no one will take notice of the other any longer but only be concerned for his own life. Every person will try to escape but hear the same raging and gusting from all directions and, depending on his attitude to Me, he will be affected by the event.... he will stay alive or be killed by the natural disaster, as My wisdom has recognised and determined since eternity....

Even though it is seemingly calm and there are no recognisable signs as yet.... do not believe that you are safe because the day of the natural event will come without fail, and the unbeliever will be able to see it for himself, if he still has time to think about it.... I have spoken and revealed it to you through My spirit, and I will speak through nature with a voice which can be heard by everyone. Anyone who does not believe the first voice will have to hear My voice from above.... But even then he will be at liberty to witness it as a mere play of nature or remember My predictions and believe that I want to reveal Myself so that you, who do not acknowledge the voice of the spirit, should hear Me. And blessed is he whose life is spared as he will still have a short time of grace at his disposal which he will be able to use to make up for what he has neglected up to then, in order to prepare himself for the end, which will soon follow the event in nature.... Amen

Destruction of earth is the result of experiments....

The final work of the earth's destruction will be triggered by you humans yourselves. And I will not stop you, because I also consider the spiritual substance which, as a result of this work of destruction, will be liberated from matter and able to continue its process of development in new forms on the new earth. You have been informed of this several times already and yet have little belief, for the whole event is simply unimaginable to you. Nevertheless, it is the conclusion of a period of development which will lead to a new period, so that the work of return can once again successfully proceed in lawful order, which was no longer evident before the destruction of the old earth. My adversary completes his last satanic work by influencing people to do something which he has no power to do himself: to destroy works of creation.... in the belief of thereby releasing the constrained spirits and taking control of them. He manipulates people and induces them to carry out all kinds of experiments which, however, will fail with devastating effect due to peoples' lack of knowledge. For people dare to experiment without having explored the outcome.... they will unleash forces they cannot control and consequently are doomed to die. And with them the creation work earth, too, will be subject to enormous destructions.... The entire earth's surface will totally change, all works of creation on earth will fall prey to destruction, the effects will penetrate to the core of the earth, and thus one can speak of a destruction of enormous proportions although people themselves will not be able to observe it, apart from the small flock which I will lead away from earth beforehand into a realm of peace.

I Myself would never allow such destruction if I would not thereby gain new opportunities of salvation for the still constrained spiritual substance, which has already languished for an infinitely long time in hardest matter.... Yet continued development would also be possible for this spiritual substance if people did not reverse the lawful order and always just lived up to their helpful task on earth.... But people no longer live within divine order, and therefore My adversary exerts great influence over them and impels them to start a process in the hope of gaining the return of the constrained spirits to him. And I will not stop him, since it still depends on every person's own free will to comply with My adversary's inducement.... Nevertheless, regardless of what people do, I will always know how to utilise the effects of their actions correctly. For even the world of darkness is subject to Me and My might, and it will have to serve Me while at the same time taking part in My work of return, if only unconsciously. But I have always known the direction of humanity's will and I was able to incorporate it in My plan of Salvation.... I know when the moment in time has come when spiritual progress can no longer be expected....

I also know when the time has come to liberate the constrained spiritual substances, and therefore will not prevent people's activity when they set an enormous work of destruction into motion due to their misguided will, which aims for My adversary, and thus people are his willing instruments. For he himself is unable to destroy any work of creation, he cannot dissolve any kind of matter and all power over the spirits has been taken away from him. This is why he tries to regain it, and people who belong to him contribute themselves towards the disintegration of matter.... at first through countless experiments which then take on proportions which matter can no longer withstand.... But I allow the spirits captivated therein to be set free, if only at the expense of humanity, which itself has reached a spiritual low that requires a new banishment into matter.... And irrespective of what My adversary and the people who belong to him will undertake.... in the final analysis it will nevertheless serve the progress of the spiritual substances again, which is meant to reach perfection one day. Therefore My plan of Salvation will surely be implemented, as it is proclaimed in Word and Scripture.... Amen

The final powerful work of destruction.... I.

Even if you are constantly made aware of the end your faith in it is nevertheless not alive enough to seriously prepare yourselves for it.... You are facing such an extraordinary event that it is difficult for you to believe since nothing remotely similar has ever taken place as far as you can ascertain from the past. The individual periods of Salvation are so long, and besides, it is My wise intention that you should not be able to estimate the interval between the beginning and end of such an epoch and that you should lack all knowledge in this regard. For even what you think you can ascertain by way of research is not reliable information, it will always remain unverifiable assumption. And thus the forthcoming work of destruction, which will totally change the earth's surface, will indeed affect the whole of the earth, yet it will only be consciously experienced by the few who, as the root of the new human generation, will be carried away before the end. And they will in fact still remember the old earth, however, the new period will start so entirely differently that people will soon get used to living in a completely new world and thus their thoughts utterly distance themselves from the events on the old earth.... It will only affect them like a dream since the new earth will present them with entirely different problems because they are spiritually minded and only ever try to come closer to Me. Worldly thoughts will dwindle, but the spirit will already be remarkably active and the souls will attain a high degree of maturity, so that, to a certain extent, they will have reached their earthly goal already and be in contact with the inhabitants of the kingdom of light although they will still live in their physical bodies.

What you are told in this respect is completely incomprehensible to you humans on this earth, yet it is the truth and therefore you are repeatedly informed that the time has come when you can expect unusual happenings, because events will happen thick and fast in the end and only a specific degree of maturity will assure people the strength to cope with what is to come and thus survive the last days in conscious unity with Me and the certainty that I will support them no matter what happens. Significant events of all kinds will always be caused by people themselves even if a direct cause is not perceptible, yet only I know what people's souls need.... And unusual occurrences will have to happen in the end in order to galvanise people.... And yet, all these events can be called negligible compared to the large work of destruction which will befall earth when the time comes for the lawful order to be restored in accordance with My will. Nevertheless, only the people carried away by Me and before whose eyes everything will take place will be able to watch the full extent of the destruction work.... and only because they shall realise their God and Creator's might and also experience the truth of My Word....

Yet prior to this many an event will still frighten people and only for the sake of directing your thoughts towards the One to Whom all Power is given and at whose mercy everyone is.... And truly, every human being who is still called away from earth before the end may consider himself blessed, for he will not meet the dreadful judgment of the new banishment which, however, can be expected by everyone who does not belong to My Own.... to those whom I will carry away from this earth, as I announce to you time and again.... You humans cannot give credence to such an occurrence either, because no previous incident of that nature can be verified and because people will not allow for anything that contradicts natural laws. Yet He Who gave these natural laws can truly also revoke them, for nothing is impossible for Him, especially when it concerns establishing a new order again so as to safeguard the further development of all spiritual beings. This is why you should faithfully accept everything that is imparted to you through My Word.... You should believe that everything is possible for Me and that I will also use My might in the end because I want to repeal My adversary.... For his time is over, and he has really made good use of it to the detriment of what also belongs to Me.... And for the sake of these spiritual beings I will let new creations arise which will receive the spirits which had failed their last test of will on earth, for I always have the salvation of all spiritual beings at heart. And even if you find it impossible to recognise My love in all forthcoming events.... one day you will be able to understand it and then you will acknowledge the greater than great love, wisdom and might of the One Who wants to deliver you from the abyss but Who will let you keep your free will so that you will be able to become perfect as your Father in heaven is perfect.... Amen

The final powerful work of destruction.... II.

