Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

By that time she had received 9030 proclamations from the Lord which are intended to bring us enlightenment, comfort and help.

Every person is addressed by God....

In every situation in life God comes to meet you in order to motivate you to make contact with Him, in order to step from the earthly into the spiritual sphere.... in order to mentally place yourselves into the latter. As long as you humans take your earthly path of life with purely earthly focussed thoughts you will live an unsuccessful earthly life, you don't achieve anything for your souls for whose sake you live on earth.... And if you have not changed this attitude of yours by the time your body dies, your existence as a human being will have been pointless and the grace of your embodiment entirely futile.... You are unaware of the serious significance of earthly life, you are unaware of the immense regret you will suffer when you eventually realise in the kingdom of the beyond what you neglected to do due to your own fault, what you could have achieved had you made the right use of your life on earth as a human being. And because you spend no thought on this, God crosses your path time and again. Time and again he provides you with a reason to think about the **actual** purpose of your earthly life, He more or less affects you such that you should feel Him and could start to wonder, He Himself enters your thoughts but leaves it up to your free will whether you want to occupy yourselves with Him, whether you allow yourselves to be mentally addressed by Him. He does not exert any force but He is constantly concerned that you should turn to Him so that you will not live your life on earth in vain, without any success for your soul, which continues to exist after your body fades away. No-one will be able to say they have not been addressed by God, for every stroke of fate, every illness, every sorrow is an expression of God through which He wants to manifest Himself.... through which he tries to divert the thoughts from the world and motivate the person to take stock of himself. Every human being is granted hours of privacy when he can enter into solitude and seek contact with God.... and anyone who merely spends a thought on Him will be lovingly seized by Him and receive nourishment for his thoughts which benefit his soul. And no matter how far-away the person still is from God of his own will.... God follows him and tries to persuade him as well to turn around, yet always by different means. However, no one is left to his own devices, God leaves no one out in His endeavour to change his thinking.... no one need to do without the love of God, for all people are His living creations, whom He wants to win back as **children**.... He extends His hand to everyone, yet the human being must voluntarily seize His hand and allow himself to be pulled without resistance.... Then his earthly life will not be in vain, the soul will benefit from it and he can calmly await the hour of death, for it will merely be the gate to eternity.... Amen

Predetermined course of life

Course of life predetermined depending on will....

The human being's course of life corresponds to the soul's state of maturity at the time of its embodiment on earth, that means, God so delineated its earthly life that it provides the soul with the best possibility for higher development. If the human being has the interest of his soul at heart he will indeed make use of every opportunity and reach his goal while he is still on earth, he will adapt himself to the eternal Deity by living a way of life according to God's will. But he can also let all opportunities pass by without making use of them, and this signifies spiritual standstill, a deficiency in his development. And this shortcoming shall be balanced out again, therefore life often makes great demands on him which require all his strength if he wants to comply with them. He is effectively offered another opportunity to practise neighbourly love insofar as something is expected of him which requires all his will but which presupposes helpful neighbourly love. If he lives up to these requirements he must activate his will and work for the benefit of his fellow human beings. And this activity can lead to the soul's maturity, because its driving force is neighbourly love and this is the most effective means to attain maturity of soul. If the human being practises neighbourly love from an early age, he will use every opportunity offered to him for his spiritual advancement, for then he will also brightly and clearly recognise the meaning and purpose of his earthly existence.

If, however, he is half-hearted and sluggish and if his heart is hardened towards his fellow human beings' suffering, then he will also let every possibility for development pass by, he will only think of himself and ignore his fellow human beings' hardship, then he will also live in complete ignorance of his actual task on earth and therefore will not consciously strive to ascend. It is possible that the soul, prior to its incarnation as a human being, can already have been exceedingly willing, and this willingness led to its earthly life in which it can attain a very high spiritual level, for according to its will God provides it with the opportunity to become active. Thus the human being will find life relatively easy insofar as his soul will not offer resistance but willingly strive to fulfil the commandments of God because it receives strength as a result of its willingness. For it is the strength of love which results in activity of love again. A willing soul does not resist carrying out loving deeds because love dwells within it and because a loving heart will constantly stimulate loving activity. And therefore he will be offered an abundance of opportunities, regardless of how he uses them. The less a person resists his inner urges the sooner the soul will mature, for then it will be constantly driven to carry out deeds of love, and thus the soul gradually changes into love, it complies with its task on earth, and every experience contributes towards its higher development. For the soul's earthly life is predetermined depending on its will, which it can therefore cover with great success.... so that it will attain the maturity on earth which allows it to enter the kingdom of light immediately after its physical death.... Amen

Predetermined earthly life.... Whims of destiny.... God's love....

Every earthly worry comes to nothing if you believe in Me. As soon as you acknowledge a Controller of earthly fate you must also be certain that this Controller knows all requirements and that He has taken them into account when He, in His wisdom, determined every person's earthly life. Hence, everything that comes upon the human being has its cause, its reason and its purpose. The purpose is always the attainment of psychological maturity which, however, can often proceed without opposition. Oppositions are all those disagreeable moments which the human being briefly describes as whims of destiny. Consequently, a person will also have to endure what he rationally condemns because it doesn't suit him. It is, however, necessary for a person's higher development and it will always go away again, it will effectively put itself right through My will, although the person is usually of the opinion that he has personally contributed towards removing that which seems unpleasant to him. Everything takes its course according to My eternal decision, and if you thus consider that every happening in your earthly life has been predetermined to the finest detail, that even your physical end has been planned from the start, you must realise that you cannot change anything and that therefore every worry is unnecessary, since everything will have to happen according to My will. And if you believe in My love and wisdom you will also know that everything is good for you, because you, as My living creations, also possess My love and this love determined your course of life in order to teach you to become My true children. And so you need only hand yourselves over to Me, thus humbly endure whatever I send to you, then no worry will burden you, because I will take it from you when you no longer need it, and because nothing that comes upon you will last forever but will soon be resolved again. And if your suffering lasts longer, then it is necessary for your soul and it would only be detrimental for you if I removed your sorrow prematurely. Believe in Me and trust Me, and if you are burdened by a problem then confide it to Me.... My love can turn everything away from you and will indeed do so, because a father will always give to his child such that it will be happy. Yet then you must really come like children to the Father.... you must believe in Me and grant Me all your love.... Then the goal will have been reached on earth and you will neither require distress nor suffering in order for your souls to mature fully.... Amen

The spirits' process of development....