Great events cast their shadows before them.... And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth.... with the difference that the previous divinely intended natural disasters will horrify people, whereas the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves.... on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which emerged through God's will.... You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer.... And every frightful event is intended to wake you up, for you are truly sleep walking, you don't see and realise anything because you don't **want** to see or realise anything. You are in grave danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing changes in their way of life, in their attitude towards God, for He is distant to them and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to withstand the adversary's demands to renounce their faith.... For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end.... But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again....

By way of destruction through the forces of nature they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences.... And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion.... Whatever it takes will still be done on the part of God which could result in some success.... Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed.... but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained.... Even so, you are told in advance that you will repeatedly be shaken up, you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognise it. Observe the cosmic events and heed world events.... And know that there are no coincidences in earthly life, that everything is determined or permitted by God's will because He also knows the results of what He sends upon earth and humankind. For He holds the reins and knows how to steer them according to divine wisdom.

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events.... Listen to His soft voice and don't let anything pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned.... And believe that you don't have much time left until the end and that everything will come to pass as it is written.... that the old earth will pass away and a new one will arise.... For the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity.... Amen

End of the period of Salvation.... God's plan of Salvation....

I have set a goal for you and granted you humans a period of time in which you certainly could have reached this goal. And even now it is still possible for you to attain this goal if you genuinely wanted to do so. Yet the limit given to you has passed, only a short time separates you from the end, and anyone who hasn't reached the goal by then will have squandered his spiritual life, he will have forfeited it because he didn't want to live, and his fate will be death.... One period of Salvation comes to an end and a new one begins; yet the spiritual essence which is presently embodied on earth as a human being has definitely reached the end, and if it fails it must start the cycle of evolution once again, so that My law of eternal order shall be fulfilled. The deadline has expired, you are just minutes away from the hour when the old earth will be destroyed, when its creations will be disintegrated in order to arise anew, in order to provide again new opportunities for the development of the still immature spiritual beings. And although I repeatedly inform you of this hour.... it bypasses your ears without leaving any impression, you don't believe it.... Yet your unbelief will not deter My eternal plan, it just induces Me to send you ever more distinct signs to make a near end seem credible to you.

Your unbelief causes Me to inflict extremely painful wounds on you in order to make you consider what your life is about and how you have used it. You cannot be spared hours of adversity and misery since they can, after all, still contribute towards leading you to the goal, which you really can still reach if you have the serious will to do so. I will noticeably help you and give you strength, yet your heart must appeal to Me for help to demonstrate your will. I can and will do anything to make you happy yet I cannot change My eternal plan of Salvation, it has to be carried out in accordance with the law of eternal order and within the preordained time, which is now coming to an end. Humanity's spiritual state had already reached its lowest point some time ago which necessitated the end of the earth, yet I still wait for the sake of the few who are weak and undecided, as I can still win them over before the end of the deadline. But then all options will have been exhausted, then everyone will have to accept the consequences of their attitude towards Me, and Judgment will categorically take place, and everyone will receive the fate he deserves.... eternal bliss or damnation.... life in paradise on the new earth or renewed banishment into the creations for an infinitely long time again.... Amen

Lorber....

You need not doubt the spiritual knowledge which you receive from Me, for I do not content Myself by merely making statements to you but I substantiate everything, and that also has to convince you that you are taught the truth. Yet I know that you will meet with resistance and this will persuade Me to provide you with proof, as I have done before (Gottfried Mayerhofer) by referring you to a different explanation which concerns the same problem. And through this scribe of Mine you will receive illumination.... (Secrets of Creation, page 91). Precisely because you are living in the last days I Am giving you the purest truth, which you can pass on without hesitation, pointing out that nothing will remain unchanged once it comes into possession of people who are not yet perfect themselves.... And you can believe that this work (J. Lorber) has also gone through changes and therefore has no longer remained pure.... Besides, My servant J. Lorber, too, was just a human being who was able to err and has erred whenever his intellect tried to solve a problem by itself, for then My adversary was able to influence his mind.... Admittedly, he enjoyed My protection, and he truly left the kind of knowledge to the world which certainly entitles him to be called the greatest seer and prophet.... yet I had to leave him his free will, which was the only reason why the adversary was able to interfere.... otherwise an obvious contradiction such as the description of My Nature, that all opposites are present within Me.... could not have happened. Yet I will not deny My protection to any Word-recipient who genuinely struggles to gain the right understanding, who only ever wants to know and spread the pure truth. And that should suffice you and strengthen you in the battle against error, for I will walk with you and also still let you find the evidence of your correct thinking....
Amen

Death of a worldly ruler.... Turn of events....

When you hear of the death of a worldly ruler you have arrived at the point you can call the beginning of the end. Then the world will turn into a place of fire, flames will blaze high, unbridled hatred will rage and humanity will be gripped by horror as it sees no escape from the inevitable peril.

And then I will urge you to speak, for whilst everything is in uproar great calm will take hold of you as you clearly realise that the time of My appearance is drawing near, and thus you proclaim it to those who will listen to you. People see themselves surrounded by enemies on all fronts and are therefore without hope for a peaceful solution. Hence those without faith in the only One Who can help will suffer immense fear.

Consequently they will only focus on world events.... People will anxiously attempt to provide for themselves as they see the approach of great earthly hardship; they will anxiously try to secure worldly goods and prepare for escape even though it seems hopeless to them. Only the faithful remain calm, and then I will use these to encourage their distraught fellow human beings who despair in their unbelief. I attempt to bring Myself close to them once more, I let My servants talk to them and through them I Myself speak words of love and encouragement. I warn them against escape and not just to consider their physical well being; I demonstrate the futility of their intentions and admonish them to persevere and put their fate in My hands; and thus everything takes its course....

The fire is kindled and people will not extinguish it anymore, I will put it out Myself by opposing it with other elements, by confronting those Myself who want to tear each other apart.... And My voice will sound from above.... The earth will experience a natural disaster which will tear the fighters apart; they will be faced by a power which neither can match.... The process will only take hours but it will create a completely new situation in the world, totally changed conditions and an initially uncontrollable chaos, utmost earthly hardship and unspeakable grief and adversity amongst people.

Yet you all must endure this, for the end is approaching and many opportunities for purification still need to be created since all people have a shorter lifespan now and need to mature in the shortest possible time.... The end is near and as soon as this point is reached you also can, without doubt, soon expect the last day and the Last Judgment, so that may be fulfilled what has been proclaimed in Word and Scripture.... Amen

Announcement of the Judgment.... Doubts.... The approach of a star....

You have been informed of an approaching Judgment but you doubt this and do not take My Words seriously enough, or you would not make further earthly arrangements and only prepare yourselves for the day when My proclamations will come true. Although you do not know the day, it should suffice you that I, as your Creator and Father of eternity, have revealed it as shortly forthcoming, that I thus have informed you that it is time for you to prepare yourselves or I would not constantly repeat the admonitions and warning, but leave you without notice. And therefore you should pay heed that the deadline grows ever shorter and is expiring very quickly everywhere. All earthly worries are in vain for I will take care of My Own so that they will have what they need. The others, however, will not be able to hold on to anything, even if they associate with My adversary, even if they, at present and with his help, are prosperous in a worldly sense and continue to increase their possessions, be they earthly goods or honours or worldly wisdom. My adversary will not be able to protect them on the day of terror, since I want to bring people to their senses through the forces of nature, so that they will think of their God and Creator and entrust themselves to Him in dire adversity.