You have passed through the entire creation.... This is a significant statement which you will only understand when you recognise My plan of return, My plan for the spiritualisation of all immature spiritual substances, when you know about the circumstances which are the reasons for your process through creation.... For only as a human being will you be the first created entity again which you were when I created and externalised you from Me.... Your past desertion from Me into the deepest abyss resulted in your disintegration, so that you passed through creation as countless individual substances. These were embodied in the works of creation and had to comply with their task in order to gradually proceed on the path of higher development, thus to achieve the return of the spirit.... the transformation of its nature.... in accordance with My eternal plan of Salvation. For every work of creation has its task which consists of a function to serve. Through constant service in the law of compulsion the spiritual substance repeatedly sheds its external form and can embody itself in a new external form and continue like this until it has achieved the necessary maturity to embody itself in a human being. This process of development through the creation of earth irrevocably leads to maturity since it happens within the law of compulsion. My will is the decisive factor, and in accordance with this will everything fits in with My laws and accomplishes full maturity, even if it requires an infinitely long time until a certain degree is reached when the individual substances have gathered again and then, embodied as a human being, the original soul goes through its final earthly process in order to complete its spiritualisation. But this process through creation cannot be arbitrarily stopped or substituted by another process.... It has to be taken by every being which wants to return to its source and ascend from the deepest abyss to the pinnacle and become perfect again, as it was in the beginning. For the physical creation only emerged as a result of My will, because I recognised it as a way by which My living creations, who had totally distanced themselves from Me, could approach Me again.

Creation itself comprises the fallen spirits which had solidified into spiritual substance that was subsequently transformed by My will into the most diverse forms, to whom I assigned a task and a purpose: to gradually bring the spiritual substance into maturity and to offer this spiritual substance ever new external forms in order to acquire ever increasing maturity.... in order to finally strive as a self-aware entity embodied in a human being towards the ultimate objective.... to consciously look for and find unification with Me and to complete the concluding return to Me.... The only purpose of every work of creation is to shelter spiritual substance, whose ascent to Me is predetermined and which, due to My will, will also achieve this gradual ascent because it fulfils its serving function, if only under the law of compulsion, and through service releases itself from the form time and again. But eternities will still pass before all minute particles of the last spiritual being will have gathered again.... and then My opposing spirit Lucifer will also turn to Me once more of his own free will, because he will be utterly weak after all of his created beings have left him of their own accord, who then will strive towards Me because they recognise Me as their Lord and Creator.... Only then will My adversary recognise his complete helplessness, and he will long for strength and light again, he will long for My love which once had made him extremely happy, and then he will also willingly open himself for My illumination of love and as My son return to Me again.... Amen

God's love and will determines the human being's destiny

B.D. 1386

Dispensations of providence are divine will.... Guarantee for highest maturity....

It is the Lord's will that everything which lives subordinates itself to His laws, consequently nothing can happen that is not according to divine will as long as it concerns events which affect a person by providence for the purpose of inner experience. The human being's will can never oppose divine will, he will never succeed in abolishing or changing what God has determined, for such is not within his power. The human being's will has to fall in line with it, he must effectively agree even if it does not correspond to his will, since this coercion signifies his guarantee to be able to achieve the highest goal, that is, he is thereby given every opportunity towards higher development.... Nevertheless, whether he makes use of it or not entirely depends on his will. But were the human being be able to shape his own destiny this guarantee would not be given, for he has no idea what his spirit needs and in which way it can be set free. Therefore, God Himself determines the fate of every individual person and arranges it such that His will cannot be counteracted because of lack of understanding or a rebellious will. And thus the divine Creator demonstrates with His laws the most loving care for His living creations; His wisdom recognises the state of every individual and He always aims to bestow upon everyone the greatest possible means of help through dispensations of providence which ensure spiritual progress.

The fact that so many opportunities remain unused is not due to the Creator's will but is entirely due to the human being if he pays too little attention to his inner life. Yet this person could also be granted a different life but he would never use it for the benefit of his soul, therefore he should never consider his immature state of soul to be the result of his earthly destiny.... For even if God gave him the freedom to shape his own destiny he would remain on the same level since his will does not strive towards ascent. The same applies to those entities which, in full possession of their will, populate the world of the beyond and which are therefore free from all earthly weight. They, too, are subject to a certain law which they have to submit to. If they are perfect, they can only want that which is God's will.... And in the state of imperfection, the fate of the beings in the beyond is, like in earthly life, allotted to them such that it is most likely to contribute towards the soul's purification, realisation and advancement. Once again, divine will applies, and once again it is left up to them to submit themselves, i.e. their will, to divine will or to resist it, but they can never change this will or make it ineffective. One will rules all.... Everything that subordinates itself to this will of its own accord is redeemed.... yet damned are the beings which want to oppose the divine will.... For this intention will only end with their downfall. Divine will can never ever be excluded. Even where human will is at work accomplishing things which contradict divine will, it is only with God's permission that this human work succeeds in order to thereby bring help to a soul in spiritual distress, as nothing could ever happen which would be entirely against His will. For His wisdom, love and omnipotence determines everything that happens.... And this wisdom, love and omnipotence only ever wants what is best for every one of His created beings.... And therefore it is impossible for any being to oppose this will. Only the shaping of its soul is left for the being to manage itself.... This is not compelled by the Creator in the slightest, and thus the being can use its free will according to its own discretion.... Amen

B.D. 3211

Destiny of life is God's will....

World events will run their course according to God's will, and thus earthly life will equally take its course for every individual person as it was determined by God. No-one can avoid his destiny; by way of thoroughly trusting prayer he can merely reach a point where God will help him to bear up to it if he is too weak himself. And therefore the human being is unable to shape his own destiny differently, even if he believes otherwise, for the way it turns out is the way God has intended it for eternity, and He Himself places the thoughts into a person's heart so that he will do precisely that which corresponds to His divine plan. The human being certainly has free will but earthly events must always be looked upon as God's will or permission which entirely coincides with the eternal Plan. For God has known every human being's spiritual state for eternity. And thus nothing comes upon the human being which His profoundly wise will does not consider to be beneficial for his soul. Consequently, it is not possible for the human being to avert anything from himself, only through heartfelt prayer can he increase the effect on his body, if it is favourable, or reduce it, if it is damaging to him. For this reason the human being can leave himself to God's reign and activity with complete confidence, since whatever happens will be good for his soul, and the strength of faith can indeed make every earthly happening bearable if the person fully and trustingly hands himself over to the Father in Heaven and allows Him alone to reign. Without the slightest worry he can let everything happen to him, for nothing exists which wouldn't have met with God's approval first, thus is considered good for his soul and therefore imposed upon him. Hence the human being need not fear anything either, he need not be afraid of forthcoming events as soon as he intimately unites himself with God, after all, his whole course of life proceeds in accordance to his attitude towards God. And if he realises this he will calmly and collectedly await what is given to him, since he knows that only God's love is the reason if joy or suffering comes upon him. For He has known for eternity what means the earthly child needs in order to be able to mature psychologically, and He employs these means.... Everything will happen without fail as He determined, and no human being will be able to change it of his own strength. This is why all worries a person has about his future are unnecessary for he cannot improve it if it is not conducive for him, just as it need not become worse if the person's faith is so strong that he will remain in close contact with God. For His will shall always be done in Heaven and on Earth, no human being can oppose His will, and His will is truly wiser and therefore always good.... Amen

God's love determines people's destiny....

My love constantly flows to My living creations with undiminished strength, and this love also directs people's destiny on earth. My goal for everything that happens is always spiritual maturing. Nevertheless, I play a part in every happening and its effect. I always and forever accompany the human being, perceptibly for him if he hands himself over to Me, or unnoticed, if he does not seek to be in touch with Me. My love for My living creations will never lessen, and thus you humans must always consider this love as the reason whether you encounter joy or sorrow on your earthly path, for I truly know best what helps your spiritual maturing. And therefore you should never feel despondent or be disappointed by your destiny, for since it was determined by My love it is good for you, even though you experience it painfully at times. My love applies to you for eternity, yet you fail to understand this as long as you have not changed yourselves into love; My love constantly remains the same, and the depth of My love expresses itself in My plan of Salvation, which forms the basis of every happening and every work of creation. If I did not want to save you from spiritual hardship, if I did not want to draw you to Me because I love you, the whole of Creation would not exist, for its only purpose is your approach to Me. And just as the whole of Creation arose from My love for the spiritual beings which had deserted Me, just as I let inconceivable and incalculable works arise for you in order to regain these spiritual beings, so the earthly life of the spiritual being in the embodiment as a human being is directed by My love and every detail of life is predetermined, so that you will reach the final goal of uniting yourselves with Me again. Yet you must know and believe that you are always and forever surrounded by My love and must also recognise this love in suffering, in living conditions which you find difficult to bear, in earthly failure, in sickness and misfortune of all kinds.

Were My love not to recognise that this is beneficial for you it would truly not come upon you. But I use means which can be successful for you, because My love for you is greater than great but you are in danger of being lost to Me if I spare you whatever disheartens you on earth. Put your trust in Me and My love, which will never end.... And completely hand yourselves over to My guidance, let Me take care of you in every earthly adversity and only consider your soul's salvation. Work diligently for your soul, strive towards My kingdom which is not of this world, and leave every worry about your earthly existence to Me. It will not be much longer, and you should make use of every minute by striving spiritually. I alone know every person's course of life, and it will be travelled according to My will, thus every anxious worry is unnecessary, because you cannot change what I have determined, thus you cannot improve anything through your anxious worry either. Just be kind-hearted to each other, help where you are able to help, and where your strength fails you put your trust in My help, for My help is always ready for you and will not leave you in trouble any longer than is beneficial for your soul. And even if you deem your destiny harsh, you should not doubt My love. After all, can anything come upon you without My will? And My will is determined by My wisdom and love, which forms the basis of everything that happens. Even evil is sent to you by My love for the good of your soul if you don't oppose My will and humbly accept and bear everything I send to you without resisting.... And therefore don't worry and don't despair, My love is always with you, because it can never ever become less than it was for eternity.... Just strive so that you will be able to feel this love by living a way of life according to My will, by practising love and thereby becoming capable of receiving My strength of love in you. For whether or not you make yourselves receptive to My illumination of love is entirely up to you.... However, your life will be far easier if you know yourselves to be guided and cared for by My love, if you feel Me and in everything recognise My love. Therefore remain united with Me through prayer and loving deeds, and you will receive strength on your earthly path of life and need not fear anything, regardless of what comes, for I Myself will guide you until the end of your life.... Amen

Astrology.... Destiny in the stars....

Only what is relevant for the redemption of the spiritual substance, hence only what provides more or less detailed knowledge about My plan of Salvation and thereby also testifies to Me and My fundamental nature, should be regarded as given by My spirit. Knowledge outside this framework, which neither awakens in people the belief in My love, wisdom and omnipotence, nor promotes the individual's maturity of soul.... furthermore, knowledge which contradicts Christ's teaching such that it negates the human being's free will, which thus would leave the person at the mercy of his destiny without his own will.... finally, knowledge which believes that it can reveal a future veiled to people by My wisdom.... is not the working of the spirit and therefore not in accordance with My will. Rather, it is My adversary's means to divert people from true knowledge and to mislead them. People will never be able to ascertain or calculate how an individual person's destiny unfolds itself, all such claims are wrong conclusions or conjectures. They could certainly be coincidentally accurate but then never on account of calculations or influences from specific stars; instead a person's destiny always corresponds to My plan of eternity which is based on the human being's free will.

In the great space of creation myriad stars are indeed visible to the people of this earth, but these stars do not exert an influence on people, which can be understood by anyone who considers that countless stars are moving within their designated orbit, that this regularity has been recognised by My wisdom since the beginning of eternity to be good and right, that all stars support living beings for the purpose of higher development and that their destiny is also determined, but it will never be affected by other stars. The inhabitants of earth can only physically sense atmospheric currents which appear in the proximity of certain stars but they have no bearing on the destiny of an individual person.

The conformity to law in the entire universe, the eternal order which can be seen in My creation, is certainly sufficient evidence of a guiding power.... But the same order also takes place in the process of development of the beings, for whom creation as a whole came into existence in the first place.... The fact that these creations have a certain influence on the development of spiritual beings is correct, but only in as much as that they provide the latter with the opportunity for perpetual transformation and therefore gradual ascent. However, in the stage of free will people are confronted by events the way I, in My wisdom, deemed them to be beneficial for the being. The fact that all life on Earth takes place with a certain regularity causes people to come to wrong conclusions.... they interpreted this regularity in line with their own ideas and concluded that they relate to the destiny of the human being. Yet these investigations do not correspond to the truth by any means and are not approved by Me either, for I will always accept the human being's free will, even though I have determined his fate since eternity.... Amen

Destiny corresponds to human will

B.D. 3259

Destiny.... Free will – God’s will....

The human being can derive a spiritual benefit from every situation if he tries to associate it with God’s will and considers it to be in line with his development. No matter what happens to a person, God has known this person’s will from the start, and thus he shapes his life according to His will, but He also always uses the person’s own will as the basis of his destiny.... thus human will is in accordance with divine will insofar as God determines and directs the destiny of life such that the human will nevertheless comes into its own, or, in other words.... God gives His approval to anything the human being wants, yet the consequence of what human will accomplishes corresponds to His plan of eternity and serves the person as an opportunity for maturing, since the consequence of every thought, word and action cannot be enforced by the human being’s will. Thus a person can apply his will at all times, he can want to shape his life’s destiny according to this will but he can never predetermine the outcome with certainty, for then so-called destiny will come into force.... everything takes place according to God’s wise and predetermined plan of eternity.... Nevertheless, free will cannot be disputed, the human being will always remain an independently thinking and wanting being which also has the vital energy at its disposal to put his thoughts and intentions into action. Whereas the direction of his entire earthly life, which God reserves for Himself, only relates to the creation of opportunities for the maturing of the soul. For since the human being’s meaning and purpose on earth concerns the transformation of his will, of his inner being, since earthly life was given to him for his soul to attain maturity, God, in His love, will also always show him the means and ways to achieve it, and He will place him into life so that he can always and from every event derive a benefit for his soul. However, if life on earth entirely corresponded to the person’s will his soul would never mature, especially if he were materialistically minded and only looked to benefit the body.