Then everything will fall prey to the forces of nature, nothing will be left for people except what I want them to keep. And therefore they should endeavour to gain My grace, they should unite with Me through deeds of love and heartfelt thoughts, they should speak to Me and listen for My answer, and they will reap a far greater reward than if they worry about their body's wellbeing, about earthly wealth and earthly progress. You should believe that soon will come to pass what I already predicted long ago; you should believe that there is not much time left and no longer worry how to gain earthly profits, for this worry is futile, as you will very soon realise.

I will give you, who spread My Word, a sign so that you will support it with full conviction. I want you to know that a star is approaching earth with great velocity, and that this appearance will happen shortly before I bring the constant proclamation to fruition. Then you, who are informed, will know that the hour is at hand. Then you should live only in accordance with My will, inform your fellow human beings of the forthcoming event, turn everyone's attention to it and closely unite yourselves with Me so that I can give you the strength you need during these perilous hours. Do not fear but only believe that I will deliver you from all hardship, so that you will be able to fulfil your mission for which I have prepared you.... so that afterwards you will bring My Gospel to your fellow human beings, for many of those who emerged unscathed will accept My Word with a hungry heart. You should realise that you do not have much time left until the end.... And preceding this end everything I constantly proclaim will come to pass. Believe it and prepare yourselves, for time is running out and I will appear very soon.... Amen

B.D. 6405

Changes in the constellations....

You will experience a series of events at short intervals which will greatly disturb you since you will be unable to explain them, and hence you will fear powers against which you cannot defend yourselves. Nor will you be able to find a correct explanation because it is My will that each one of you shall take all eventualities into account and adopt an appropriate attitude.... because I want each one of you to still derive a benefit for yourselves, that is, for your soul.... Where faith is entirely absent people will be particularly apprehensive, whereas the believers will more or less abide by Me and know that they are protected in My care.

Nevertheless, the cosmically generated phenomena will lead to much public debate so that every person will spend some thought on them himself and also discuss it with other people. At times worldly interests will be less important, yet once these appearances have passed worldly people will enjoy the pleasures of the world even more eagerly and only a few will retain impressions which will result in reflection and even to a change of attitude.... until the same cosmic events repeat themselves and trigger new anxiety.... For the scientific community fears a serious threat to planet earth.... since the mysterious changes in the galaxy have never been observed before and may pose a considerable risk to earth. And people's opinion regarding the assessment of effects will vary considerably.... People will carelessly brush it aside and, without a second thought, enjoy their lives; others will take entirely futile precautions, while others still will withdraw within themselves and mentally come to terms with their God and Creator.... And I allow everyone his free will, I only ever try to encourage people to think correctly, to pay attention to the human being's true purpose.... so that they will find peace in Me and then can be led by Me for the salvation of their souls....

But what will happen?.... The zodiac will change.... Stars will be moved into other orbits with new positions in relation to earth.... and thereby stars never observed before will become visible, one of which will emerge as a direct threat to earth as a crossing with the earth's orbit will be feared.... No-one will want to believe that this will happen, and no-one will believe that natural laws can change, but you humans are facing the end.... **You yourselves** are preparing something that will have even worse effects, for what **you** undertake will endanger the **whole earth**....

What happens due to My will is, however, just a sign of the end, it is a serious warning for you and I only grant you such obvious signs of a higher Power's existence so that you can turn to it and thereby also avert a real danger if you, that is your soul, make correct use of it. But what follows **afterwards** will affect the whole earth and everything living on it....

And this is why I will manifest Myself in advance in an unusual way yet without forcing you to acknowledge Me as the Initiator of what will have a huge outcome, yet will not affect the **whole** earth. For I know all natural laws and their effects, I also know how to avert any happening or lessen its effect.... But what I allow to happen will always serve your deliverance, it is intended to drive you to Me, it is intended to let you humans recognise a 'God' in Whom you should take refuge because He is your Father.... It is the last sign before the end.... It is the final attempt by My love and mercy to save what can still be saved.... Amen

A forthcoming natural event....

In the foreseeable future you will experience the truth of My Word, for I will express Myself through the forces of nature, as I have constantly forewarned.... And you will not be able to ignore My voice, for it will resound powerfully and throw the world into chaos.... Although the region of the event will indeed be limited it will still be of such enormous proportions that everyone will be alarmed once he is informed of it.... For, at first, all communications to the affected areas will be cut off.... An eerie silence will engulf the disaster zone because all contact is lost until the first horror has passed. And then the world will be informed of what has happened, before it receives the news of the disastrous details.

However, people have to be sharply spoken to by Me because they refuse to listen to My gentle voice, because they don't believe My Word which is sent from above and conveyed to them by My messengers. Hence, I have to express Myself such that My voice cannot be ignored.... And I have to send a judgment on humanity to which many people will fall victim but who may nevertheless receive My love and grace due to their untimely death. And thus you shall recognise the truth of My Word and activate your will, for even after the disaster you can still make a free decision since I force no one to turn to Me.... Yet the appalling natural event can contribute towards people finding their way to Me, because the adversity is extreme and there is no obvious rescue from any side. But what appears to be impossible is possible to Me.... And if a person remembers this and calls upon Me in spirit and in truth he may also experience miraculous help.... I will so manifestly reveal Myself to him, that he will recognise the might and also the love of his God and Creator and then turn to Me in profound faith and humble submission.

Anything that can still bring souls back to Me will be done by Me, but I also know how difficult it is to win them over and therefore extraordinary means of deliverance have to be used, which seem cruel to you humans and yet are only an activity of love on My part in order to save the very souls whose state is known to Me. I don't want to let them fall into My adversary's hands, who will provide them with a far worse fate than the greatest earthly suffering could ever manage.... Believe Me, no matter what happens, no matter what is permitted by Me, I Am only ever motivated by My love.... I watch over every person's fate, no one is too unimportant or too immature for Me, I care for all of you who are presently living on earth as human beings, because I want to help you reach final perfection on earth, because I want to protect you from the fate of a new banishment and only ever want you to turn your thoughts to Me, so that you will escape the final downfall.... to be placed once more into the creations of the new earth.

And irrespective of how disastrous My intervention is for the people of the affected regions.... it is justified by My love for you, for from a spiritual point of view it is just a rescue mission and not an act of condemnation.... Your earthly loss is irrelevant compared to the gain which your souls can achieve.... And if you have to lose your life then you may also depend on My mercy, which provides you with the opportunity in the kingdom of the beyond to become enlightened and to ascend.... For on earth you would, with certainty, have fallen prey to My adversary, and from this I want to protect those of you whom I recognise as still being capable of change. For there is only a short time left before the end, and this end will come soon afterwards. Yet, prior to this I still want to give you a sign, a final admonition and warning which, although it will painfully intervene in untold people's lives, shall strengthen the faith in My Word, so that they can prepare themselves for the end, which will not take long to follow.... Amen

Transformation of earth....