Consequently, God has to reduce or redirect the effect of what the person deliberately strives for and puts into practise in order to launch a constant battle for the person, for the human being only matures through struggle. Even so, divine will adapts itself to the human being’s will, He allows him to carry it out and does not curtail his independent thinking and activity, yet He helps where human will intends to accomplish something detrimental for his soul, so that this accomplishment will not result in the desired worldly success but that he, by his failures, should learn to recognise the will of a higher Power, because recognition of This is already an advantage for the soul. However, in a spiritual respect God does not impose limitations on the human being’s free will.... in a spiritual respect his will shall remain sacrosanct and the effect, too, will be accordingly. For the effect is already the maturity of soul, which is never raised or reduced through divine will but entirely depends on the human being’s free will. Every earthly situation can be used by the human being to mature spiritually if only his will strives to gain an advantage for his soul. And then God will always grant him.... blessings upon blessings.... for if free will has turned to Him by striving to improve the shape of his soul first then God will only arouse this will increasingly more and also give him the strength to remain strong in the face of opposition. Thus, in a spiritual respect, human will is entirely free, but even in an earthly respect free will can be spoken of, even if destiny is shaped according to divine will, since God has known the human being’s direction of will for eternity and, accordingly, how the course of his life will proceed. Wanting and accomplishing and effect must be distinguished.... the human being can want and accomplish according to his will, yet the effect is God’s privilege, on account of which the human being subsequently believes himself to be constrained and subject to his destiny or he refuses to acknowledge a Controller of his destiny.... Yet all happenings in Heaven and on Earth are subject to the Guidance of the One Who upholds everything, Who is in charge of everything in His supreme wisdom.... Amen

Free will.... Destiny....

Nothing happens in human life that doesn't affect eternity. Every action, every omission, every thought, every direction of will has an effect on the soul's development, and therefore everything that occurs in human life belongs within the scope of destiny. The human being has free will and the use of this will is decisive for eternity. Every deed or omission, every thought, is first preceded by will, and its decision determines his course of life. For although he is unable to control every event in an earthly way, since God has reserved the right for Himself to direct his course of life according to wise judgment, his will has nevertheless already been taken into account and forms the basis of his destiny. The human being's free will is being doubted because it cannot always carry out its intention, yet the intention cannot be denied the human being even if the opportunity to implement it has been removed from him. The direction the will takes determines the soul's development, the failure of a once prepared plan does not revoke the will, and for this will the human being has to be answerable one day, even if the implementation did not come about. Changing a wrongly orientated will into the right direction is the purpose and task in life. And this is why even the slightest happening benefits this change of will and is God's will or permission, regardless of whether it is the result of a wrongly or correctly used will. And thus it should be understandable to you humans that you will have to accept every stroke of fate as being predetermined a long time ago and only conducive to your higher development. You must therefore ask yourselves to what extent it was encouraged by your will and whether this will was right or wrong, to what extent it corresponded to divine will and thus you must try to derive a benefit from even the smallest experience, so that your destiny will truly affect you in an educational way and, if it is arduous, will also be successful for your life in the beyond. You are always in God's hands, that is, He takes care of your course of life, after all, He wants to draw you close to Him and win you for eternity. If you accept everything from His hand, always remembering that they are educational means which are used by a loving Father for His children, then you will always want, think, speak and act according to His will, and your earthly life will not be lived in vain, for then you submit yourselves to God's will and can't help yourselves but use your free will correctly.... as your task in life requires.... Amen

Destiny according to human will....

I inform you that your destiny certainly takes shape according to My will, nevertheless it adapts itself to your will, so that your will effectively determines the sequence of all happenings, because it requires the necessary opportunities to achieve maturity in order to subordinate itself as quickly as possible to My will. A will that is utterly devoted to Me assures a person maturity of soul and he will be able to enter the beyond as a being of light when his last hour has come. However, as long as he still resists Me he needs to be tested and always and forever encounter oppositions in his earthly life, unless he has completely handed himself over to My adversary, who will help him in every way during his time on earth. But he shall not take pleasure in his easy earthly life, for after his death he must atone for it a thousand fold. And thus a person who is granted a difficult destiny can know himself to be loved and cared for by Me; he need only ever trust in My help and My strength and humbly accept his destiny and his soul will benefit from it, the extent of which will only be recognised by him in the spiritual kingdom. Wherever suffering and worry can be found, that is where I Myself Am at work to change the individual person's will, that is where My presence, My guidance and My activity are recognisable. Hence, the immense suffering going on across earth should not be regarded as a sign of being abandoned by Me, but as a sign of My never-ending love and concern for you. I will not turn away from you even if you distance yourselves from Me, I constantly try to win you back for Me and therefore let you endure adversity and destitution, because your wrong will requires Me to do so if I want to help you attain beatitude. Every individual person's destiny corresponds to his will, which has been known to Me from the start, and the extent of suffering you have to endure corresponds to the maturity of your soul, which is also known to Me and which I constantly seek to raise. You can pass away from the earthly world in various degrees of light; this is never limited, but I know your will and where the possibility exists to attain a high degree of maturity of soul I make use of all means, and strokes of fate, oppositions in life and suffering and sadness should be regarded as such, for they can be of immense benefit to you if you completely submit yourselves to Me, if you subordinate your will to Mine, if you humbly endure everything you are granted. For I love you, you are My living creations and I want to win you over for Me, for eternity.... Amen

Destiny according to will and resistance....

Merely the destiny you require in order to change your will, to stop your resistance against Me, is imposed on you. Only I know the extent of your soul's resistance, and your earthly life will be shaped accordingly. The human being's relationship with Me can differ considerably, which cannot be judged by another person, because I also know a soul's most secret thoughts and notions, and therefore a person can be as close to Me as a child, then he will effectively be guided by My Fatherly hand and truly avoid the said abyss and safely reach the goal. Others, however, won't allow themselves to be led, they believe themselves able to walk alone and trust in their own strength.... I let these occasionally run into obstacles so that they will call for a Guide and enable Me to approach them. Others, again, reject My guidance and meet Me with suspicion, they don't believe in Me and walk through life alone. And thus they still resist Me, these are the people I have to deal with strictly and who are spared nothing in earthly life, so that they will still change before it is too late. I will only try to achieve their change of will, and this change may often come about through an event which you consider to be cruel and unkind of Me as long as you are still unaware of the fact that you have not only been created for this earthly life but that the whole of eternity is still ahead of you. And for the sake of this eternity I will use all means, depending on the severity of your resistance. But anyone who surrenders to Me will no longer need exceptional teaching methods, and I will place My hands beneath his feet so that his earthly path will be easily negotiable, although he, too, still requires trials in order to raise his degree of maturity, which impel him to Me until even the last distance from Me has been overcome, until he, in blissful unity with Me, can conclude his earthly life.... Amen

Decision by predestined guidance or experience....

Know that every earthly or spiritual experience affecting your life is intended or permitted by Me. For every person's course of life is always determined by Me in accordance with his spiritual development. And thus everything can be in your best interest, you don't have to suffer if you accept everything from My hand and even humbly accept your burdens, for your correct attitude towards Me will also allow you to assess every event correctly and your soul will mature. The only purpose of earthly life is for your soul to mature. And all earthly events, be they suffering or joy, will approach you in line with this purpose.... Any event is able to lead you closer to Me if it is your free will to find union with Me. But My adversary also tries to win you for himself, and thus you will be faced by temptations on his part which I allow because he still has a claim on you, and he will equally influence you but never be able to force you, instead it remains up to your free will to what extent you allow yourselves to be influenced by him. Hence you make your own decision by consciously turning either to Me or to him. And you can make this decision in every situation; every experience, every stroke of fate, every pleasure and every affliction can impel you to make this decision. And if you know that nothing happens without My will or permission, then soon nothing will be able to worry you either.... for as soon as you turn your sights and thoughts towards Me, call Me to your side or commend yourselves to Me in prayer, you will mature spiritually and have achieved an advantage for your soul again.

All these are also tests of faith which you have to pass.... for My adversary will do anything to separate you from Me, to lessen or destroy your faith in a God and Father Who is always willing to lovingly help His children. He will always want to darken your spirit, he will try to spread darkness across you so that you no longer recognise Me as your loving Father of eternity.... And this is why he particularly tries to take precedence during misfortunes with the intention of causing reluctance and ill feeling in you.... And then you have to adamantly resist and know that **everything** I allow to come over you is beneficial for you, and that you only have to turn to Me in firm faith in order to banish even the most arduous adversity by handing everything over to Me, Who will truly help you to get out of every adversity. For My constant concern is only ever your return to Me.... I want to tie you to Myself and not lose you, and therefore I will also always prove My love, and this love shall never be doubted by you. You have already travelled a long path which brought you ever closer to Me.... The last short stretch of the way requires great willpower by you, because you **consciously** have to turn to Me, to the pinnacle, whereas before you were drawn by My love.... But this love gives you even more, it does everything in order to guarantee your return to Me.... Just grant Me your free will, strive towards Me in free will, don't let yourselves be enticed by the world which is My adversary's tool to win you over.... Believe in Me and My love, and in your heart long for the Father, and call upon Me in every adversity of body and soul.... And truly, every experience will only ever serve your ascent, for everything is based on My love and wisdom whatever you might encounter.... And rely on My love and My might, for I Am always willing to help if only you would call upon Me in your heart.... Amen

Purifying and maturing opportunities through illness, suffering and adversity

B.D. 3163

19.6.1944

Afflictions and trials are means to attain perfection....

The trials and affliction imposed on a human being are rarely recognised as a means to attain highest perfection. God knows every individual person's degree of maturity, He knows their hearts, and He truly does not miss the slightest movement which speaks for or against Him. And therefore He also knows which degree of development each human can still reach, and accordingly He will bestow suffering or strokes of fate upon the person if the possibility still exists to thereby raise the soul's maturity. Before its embodiment as a human being the soul knew full well what would happen to it during its life on earth, it entered its final embodiment in full agreement by hoping it would emerge from it victoriously. It beheld its pleasures as well as its sufferings on its path of life and yet did not let them frighten it from going, since, on the other hand, it also knew of God's help and His grace and foresaw the possibility to completely outgrow matter and dispose of its shell for good. For this reason so many a soul accepts a particularly difficult earthly fate, because it also foresaw the consequences of a correctly lived earthly life and knows the final goal and deems it reachable. Yet in earthly life it loses its past awareness, and therefore it fails to make use of the opportunities and is in danger of not reaching its goal. And therefore God provides it with help by creating opportunities on earth which enable the soul to mature fully. And then the human being will have to surmount greater opposition, as suffering and sadness are given to him on earth for which he has to appeal to God for strength in order to overcome them. A life without battle would always keep him at the same stage of development and he would have lived his life in vain. It is not that he has to atone for his sins on earth, like it is wrongly taught, but it only matters that he moves from the abyss, in which he still finds himself, to higher spheres, that he transforms himself into a being of light, that he works at improving himself by discarding everything which still prevents him from receiving an undreamt of abundance of light.

He must effectively purify a still opaque shell through suffering and misery, he must remove every impurity from it so that the light will then be able shine through it, for this purification has to take place of a person's own will, it cannot be implemented by God without the human being's will. Suffering and love are the only means to be cleansed from all impurities, and a great extent of suffering is the expression of great divine love at the same time, which wants to help the person to become such that God can make him infinitely happy in eternity. Sorely afflicted people on earth are therefore especially seized by His love, even though it seems incomprehensible to them. Life on earth is short compared to eternity, and one day the soul will look back with gratitude and praise on its short time on earth in which the suffering resulted in its higher maturity which it would never have attained without suffering. A person on earth has immeasurable blessings at his disposal so that he can endure even the worst suffering if, in heartfelt prayer, He draws strength from God, for He has assured him of this. He will let no-one leave Him without having strengthened him who confides his adversity to Him in firm faith so that He can and will help him. For the suffering is never greater than the One Who imposes it, Who has truly enough power to help people in every need. Therefore, always keep His love, wisdom and omnipotence in mind if you are burdened by severe suffering and you will feel comforted and patiently wait for His help.... Amen

Process of purification through strokes of fate....

No matter how your earthly lives shape themselves, they are determined by My will in order to give you ever more opportunities for your souls to mature. But you will only become psychologically fully mature if you faithfully accept My will, if you humbly bow down and completely subordinate yourselves to Me.... Then you will also experience My obvious help in every earthly and spiritual adversity. The aim of life is the spiritualisation of your soul, the purging of all impurities which still cling to you, so that it can be completely permeated by My divine light of love when it leaves its earthly body. This purification, however, will not take place if the human being's earthly existence passes by without any struggle.... unless the person lives an exceptionally loving life. Then the layers will disintegrate and the soul will have achieved its goal at the end of its life. But often it will still have to accomplish this process of purification through suffering and adversities, through personal struggle. And since My wisdom knows this, My love always takes care to help it to mature. Consequently, you will not be able to live your earthly lives in constant calm, storms will rage around you, and often enough you will be despondent as a result of your fate.... And yet you need not be afraid, you will be able to overcome everything by merely joining Me even more firmly the harsher you are affected by fate.

I Am mindful of everything and you are never alone, even if you are earthly entirely on your own, even if you believe that you have been abandoned by all people.... I will truly never leave you, and to be united with Me compensates you a thousand fold for the loss you suffer or have suffered. But you also always have to recognise Me Myself in every happening that comes your way. If I Am your first and last thought you will be strong, no matter what happens to you. But if you distance yourselves from Me by complaining and grumbling and rebelling against your fate, then you will also get steadily weaker and the adversity will burden you ever more.... because then there is no other available means for Me to win you back, to make you bow down to My will again.... I truly only have your best interests at heart, and nothing will happen to you without My will or My permission. But in constant contact with Me it will be easier for you to carry your burden.... And then everything that at first looked like an inextricable tangle will be beautifully resolved. And the soul will have achieved a great benefit if, during the greatest difficulties, it has not severed its bond with Me.