The earth will continue to exist, for I have not planned its total destruction.... Yet everything living on it, as well as all creations of nature, will cease to be, so that a complete purification of earth can take place, since in its present state it no longer serves the progress of the spiritual substances. All living creations in, on and above the earth will lose their lives; they will be released from their enshrouding external form and able to continue the path of development, which at the moment is at risk for all spiritually tangible beings. For My adversary rages in every possible way and, time and again, tries to stop or interrupt this development. But the earth shall still fulfil its task for an infinitely long time to come, seeing that still immature beings shall mature on it to attain childship to God.... And therefore earth will arise again after a thorough purification process has taken place, after all spiritual substances are correctly placed, that is, after they are embodied into the external forms they merit, from hard matter up to the human being, who will also have to be offered easier opportunities to achieve maturity again to enable them to reach the goal of becoming true children of God. Thus the final destruction is synonymous with the end of the old earth, even though the planet as such will remain and merely its external shell will go through a complete transformation. And thus the 'end' can, and rightfully should, be pointed out, as it will not just mean the end of all civilisations but also ends the existence of every work of creation on this earth. And a new period will start again, the entire earth's surface will be brought to life by Me again with the most magnificent kinds of creations for the human eye to delight in once more, as I will give all new creations most exquisite forms and provide all types of living creations to coexist with the people who will inhabit this new earth again and whom I will take there Myself in love, wisdom and might. For I will establish the root of a new human race with those I was able to remove from the old earth; they remained true to Me until the end and thus are chosen by Me as the new generation, who in turn shall bring forth people who live within My will and amongst whom I can dwell Myself by virtue of their faith and love....

And it will be a blissful state, for the new creations will delight people to an extent never known before. People will truly inhabit a paradise, an earth which no longer corresponds to the old earth, because it will only be occupied by mature people capable of receiving an extent of bliss previously unknown on earth, since humanity already belonged to Satan, thus necessitating the cleansing of earth. And this time lies ahead of you, and each one of you would still be able to change his nature such to be granted the great blessing of the rapture.... But a person is rarely able to muster firm faith in it, and only few people have such abundance of love that they belong to the small flock which I will call away suddenly and unexpectedly.... But prior to that, a time of need will befall earth which should be a very definite sign for you that the day is not far away. When you are able to clearly observe My adversary's activities, when you yourselves are exposed to the evil deeds of his cohorts, when the adversity gets worse and a way out seems impossible to you, then this end will be near, then I will use My might to destroy everything profoundly evil and rescue My Own from certain destruction.... And those taken away by Me will live to see the downfall of the old earth, although they will no longer be affected by it themselves.... But one day they shall bear witness to the judgment of a righteous God, they shall be able to observe the act of destruction and yet praise and glorify the One Who has saved them from this judgment.

And once again I will carry out an act of creation, for My willpower alone will let a new earth arise, a dwelling place for My small flock, for My chosen people, who will then be able to live their new life in paradise, in peace and freedom, in happiness and bliss, in light and strength.... where no suffering and pain exist because the source of all evil is bound and unable to oppress people for a long time.... For one earth period has come to an end, and a new one will start again to help countless still bound spiritual substances to progress in order to enable them reach the final goal, the unity with Me as My child. And this is what lies ahead of you humans, for the time is fulfilled which was once granted to you to achieve the final release from the form.... Amen

The world wants to see miracles and does not see the greatest miracle of all....

It seems strange to you that I do not appear in great glory, that I do not make My presence known through eye-catching unusual appearances, but simply and without splendour merely express Myself through My Word where I Am able to be present. The world wants to see miracles but My Own see miracles everywhere and therefore will also recognise Me in plain clothing. They feel My spirit which gives evidence of itself that it is not a deceptive light, but it spreads a soft yet bright light that radiates from the heart, where I Myself can dwell. The world wants to see miracles and fails to see the greatest miracle of all....

For is it not a miracle that you may hear the voice of God, that I Myself can speak to you like a Father speaks to his children? Is it not a miracle that I personally answer questions which arise in a thinking person and which he is nevertheless unable to answer himself? Is it not a miracle that you yourselves have the teacher within you Who educates you in purest truth and grants you wisdom? You, who look for God in the distance, will never be able to grasp this miracle and therefore you will be unable to believe, for you do not allow My working within yourselves and thus I cannot make Myself known to you either. Yet My Own, who have established a relationship with Me through their thoughts, who always feel Me close to them, are impressed by the miracle, even though the miracle keeps itself hidden from them, that is, they cannot comprehend the full extent of their experience. For they should remain open-minded in their relationship with Me, so that they speak and commend themselves to Me as a friend and brother without any sense of excessive awe. And therefore I Am closer to them than to those who want to behold Me intellectually and yet will never be able to find Me.

But I will also appear to some in an obvious manner, and they will then be able to bear witness of Me and portray Me as truly existing, and through their faith they will also help to strengthen the faith of those who are still weak but not without faith. My Word will speak for itself and give evidence of Me to the world. The substance of the Word conveyed from above to earth is a far more obvious miracle than any extraordinary process which people would like to experience as 'proof of God'. My servants on earth who remain simple and receive My Word without trance, who equally simply pass it on again as they have received it from Me, are not affected by inner excitement, yet their souls experience the merciful, unusual event and will be enlightened, even if the human being as such is unaware of it. I know why My servants must have this apparent insensitivity and thus it is also My doing, not in order to disadvantage but to benefit the soul. And therefore do not allow such thoughts to reduce the value of the messages but know that I Am present with you Myself when you hear My voice, and that this presence of Mine is truly the greatest of miracles which, however, only few people believe or experience consciously. For the world wants to behold and be in awe but not quietly listen and be grateful for every genuine secret revelation which the conveyance of My Word from above signifies to people....
Amen

A renewal of earth must come....

Earth will have to be renewed if the higher development of the spiritual beings is to progress; all works of creation will have to release the spirits so that they can continue their development within new forms, as this is the purpose of the work of creation called 'earth'.... For it does not just concern you humans who voluntarily ought to reach your final goal on earth but fail to do so.... it also concerns the spiritual substance bound within the form which has not yet been able to arrive at the possibility of being of service and to which the path of service shall be opened. As long as you humans do not know the meaning and purpose of creation, you will not consider the possibility of an impending transformation of the earth's surface either. And yet it is about to happen and may only be experienced by people who have fulfilled the purpose of their earthly life, who have matured fully and therefore will populate the new earth.... Hence they also know God's plan of Salvation, they believe that they live in the last days and expect the end and with it the coming of the Lord, as it is proclaimed in Word and Scripture. But there are only few of them....

People's low spiritual level is so obvious that the time has come when a change must happen again.... when all spirits have to be placed into forms which correspond to their state of maturity.... And thus the human being, having completely failed, will also have to be banished into hard matter again and start a new process of development; whereas the spiritual being bound within matter may occupy increasingly softer forms until it reaches the stage one day when it can take the path across earth as a human being for his last decision of will. The fact that people will experience this harsh fate of a new banishment is the result of their free will, for they no longer have any spiritual aspirations on earth, they are totally attached to matter and will therefore become what they aspired to in this earthly life. Nevertheless, they have been sufficiently admonished and warned, during their earthly life they have been informed of the purpose of earthly life, and no person will be able to say that he had absolutely no knowledge of it. The fact that he, of his own free will, had rejected everything that could have increased his maturity is his own fault which he consequently will also have to pay for. A continuation of the old earth, however, would never ensure that these people would change; they would only ever descend further and also prevent the spirits within the form from progressing further. But who will believe this if he is informed of it?