Especially in these last days before the end people are at great risk of forgetting about Me in their hunt and rush for worldly goods.... And if I want them to remember Me again then I can only employ such means which will shake their very way of thinking, by using hard blows of fate I have to put them into a situation of wit's end, so that they then will remember the One, Who alone is able to help them. For their souls are still wrapped in dense layers, they have not yet done much to purify their souls, that is, they neglect to do unselfish deeds of love, and a different process of purification is therefore necessary to make the soul transparent enough for just a little bit of light, for which it will be extremely grateful to Me one day.... And no person is exempt from experiencing misfortunes, because I love all human beings and want to help them find their way back to Me one day if they are still distant from Me, or to encourage a closer unity with Me whereby they can receive increasingly more strength to improve their souls and to achieve full maturity while still on earth. For I want them to pass over with a degree of light already, so that they will be spared the agony of darkness in the kingdom of the beyond; I want that their earthly progress should not have been in vain.... And for this reason you humans should only ever see My will or My permission in everything that happens to you and humbly submit yourselves to My will.... Amen

Does God punish the children for the sins of the fathers?....

It is My will that you humans should live in truth because erroneous thoughts will obstruct your ascent, and because one misguided thought can result in many wrong thoughts. And hence you shall receive explanations too, providing you want these for the sake of the pure truth: Although you are asked to believe in My justice, you should nevertheless not get a false impression of Me due to teachings which portray Me as a heartless God Who punishes unfairly.... And this false impression will come about as long as you do not understand the meaning of the words 'I will punish the sins of the fathers up to the fourth generation....' It is not the case that I Am merciless and that children and grandchildren have to do penance for the sins of their fathers.... because every soul is responsible for itself and has to make amends for their own guilt while still on earth, as long as it does not accept salvation through Jesus Christ. Nor will children and grandchildren be held responsible for the sins of their fathers.... But it can be a natural consequence of certain sins which affects children and grandchildren.... so that weaknesses and disabilities of a physical and psychological nature occur which are caused by the fathers' sinful life. And this consequence is also visible to other people, hence the weaknesses and disabilities are now regarded as punishments on My part. As long as the people who have become sinful are still alive, the awareness that they are to blame for their children's misery can be punishment for them too, they can, due to this awareness, now also make amends for their sins, i.e. render a just compensation for their guilt, but they can only find forgiveness when they take their guilt to the cross and ask Jesus Christ for forgiveness, for salvation.... But the equally 'punished' children are souls in their own right who have consciously accepted the difficult fate of their earthly life in order to achieve maturity sooner, because they are informed of this beforehand and can also refuse to accept this fate. It is always merely a matter of the souls' maturation. The physical existence as a human being is more or less irrelevant.... a difficult earthly life is far more likely to lead to perfection than a peaceful and enjoyable earthly existence....

You people, however, still being ignorant, regard your lives as human beings too highly.... And you will always accuse Me of injustice when you are hard hit by fate, although it is based on My love for you.... The process of return offers many options but you rarely recognise them as such.... You only ever regard the conditions of adversity as heartlessness and injustice on My part, yet you do not recognise in them the opportunities to achieve complete maturity. Everything you do will be subject to law, naturally as well as spiritually. And thus every transgression will result in consequences which are sometimes obvious but occasionally not apparent, because an offence against My eternal order will always have a negative effect, because My justice alone will provide the human being with opportunities for compensation, so that he can make amends for his guilt while still on earth and need not enter the kingdom on the other side excessively burdened.... And even if he passes over unredeemed, if he has not yet found salvation through Jesus Christ, he can still be affected by the fate of those he cared about during his earthly life and feel remorse. And herewith he will have already taken a step forward because, although he will also be helpless in the kingdom on the other side due to his sinfulness, he will nevertheless try to help his loved one.... He has the will to do so and this is credited to him as love, and now he will be equally helped by the spiritual world.... Alternatively however, souls also consciously accept a difficult life in order to help those who facilitate their embodiment on earth and because they often notice the same inclinations and hence feel attached to them. When they say that the sins of the father will be punished up to the fourth generation, this only means that serious offences against the eternal order result in naturally lawful consequences, which I, however, consent to because they in turn can enable other souls' ascent. It is up to a person's completely free will as to how he conducts himself in earthly life, just as it is the completely free will of the soul which embodies itself again. When 'punishment' on My part is mentioned it is a misconception in as much that everything is only for the benefit of the soul, whatever is inflicted on it and whatever happens to it in its earthly life.... Because many a soul can only mature by way of suffering because it does not acquire a high degree of love of its own accord.... which subsequently would result in the decrease of suffering and make its fate on earth more endurable. However, as long as you always just want to see injustice on My part in regards to the destiny of long-suffering people you are merely displaying your lack of knowledge of My eternal plan of salvation; furthermore, you are unaware of My greater than great love for you, which only ever wants to save and will never condemn.... Compared to eternity time on earth is only brief, but during this extremely short period of time you humans have the opportunity to gather many treasures for eternity, you can make amends for much injustice and enter the kingdom of light, providing you find Jesus Christ and ask Him for forgiveness of your guilt.... Amen

All circumstances of life offer opportunities to mature....

How your earthly life turns out is entirely determined by My will, because I have known from the very beginning which direction your will is going to take during the time of your earthly life as a human being. And according to this will all events will happen to you such that they can influence you to direct your will **correctly**. So even if you apparently shape your own circumstances of life you will nevertheless be affected by the same measure of suffering and adversities, by destined experiences, regardless of what kind of living conditions you have. And therefore you can go through life with a certain composure since I will, after all, always provide you with the greatest possibility to reach your goal of attaining perfection on earth. Consequently, it is entirely irrelevant for your soul's development as to whether you are poor or rich, whether you are nicely shaped or have physical defects, for all advantages as well as your disadvantages can contribute towards your eager work of improving your soul, just as they can equally be the reason for you to neglect this psychological work.... For it always depends on yourselves, on your will, as to what extent you allow yourselves to be influenced by everything that approaches you externally in the form of experiences, strokes of fate, illnesses and all kinds of adversities but also of wealth, fame, honour and earthly power.... Everything can be detrimental and everything can be beneficial to you.... It depends entirely on what kind of attitude towards Me you find in earthly life.... It depends entirely on whether you allow yourselves to be spiritually influenced, whether you are able to look upon your earthly life as a test of your will, as a means to an end, as a gift of grace by the One Who brought you to life.... It depends entirely on whether you not only place importance on your body or are seriously concerned about your soul.... If the latter is the case then everything will be a blessing for you, no matter what comes upon you, and you will climb the ladder which leads to ascent step by step which helps you to reach higher spheres until you reach the goal when your soul will leave the earthly body.... This is why you should unperturbedly accept everything, always in the knowledge that I thereby intend to attract those of you to Me who are still distant from Me and yet need to find the right attitude towards Me in order to subsequently live your life on earth according to My will, which lets you achieve perfection....