As soon as people no longer believe in God, in a continuation of life after death, in a responsibility on their part, the said low spiritual level will have been reached which necessitates the end, the dissolution of earthly creations. For in that case people's existence on earth would be pointless, the blessing of an embodiment as a human being would no longer be made use of, the earth will have ceased to be a place of education for the spiritual beings and a total transformation will have to happen to put an end to this unspiritual state of affairs. And you humans will shortly face this transformation, you will shortly face a spiritual and earthly turning point, for the time which was granted to you for the maturing of your souls has come to an end. Until the end you will be warned and admonished, until the end you will be instructed about the purpose of your existence, you will receive the knowledge of God's plan of Salvation, of His infinite love for all His living creations and of the possibility and help on His part to become blessed before the end arrives.... However, you have to accept all this of your own free will, you have to seriously want to fulfil the purpose of your human existence.... you have to acknowledge a God above yourselves and appeal to Him for mercy.... And truly, you will still be saved in the last hour, otherwise the Judgment will take effect on you, otherwise you will get what you are striving for.... you will turn into matter again which had kept you tied to the earth so that you didn't take the path of ascent and therefore will end up in the abyss again.... Amen

The weak will not experience the end....

The weak will not experience the end.... I certainly know the nature of every individual person's soul; I know their will and their degree of maturity, which is also the extent of their strength of will in the last battle of faith. I know that this final acknowledgment of Me will require immense strength which only few people will be able to muster, and that it will necessitate an utterly living faith in order to stand firm and remain faithful to Me. For this reason the gates of paradise on the new earth will be opened to those who are faithful supporters and acknowledge Me, so that their demonstrated love for Me until the end will be rewarded.

But people of weak faith will not survive this last battle on earth. I shall avert the risk of their apostasy from Me so as not to let them fall into My adversary's hands and in order to give them the opportunity of continuing their development in the kingdom of the beyond which, after the end of this world, will no longer be possible for a very long time. They will not be able to cope with the demands and strains of the last days and will end their purely physical life before this time, for they will not oppose Me, but they will merely lack the profound, living faith which would enable them to be true advocates of Christ. And there will be many who will indeed choose Me, who will carry the faith in a God of love and wisdom within themselves, yet who will not increase it sufficiently to entrust themselves to Me without worry and appeal for My help. These souls will be taken from earth by Me or they would go astray for a very long time.

The strong, however, will remain faithful to Me until the end and will be raptured by Me before the destruction of the old earth. This process has to be plausible to you, and it should be equally understandable to you that the weak souls will not inhabit the paradise of the new earth, which can only bear spiritually mature human beings who permit My presence amongst them, as I have promised you. There has to be a separation of the goats from the sheep in the end. The old period of development will end with the banishment of the failed spiritual essence into solid matter, and a new era will start with a mature human generation, which will already find itself in a state of bliss on earth because it will have endured and have been sufficiently tested by Me on earth. This level of a soul's maturity allows for My presence amongst My children. But weak and still immature souls would not be able to endure My presence. Consequently, the new earth will not be a suitable abode for them; nevertheless, they will continue to ascend in the spiritual kingdom and, due to their prematurely finished life, will also enjoy privileges in the spiritual kingdom which will help their ascent. This is the separation of the spirits, which has always been proclaimed through Word and Scripture.... Amen

'Behold, I make all things new....'

I make all things new.... Those of you humans who are as yet unenlightened, who have not yet awakened the spirit within you, do not know the meaning of My Words, for you do not believe in a transformation of this earth, you do not believe in the Last Judgment, in the end of one period of development and the beginning of a new one.... You do not know anything about My eternal plan of Salvation and therefore do not understand My Words either: Behold, I make all things new.... Each of My Words has several meanings which are not even known to My enlightened Own, for this understanding is still too profound for the people of this earth, yet they are aware of the simple meaning, that I will renew what has left My eternal order....

I want to make a change, since the people of this earth are no longer striving for one and therefore miss the purpose of their earthly life. They have failed by not using their lives for eternity. Nevertheless, I will not let them get lost and therefore will give them the opportunity to cover the neglected process of development again, yet not as a repeat but in a completely different way.... For another process of development is an increased bestowal of grace and has to be acquired through increased effort, the opportunity of which is offered by completely new creations. Thus, first I will renew the school for the spirit, My earth, which shall support the development up to that of the human being.

I will provide it with entirely new creations of such diverse kind and shape that extremely large numbers of spiritual substances will have the opportunity to prove themselves therein. And I will let a new human generation arise, which will emerge from people who are blessed by Me, who will have completed their spiritual development with love and loyalty to Me, who will have attained a degree of maturity which permits exalted spiritual care, so that the new human generation will have every guarantee to achieve the highest possible spiritual perfection and the bound spirits, too, will be able to achieve maturity quickly, due to the exceptionally good influence exerted by people on all nearby creations.... I make all things new; I will also ease the conditions to release the spiritual substances yet without deviating from My law of eternal order, only caring for what is still living in constraint with profound love and mercy. Everything depressing will leave people, they will strive to ascend with full strength, because I alone will be the most Desirable for them and they will not be able to be pulled into the abyss by My adversary, who will be bound for a long time....

I shall make a new heaven and a new earth.... that is, spiritually and earthly I will give happiness to the people who then will belong to Me and who shall also smooth the way for those who will follow them.... Which one of you humans can comprehend this? And which one of you humans believes firmly and without doubt that the old things will cease to be? That even people who are still distant from Me will cease to exist, that only the small flock which faithfully follows Me as their shepherd will not lose its life, because I have blessed this small flock and destined it for a continued life in the paradise of the new earth.... that a new period of Redemption will begin in accordance with My eternal plan of Salvation, which My love and wisdom have determined in order to ensure eternal life for the spirits? Behold, I make all things new.... Those of you who believe in Me remember these Words, consider them in your hearts and know, that the time has come when My Word will fulfil itself.... Believe firmly in it and be hopeful, and endure all difficulties you will still encounter until the end with patience and submission to My will. For the day will come very soon when I will fetch My Own to reveal the paradise to them of which it is written: 'I will make a new heaven and a new earth....' and I Myself will dwell amongst My Own and will guide and teach them, as I have promised.... Amen

You will live forever....

You will live forever.... you will not lose this life anymore.... Is there a more enjoyable promise than that I want to give you eternal life and that you will thus be eternally happy? For life is blissfulness, because life is a state in freedom, light and strength, because 'life' is the state for which I have created you, which guarantees your perfection.... And this perfection will have been endeavoured towards by your own free will, otherwise no life would be possible, for prior to that you were in a state of death and only your free will was able to and can change this state of death into 'life'.... Furthermore, life means permanent union with Me, Who nourishes you with the necessary strength to live, which flows to you without restriction and will never again be limited.... Life is working and creating with Me and in My will.... and yet also in keeping with your will, for you have completely entered into My will because you are perfect, because you have become My images and will no longer think and want anything other than Myself and therefore you will also be incomparably happy.