And when there is a risk of people being entirely distant from Me, then I must indeed use means which are described as an unusually severe destiny of life, yet they are always based on the fact that an unusual resistance towards Me still exists, which I cannot forcibly break but which can recede in view of the immense earthly adversity, which can subsequently push the human being onto the right path to Me and thus show a correctly inclined will, which signifies everything for the person, for then I Myself will be able to take evident charge of his earthly life, and the human being will be truly relieved from all responsibility if he completely hands himself over to Me and lets Me think and act on his behalf.... So everything that can contribute towards a change of will is good, even if it appears to be distressing and unbearable, yet it is not distressing for the soul but fortunate and a blessing, for it matures and reaches that goal which, on its own.... without My indirect help.... it would hardly be able to attain. For I know every individual person's will. And thus I also know to whom I can bestow exceptional gifts of grace, who will use these correctly and derive the most blessings from them.... In that case, I will win this soul over to Me with less severe means, because the resistance, which in the beginning of the embodiment as a human being still firmly controls the soul, will have already considerably lessened.... In that case My means of help need no longer be so painful, slight impulses will suffice that the person will take the right paths, that he will recognise his purpose of earthly life and makes an effort to do justice to it.... And the suffering or adversities which are still imposed on him will be easy to endure, for then the person will already have established the connection with Me and through this connection he constantly receives strength from Me, which makes his ascent considerably easier.... Thus, a person's external circumstances of life are irrelevant for the shaping of his soul.... In fact, difficult situations in life often have more favourable effects on his soul than an easier and worldly-blessed life on earth, which is more likely to be a danger to its maturing.... However, no destiny is so severe that it could not be endured by a person who believes in a Power Which is love, wisdom and might in Itself, for if he believes he will turn to this Power for help, and he will indeed receive it.... For then he will already have the right attitude towards Me and that will certainly guarantee his full maturing on earth.... Amen

Harsh strokes of fate

B.D. 6330
10.8.1955

Explanation about strokes of fate....

The struggle in the spiritual world for people's souls is becoming increasingly more fierce. The world of light is incessantly active to influence people's will, but the forces of darkness do the same and the human being is far more inclined to comply with the latter's will, because their tendency for matter is strong and these dark powers exert their influence through material goods and pleasures. Whatever can be done in order to detach people's mind from matter is done by the beings of light.... often much at the expense of people's suffering but nevertheless in a spirit of love, only in order to help people.... The end, which will disintegrate **all** material things that people possess, comes ever closer, and then they will have to relinquish everything and will be unable to retain anything.... Yet they do not want to believe in the ultimate destruction of earthly possessions, consequently prior to it they must experience time and again the transience of what they strive for with all senses. The beings of light find little access to people's thoughts and their suggestions are not listened to.... that is, people don't spend any time on such thoughts as to be able to be mentally instructed by the beings of light. For this reason, they must be subjected to forcible interventions, so that they start to think about the transience of earthly possessions. And only in this way can you humans explain to yourselves the many strokes of fate which entail the loss of earthly-material goods or of human lives as well.... in catastrophes or accidents, in all kinds of destructions.... All these are merely means which are used by the spiritual world according to divine will, they simply express, in a more profound way, the struggle for the souls which are in grave danger of losing themselves to God's adversary, because they have completely lost themselves to matter, which is their downfall. There is not much time left until the end. Hence, there will also have to be an alarming increase of such strokes of fate which still offer a small probability that they will encourage people to deliberate on them.... The battle in the spiritual world is exceptionally fierce, yet the world of light does not fight **against** the world of darkness, instead, both fight for people's souls.... the human being himself is the object of dispute, the human being himself must decide the battle, and each world uses the means through which it hopes to succeed.... All suffering and hardships, all events which have a serious impact on you humans are means used by the world of light, which only has your best interests at heart, whose love for you only ever does what denotes certain help for you if you don't resist it.... Yet a good lifestyle and affluence, earthly joys and worldly pleasures are only every the adversary's means, and you should avoid these and don't delight in their possession.... For your lifetime on earth is but short, and then you will have overcome all difficulties, you will be compensated for your arduous life if it resulted in spiritual success for you, so that you voluntarily detached yourselves from matter and your soul acquired spiritual possessions.... Don't desire that which very soon will be taken away from you, but gather spiritual possessions which no-one can take away from you and which will follow you into eternity.... Amen

Strokes of fate.... Spiritual death....

People who no longer have faith in a God and Creator, in the soul's continuation of life after death, have already succumbed to spiritual death, for they do not believe that they live on earth for a purpose and reason but only regard this life as an end in itself. They only move on an earthly level, their thoughts don't find the path into the spiritual kingdom, for they refuse to accept and follow thoughts which originate from there. They are purely humanly-orientated creatures with such a low degree of maturity that the destiny of a renewed banishment almost certainly awaits them, because their free will, instead of striving upwards, aims downwards again.... They have already attained some life and yet surrender to death again.... And neither can they be stopped because it is their free will, because it concerns the last and entirely free decision of will in earthly life. God, however, wants to give everlasting life to people.... And people must accept it from His hand, they cannot receive it from anywhere else than from their eternal God and Creator, nevertheless, they don't believe in Him and thus they won't ask Him for it either. Consequently, He can only impose upon them a destiny in earthly life which dissuades them from the material world and makes them think.... He can only shatter their earthly happiness and hopes because he wants to save them, because He wants to help them to attain the life which will last forever.... For if the human being's every earthly wish and craving finds fulfilment, he will constantly want more and increasingly turn his thoughts towards earthly things, and then his life will only be an end in itself for him but never become the means to an end.

You should therefore not be surprised that events which, in an earthly sense, have a disastrous effect on those who are affected by them, will increase during the last days.... that accidents and all kinds of disasters will claim countless human lives, that earthly possessions will be destroyed and that people will have to suffer illness and distress.... These are merely the means used by God Himself in order to find access to those people's hearts who refuse access to Him as long as their earthly way of life is good.... Anything He can still do will be done by Him in order to save those people who are approaching death. For spiritual death is far worse than physical death, which need not affect the soul if the person has lived his earthly life appropriately.... the soul cannot die but it must suffer the consequences of the person's thinking and conduct on earth. It will irrevocably have to experience the fate of renewed banishment if it still hasn't found God before the end, if it does not learn to recognise Him before the end and consciously acknowledges Him and appeals to Him for help and mercy in its spiritual adversity. And to make this possible much is yet to happen which you don't think you can reconcile with the **love** of a God.... But it **is** love, no matter how cruel it seems to you, for the soul's spiritual death is far more painful than the most horrendous strokes of fate can be on this earth.... For earthly life comes to an end, the soul, however, must spend an infinitely long time in torment and darkness again before it will receive the grace once more to live on earth as a human being with the same task: to voluntarily make a decision in favour of the One from Whom it once originated.... to voluntarily decide in **favour** of God from Whom it once voluntarily turned away and therefore became wretched. And it can only become blissfully happy again if it has fulfilled the meaning and purpose of its existence as a human being.... Then it will attain life again, it will no longer need to fear death, it will live forever as soon as it returns to God once more, as soon as it has united with Him again, for which its existence as a human being provided it with the opportunity to do and its will made the right decision.... Amen

Purpose of harsh strokes of fate: Bond with God....