And that is the final goal of the beings which once emerged from Me and My strength as living creations, which were indeed supremely perfect, since nothing imperfect can come forth from Me, but which voluntarily relinquished their perfection, fell away from Me and then had to travel an infinitely long path of development in order to achieve the highest level of perfection again, in order to thus return to Me, yet no longer as a 'living creation' but as 'My child', into which it will have voluntarily shaped itself through love.... which is indeed its fundamental substance because it came forth from My love, but which its free will had to arouse into the brightest of blazes.... but then eternal life in supreme happiness will also be guaranteed.... And this is the life I have promised you.... I Myself want to grant you this blissful life, and thus I will never cease in supporting you to achieve this said high degree of love, whenever it may be.... One day you will attain life and then never lose this life again.... This is truly the most glorious promise, for you can hope. You need not fear to be lost; you need not remain in the state of death forever, for I have told you 'You will live forever....' And My Word is truth.... only you yourselves determine the time when you will enter into life; you determine the time when you escape death, when you return to Me, unite with Me again and then also arrive at the life which lasts forever....

And thus you can also endlessly prolong the state of death if you misuse your free will again, if you oppose My loving support which stimulates your love. And then you will prolong your state of misery too, for only life is happiness. Yet you have free will, and this prevents Me from giving you life against your will. For you have to attain perfection yourselves, which guarantees you life in eternity, otherwise you would eternally just remain My 'living creations', but the goal of becoming My 'children' requires striving for perfection in free will. As long as you humans are still in the state of death, as long as you lack light and strength because you lack realisation and the influx of My strength of love, you are also in a state of unkindness, for voluntarily practised love would also result in light and strength, and that also means an 'awakening to life'. And then you will no longer be able to fall back into the state of death, because you will be enlightened and also recognise the purpose of your earthly life and consciously strive for it. And this is why love has to flare up in you if you want to attain the life which lasts forever. And I, the Eternal Love, will leave no stone unturned in order to lead you to this life, for I can only unite Myself with life but never with death.... and therefore I will first awaken the dead to life, which My infinite love will indeed achieve sooner or later.... Amen

The significance of realisation....

I will talk to you time and again, My children, for I know that you require My Word which shall give you the strength for your path of earthly life. You should always know that I Am present with you if just one thought from you is touching Me, if you wish to be in contact with Me. And when I Am present with you My strength also has to flow into you. Your soul needs this strength in order to mature fully, and this is why you will always achieve progress if you let Me speak to you.... the light permeating you has to become increasingly brighter, and that also means ever more profound realisation, it means progressive knowledge, it means clarity of thought and a correctly directed will. My speaking to you will guarantee this, for the strength flowing from Me to you has to take effect and thus bear witness of itself in the form of increased wisdom. And all you humans should desire light, you should all try to escape from the spiritual darkness and request more spiritual information. For in what ignorant state did you enter life on earth?.... And although your intellect begins to become active.... can you penetrate spiritual spheres with it? Dense darkness remains in you, and all spiritual concepts remain unresolved and indistinct as long as you don't feel the desire to receive an explanation. And until you do, the purpose of your earthly life will also remain unknown to you and you will be dead in spirit, despite the fact that you live physically.... And can you be satisfied if you have no knowledge at all about the reason and purpose of your earthly life? Are you content with your lightless existence on this earth with only earthly goals to strive for?

This state of darkness is not a happy state, and you should recognise it as unsatisfactory yourselves and try to receive an inner light, for only then will the unsatisfactory state change, and you will experience inner happiness when you receive the knowledge which explains to you the purpose of your earthly life. You should request such enlightenment and therefore also pay attention to My Words which are given to you by My messengers, if you are not yet able to hear Me directly. You should endeavour to enlarge your spiritual knowledge, for this knowledge is the light which was lacking in you at the beginning of your embodiment but which can be kindled and then shine brightly within your hearts.... For the light is emanated by My spirit, the tiny spark of love which, as part of Me, rests within you and has to be ignited by yourselves through love.... Thus love irrefutably has to result in wisdom.... the result of a life of love irrefutably has to make profound knowledge accessible to you, for the 'fire of love' emanates the 'light of wisdom'.... Your spiritual state will have to become bright, the spiritual darkness will have to disappear, you will have to become able to recognise all correlations, you will have to learn to understand Myself and My reign and activity, and you will have to be able to offer explanations yourself, because then I can be active in you Myself and thus you will only think, act and speak in accordance with My will....

The degree of realisation is decisive for the degree of maturity of soul, for I do not speak of dead knowledge which is academically passed on to you, but I speak of living knowledge which is the only meaning of 'realisation'. I speak about the 'Wisdom of God', which can only be gained through love, which can only come to earth through the 'working of the spirit' and is received by a heart which allows rays of bright light to enter it because it is full of love.... It is only given by love and only love will receive it.... whereas the same knowledge remains dead knowledge for the person who still lacks love. And you all should endeavour for the light of realisation to illuminate you, for only then will you approach the state of the brightest light again, which made you happy in the beginning and which you all have to reach in order to be happy again.... Amen

B.D. 8064

Introspection....

You too, My loyal servants, have to be admonished by Me to improve your souls more eagerly, for as long as you live on earth you all still carry immature substances within yourselves. You all more or less still have to fight against inclinations, longings and all kinds of weaknesses, and you should always remember that you ought to spiritualise these substances during your earthly life. A constant struggle will have to take place, and you should overcome them, you should try to influence the unspiritual substances with much love to let go of you, to join the desire of the spirit within you, to stop pestering your soul so that it will be able to ascend to the pinnacle with ever greater ease and without being held back. I want to make the path to happiness easier for all of you, but you also have to work on yourselves, you seriously have to examine yourselves as to what weaknesses and faults are still burdening you; you have to question yourselves whether your soul is still constrained by any cravings.... you have to fight against every impure impulse, suppress each irate motion, you must not send out any ignoble thoughts and deny any human being your love.... you have to try to put right every injustice you have inflicted on a fellow human being....

Your thinking shall always be noble and pure, which excludes every thought of hatred and vengeance.... You should avoid every unkind word and always remember that you expect love, compassion and forgiveness from Me, thus you should also grant the same to your fellow human being.... In everything you think or say you should know that I know it too, and you should ask yourselves whether you are behaving correctly in My presence?.... I know that you are all still weak, that the battle which you should wage against yourselves is indeed the most difficult.... But My strength is always at your disposal and you only need to send a pleading thought to Me and, truly, I will give you the strength and you will be victorious.... You will be able to pacify the evil spirits within yourselves. They will leave you progressively more alone, they will become modest and also comply with the soul's desire to calm down and make use of the strength for their own purification....

For they have this possibility to reach maturity themselves within the earthly body and to join the soul, because it will take all fully matured spiritual substances along into the kingdom of the beyond when it has to leave its earthly body. The soul itself still has various instincts within itself from its previous embodiments, which it is supposed to change for the better.... And it is also pestered by the body of flesh, because that is shaped from unspiritual substances.... But the human being also has the possibility to exercise a redeeming influence on these evil spirits.... if he tries to change all negative qualities to the contrary until he has become humble, gentle, peaceful, compassionate and just.... until he has become love himself, which includes all those virtues, and then the human being will also be able to enter the spiritual kingdom fully matured. And therefore you should seriously examine yourselves as to what virtues you are still missing.... investigate, whether you have changed your nature completely already.... check, what you still need and seriously work at improving yourselves....

And you most certainly will be successful if only you have the serious intention and appeal to Me to give you strength because you are too weak on your own. Call upon Me in Jesus so that I will strengthen your will, so that you will lose your weakness of will, so that I will forgive you when you have become sinful, and truly, My help is assured to you, for it is My own will that your souls shall mature, and I Am truly pleased in those who take changing their nature into love seriously.... For as soon as you are full of love all unspiritual substances within you will also become spiritualised, because they cannot resist the strength of love. But wherever these evil spirits are still active, love is not yet profound enough, in other words, I Am as yet not able to work in all fullness within you and you will have to fight to become pure so that I can take abode in you.... And then you will also have been redeemingly active within yourselves....

Amen

Atonement of guilt without Christ's act of Salvation....

The extent of a human being's guilt remains unchanged if he does not acknowledge Christ's act of Salvation, i.e. he has to remove the guilt completely, he has to seriously reflect on it entirely on his own.... he eternally has to make amends because the human being's guilt is immense.... It is not just a matter of sins he committed on earth, which alone would suffice to expel the soul for an infinitely long time from the face of God, but the past rebellion against God cannot be atoned during his earthly life and thus has to be carried across into eternity in order to find the Saviour there in due course. The being has to languish in darkness for eternity, it is forever without freedom and has to endure a state of most agonising constraint, for eternity it is without the divine light of mercy, it has distanced itself furthest from God and suffers most bitter hardship.... because it willingly defies God and cannot be forced to change its will. Thus it has to make amends for its guilt because it did not liberate itself of its own free will; but divine will cannot liberate it because this would be in complete contradiction to God's wisdom and love. Consequently the fallen soul punishes itself if it does not accept Salvation through Jesus Christ, if it refuses to acknowledge His sacrifice....

All sins will be forgiven, all restriction of liberty will be taken from him and all atonement avoided when the human being places himself under the cross of Christ, when he allows himself to be redeemed by His blood, which Jesus Christ shed for all human beings and their guilt. He made this enormous sacrifice for love of humanity because He knew of the infinitely long path of suffering in the beyond, He took pity on the beings' extreme hardship in the beyond, He wanted to lessen it, He wanted to atone the guilt in order to guide people towards eternal bliss, to give them everlasting happiness. Christ's death on the cross is the purchase price for eternal life and all guilt has been atoned by it.... Yet it is an unavoidable prerequisite.... that the human being acknowledges this act of Salvation so that his guilt will be part of the guilt Jesus Christ has paid for with His death on the cross.... Otherwise it will remain unchanged and after physical death taken across into the spiritual kingdom as a burden, which the being can never remove because it cannot find the strength to redeem itself. And therefore Jesus Christ is the only way to eternal life, there will be adversity without Him but salvation with Him.... without Him the human being is weak and his will opposes God, with Him he strives towards God and can receive his strength from Him, the increased willpower which Jesus had bought on the cross for him. And for this reason is Jesus Christ the Saviour of the world, the Saviour of all people who place their guilt and themselves at His feet, who faithfully entrust themselves to Him and request His help.... Jesus Christ had made the sacrifice on the cross for them so that they may be released from all guilt and sin.... Amen

The souls' redemption from the abyss through Jesus Christ.... Beyond....

The cross of Christ is the sign of hope for all who have fallen, who are unhappy in their situation, be it on earth or in the kingdom of the beyond. The cross of Christ will show them that there is still salvation, a way out, which only has to be taken in order to surface from the abyss, from the kingdom of darkness, into the dawning morning. The cross of Christ points to the path of ascent which will never lead astray. For the One Who died on the cross due to His love for sinful humanity initiated this path, He paid the purchase price for the existing souls in the abyss, and every soul can utilise this privilege, the path of ascent is now open to every soul providing it has chosen Jesus Christ, the divine Redeemer, as its goal, providing it wants to leave the abyss in order to reach Him. Then it will be entitled to redemption, then the divine Redeemer Himself will lift it from the abyss, then its sins will be washed away by His blood, the guilt of sin will be cancelled and the act of Salvation will not have been made in vain for this soul. Jesus Christ died for all human beings, for people past, present and future....

He descended into hell.... He also made the blessings of the act of Salvation available to the souls in the abyss, and there is salvation for the souls even in the kingdom of the beyond, yet never without Him, for only the blood He had shed for the sins can pay for the sins of a soul, and His forgiveness has to be consciously requested, He also has to be acknowledged as the 'Redeemer of sin' in the spiritual realm, or a deliverance from darkness will be impossible. An inconceivable act of love was accomplished by the man Jesus on earth, and this act of love is also effective in the beyond, His mercy even follows the souls who had passed away from earth without redemption. Yet, like on earth, the soul must willingly want to find salvation through Jesus Christ in the beyond too, that He should have mercy upon its suffering, that His love should seize it and raise it from the abyss. For this reason, the knowledge of Jesus Christ and His act of Salvation as well as the belief in both is vitally important and has to be conveyed to the souls, if they have not gained it on earth already. But this work is far more difficult than on earth, for the souls of darkness have little knowledge and power of perception and are therefore not easily taught.

Nevertheless, their state is not hopeless when they are in distress and appeal for help to be delivered from their present situation. Then they will not be completely obstinate, and knowledge can be conveyed to them through intercession and loving mental instructions which will enable them to direct their thoughts towards Jesus Christ, the divine Saviour, and call upon Him themselves.... And every call in faith and confidence in His help will be heard.... Then the path of ascent will have begun and will be travelled step by step with His help. There is salvation from the abyss, but never without Jesus Christ.... This is what the souls in the beyond also need to know, otherwise they would never turn their thoughts towards Him, Who alone can save them from their hardship, Who, with love and mercy, is constantly willing to alleviate suffering and change an agonising state of affairs into a state of beatitude.... Nevertheless, it always requires the being's will, and to change this correctly requires a lot of intercession on the part of people with faith and love, who are therefore also able to help those who are still unredeemed.... Amen

Calling upon Jesus Christ from the darkness....

It is not My will that shall determine your fate in eternity, but rather you yourselves, through your will, shall make it either glorious or dreadful; but you can change an appalling situation and, if you want to do this, will always receive My support. And regardless of how dark you are, light will be made accessible to you, and if you desire light then you will always be able to remain therein, you won't have to return to the darkness, for your will shall always be complied with even in the spiritual kingdom. Don't reject those who want to make you happy by giving you light. You will feel better than in the dark regions from which everything shall ascend to the light one day, although it has to happen voluntarily.... All of you who dwell in dark regions, be they on earth or in the kingdom of the beyond, are unhappy living creations without peace, without light and without strength....

These are the effects of sin with which you have been burdened for eternity and which you have even increased during your earthly life as a result of your heartless way of living.... As long as you are not released from this guilt of sin your state cannot improve either. But you can want to have the guilt taken from you so that you can arrive at light and blissfulness. First decide to become free from a restraint which burdens and tortures you.... Resolve to entrust yourselves to the One Who can set you free, and appeal to Him to help you. You all know of the One Who sacrificed Himself on the cross for the guilt of your sins.... You all know of Jesus Christ, but not all of you believe in Him and His act of Salvation. And yet He is the only One Who can help you in your distressing situation, Who can lift you up from the abyss, Who can and wants to grant you light and life.... but Whom you have to call upon yourselves and appeal for help. Anyone who does not believe in Him will not turn to Him either and will remain in darkness forever, since there is no other way to happiness without Him. But time and again you will be referred to the One, time and again a light will be offered to you, a gleam of hope, which you should heed. Turning your eyes to the gleam of light a cross will always shine for you, if you are not entirely obstinate, for in His great mercy He will come to meet you in order to save you.... But you may also rest assured that He will save you if only you want it yourselves....

And thus I repeat that I do not condemn you, that it is not My will which has determined the fate which makes you feel unhappy, but rather you created it yourselves and you can also change it yourselves if you take refuge in the One Who can release you.... in Jesus Christ, with Whom I Myself have become as one, Who thus is your God and Father of eternity. Irrespective of whether you are still living on earth or whether you have had to shed your earthly cover already.... light will only be within and around you when you have found Jesus Christ... but without Him you will be living in darkness, without Him you will also be distant from Me, Who had embodied Himself in the man Jesus Christ in order to die on your behalf on the cross for the atonement of your guilt of sin.... Only when a person hands his guilt over to Me with complete faith will he get released from it, and that is entirely up to your own will.... My love cannot do anymore but to keep sending you bearers of light proclaiming My will, who will also kindle a light in you.... Allow yourselves to become illuminated, change and come to Me in Jesus Christ.... and the darkness will recede, bright light will appear and all torments of darkness will fall away from you, you will be able to rise into spheres of light and be and forever remain blissfully happy.... Amen

The forerunner of Jesus Christ....

And when you hear that someone is proclaiming the Lord in an extraordinary way then you will know that the final phase of the last days has started, that the forerunner of Jesus Christ is carrying out his mission again to announce Him, Who will come on the day of Judgment to fetch His Own and to implement the change on earth, as is proclaimed in Word and Scripture. He will appear entirely unexpectedly causing much stir because the power of his voice is great and because he will speak to people in such an earnest and significant manner that many will feel impressed and accept his word.... because they realise that he is proclaiming the 'Word of God', and also because the signs of his working in order to help his fellow human beings are remarkable. He will be a true miracle worker of the poor and miserable, a helper in the adversity which will befall humanity at the time of his appearance. And he will speak loudly and clearly, he will not be afraid of those who prohibit his activity, he will expose those who speak and act in opposition to God's will all the more and thus he will be hated and persecuted by the powerful of this earth, whose conduct of people he strongly condemns. But the gulf between the earthly and the spiritual world will already be too deep as to expect any understanding by the former of what the 'voice crying in the wilderness' proclaims. They will laugh at him and only pursue him so keenly because he is very popular, since there are nevertheless people who let themselves be impressed, much to the annoyance of the authorities which oppose all faith and proceed against it.

And this time is not far away, it will not be long and you will hear of him. But then you will also know that you have to persevere, for once he appears you will also have to be prepared for the imminent battle of faith, and then the direction you take will be crucial, for then it will only be too obvious that you have to decide either for God or for the world.... He will strongly support you in taking the path to God, for he will speak convincingly and powerfully. God Himself will speak so obviously through him that no human being should find it difficult to join him, because he will also provide such visible evidence of his calling that people will thus be able to recognise who he is.... He himself also knows what his function consists of and that it is his last task to precede the Lord and announce Him with a loud voice.... He is also aware of his origin and likewise of his end, which again will be dreadful, but he fears nothing and nothing will stop him from completing his mission, which will be very blessed....

And anyone joining him will truly do well, for he will be able to draw much strength and get much light from this great light which will shine wherever he appears. He is already alive but not yet aware of his task, which nevertheless will suddenly become clear to him and fundamentally change his earthly life, for although he is of service to the Lord and also recognises the spiritual low level humanity is languishing in.... he has not yet been called, but it will happen all of a sudden.... And then he will leave his hitherto quietude and become fully conscious of his task, for he will be moved by the spirit of God, granting him complete clarity about his mission. And he will gladly serve the Lord with a devotion which makes him constantly more suitable for the final service which he wants to render before the end, before His return.... But you humans, pay attention to those who proclaim the Word of God, and you will recognise the one who becomes very noticeable because he wants to fulfil an unusual mission: to announce the coming of the Lord and by means of powerful sermons make people aware of their earthly task to be repentant and seriously work for their soul's salvation, for he will announce the end to them which will soon follow after his appearance, for the time has been fulfilled which God granted humanity for their perfection.... Amen

God's infinite love wants to give itself away....

You will enter the spheres of heavenly bliss if you have lived your earthly life in accordance with My will.... Yet it is not this promise that should persuade you to live your life correctly but your love for Me, Who wants to give you these beatitudes because I love you beyond measure but I also want to possess your love.... I created you out of My love, and this love will never end. And one day, when you have become enlightened, the concept of love, which you cannot grasp as a human being as long as you still lack love, will also have become comprehensible for you.... But to be without love is a state of unhappiness for every living creation that came forth from Me, because it is also a state of weakness and darkness in which happiness is unthinkable. A life in accordance with My will is, however, a life of love and this will also lead you back into a state of blissfulness....

After the death of your body you will enter My kingdom which will provide you with unimaginable splendours that My love has prepared for all My beings which will join Me again in love. Love cannot do anything other than give joy and seek unification, for love wants to give itself away, it wants to please because this is the nature of love.... And since My love was overwhelming and wanted to give itself away I created beings for Myself to which I could give Myself.... I created vessels for Myself which accepted the flow of My love and I united Myself with these beings and continuously let My ray of love flow into them.... And thus I made them abundantly happy.... The fact that they eventually resisted My illumination of love was due to a special reason but it did not prevent Me from pursuing these beings with My love, it just didn't make them happy anymore because they resisted it, because they had detached themselves from Me.

Nevertheless, since love is never-ending it will also never remain inactive but try to regain what had fallen away from it.... My love has never stopped to entice back to Me that which had fallen away and will continue to do so until it has returned to Me of its own free will. For no being can remain closed to My illumination of love forever, because love is a power which does not stay ineffective, and because the beings' resistance will diminish sooner or later, becoming constantly less until they finally open themselves again in order to be made blissfully happy by My love for all eternity. And that which has found its way back to Me will never leave Me again.... It will not be able to descend into the abyss anymore, for once it has travelled the path through the lowest points with the ultimate accomplishment of having attained the pinnacle again it will also be inseparably united with Me, for it will have reached perfection which I was unable to give to the being Myself, since it required free will to remain in perfection, and this free will has been proven.... otherwise I could also forcibly obtain their love, but then one could never speak of unrestricted happiness, for love does not tolerate compulsion, it has to turn to Me voluntarily, which is proven by the human being when he lives on earth according to My will, when he shapes himself into love, which is his fundamental nature....

In My kingdom, however, everything is love.... and you all shall enter this kingdom of love, you all shall be immeasurably happy one day when you unite yourselves with Me, your Father of eternity, Whose love created you and Whose love will also pursue you if you keep yourselves distant from Me.... Yet you will not remain distant from Me forever, because My love is stronger than your will of resistance, because one day you will submit yourselves to My love again, because it will also ignite itself in you and grow into a bright blaze, because I will then be and remain the goal and the object of your love for all eternity.... Amen