Regardless of how your earthly life turns out, you should always remember that in My plan of eternity everything is intended such that it will benefit your soul.... and that none of My living creations are left to their own devices but that I, in My wisdom, realised what is best for every individual person. Were you able to achieve the firm belief that I Myself stand behind every event with My will or My permission nothing would hardly ever frighten you again.... For My love knows how to arrange everything such that it is good for you.... Although you will not always be able to recognise My love, it nevertheless steadfastly belongs to you and will never let go of you either. But My wisdom also recognises the spiritual hardship you humans live in and the fact that you will invariably strive towards the abyss if I don't intervene in order to first deal with the spiritual hardship, so that the earthly adversities can diminish, which are only the consequences of the spiritual hardship. It is particularly dire for those people who possess no faith whatsoever in a God and Creator Who also created them as a product of His never-ending strength of love.... Only harsh strokes of fate.... which they have no control of avoiding.... can change especially those people's way of thinking.... by having to recognise a Power above them Whose will also controls their life on earth.... It is My constant endeavour to convince these people of this and to motivate them to subordinate themselves to this Power, to acknowledge and communicate with It.... For only that which remains inexplicable to them in an earthly way can make them change their thinking.... And so many things, which are described as harsh strokes of fate and which barely infer the love of a God and Creator, happen in the world for the sake of these disbelieving people.... And yet, **it is love**.... they are means which still promise success, even if only a few will find their way to Me, to faith in a God to Whom they must surrender and Who only expects your acknowledgement in order to then exert further influence on the human beings' inner life, Who causes them to subsequently live their life on earth according to His will and to attain the final goal: the bond with Me, their God and Creator of eternity.

Only when a person has found faith in Me as a Being full of love, wisdom and might.... will he look for this bond with Me which then will grant him bright enlightenment about his task on earth.... And only when he tries to comply with My will and pays attention to My divine commandments of love will this light begin to shine in him and reveal great knowledge to him, then he will live his life consciously in order to reach his goal.... He would indeed be able to gain this faith in Me without difficult destined burdens if he could bring himself to live a life of love of his own accord, if he could rise above his selfish love and change it to selfless neighbourly love.... Then he would have established the bond with Me from his side and he would find it easy to believe in Me, his eternal God and Father.... Then he would not go astray anymore because his bond with Me **through love** would protect him from the fall into the abyss.... **Love and faith** are essential to reach the final goal, the liberation from the physical form.... And I will always direct all events in the world such that they will be able to yield **spiritual** success for **that** person who has not entirely been taken in by My adversary and still exhibits the unbroken resistance towards Me, for I force no-one to succumb to Me and My will, but I will always help him to recognise Me Myself, even if this requires harsh strokes of fate, which then will only ever be based on My love.... However, the human being must make his own free decision in earthly life, and he will also always gently be urged from within to take the right path, the path of love.... Yet as long as he ignores this inner urging, he forces Me to employ methods which can lead to faith in a God and Creator Who is love, wisdom and might within Himself.... Then he will be saved for time and eternity, for a belief in Me also signifies acknowledgement of Me Myself, Whom he once refused to acknowledge and thereby became enslaved by My adversary, the prince of darkness.... who will indeed control him until he acknowledges Me, then he will be able to resist My adversary, to detach himself from him and to return and remain with Me for all eternity.... Amen

Effect of free will.... Sudden death....

Even world events proceed according to My divine will. Although human will is the driving force I nevertheless knew people's will an eternity ago and direct the outcome according to My wisdom, so that, in the final analysis, everything can contribute towards the souls' perfection as long as they don't openly reject it, that is, deliberately strive downwards due to their association with My adversary. For every event can have positive as well as negative effects, every event can be experienced by one person.... i.e. his soul.... as helpful, whereas for another it can be an obstacle towards higher development. I, however, know the outcome and therefore allow the human will its freedom. But the consequences have to be accepted by people again who seemingly had no part in it, nevertheless they, too, have to suffer such strokes of fate in order to mature fully.... Everything is known to Me for eternity, and My plan of Salvation was based on people's free will.... And human will sometimes causes confusion on a huge scale, the consequences of which must be endured again by the human race.... For as soon as divine order is ignored, chaos is the inevitable result, and people will subsequently have to suffer under this chaos. Yet it is the time of the end where almost no-one lives in divine order anymore, where only a small part of humanity endeavours to live according to My divine will, while all others transgress the law of order and thus a state of lawlessness is recognisable which results in lack of peace, hatred, hostile conflicts against each other and totally disorderly situations, in all sorts of miserable conditions.... For calmness and peace cannot reign where spirits of darkness are evoked through actions adverse to God.... there can be no happiness and no order where love does not exist, and love has grown cold among people. The prince of darkness incessantly impels people into acts of hatred and unkindness, and only ever greater misery can come out of it.... even if it is kept hidden from the general public it will nevertheless be recognised by every person who still wants to abide by the laws of eternal order.

However, I have also designated an end to this behaviour by people, to their sinfulness, which is expressed by their activities, for soon the time will be fulfilled, and soon everyone will have to reveal their own attitude and justify himself for his innermost feeling, for the time will soon expire which was granted to My adversary and which he has truly used well.... The eternal order will soon be established again as it was promised in Word and Scripture. Many shocking events will still take place before the end, people will be subjected to many rude awakenings and become conscious of the fact that every day could be their last.... and good for him who lives his earthly life appropriately. Nevertheless, My messengers will always inform them of what the human race can still expect.... Time and again My obvious activity will be pointed out to people, which could provide them with the evidence of a Power Which is in charge of everything, Which directs everything according to Its will, but without excluding people's will. Yet you humans can certainly take actions, in a good or a bad way.... but the effects of your actions are determined by Me, as I Am aware of **all** people's will and therefore always protect those of good will, even if they are plunged into greatest anguish through human will.... In that case, it will only be a blessing for their souls, and one day they will recognise My guidance and nevertheless be thankful to Me for the arduous destiny imposed upon them. However, you should always bear in mind that I will never enslave the human being's will, that every person can think and want at his own discretion, but that every person must also accept the **consequences of his will**, that one day every person must give account of his **will**, regardless of the outcome of the implemented action. And My permissions are indeed justified, even if you are unable to understand this because you know that I Am not lacking the power to stop another person from implementing his will. I, however, have a view over every person's progress of life, I know his maturity of soul and I know, what can still serve him to raise the latter.... I also want to confront every person with their own death, which no-one can avoid when it approaches him. And if I merely achieve that it reminds all people of the fact that they, too, can pass away at any minute, it is already an achievement for the individual person's soul. It is an approach by Myself, it is My direct intervention in his thoughts, which he then will certainly be able to direct according to his will but which can also lead him to the right path, because I leave no stone unturned in leading people onto the right path and because I alone know the right means in order to still achieve small successes, to gain a few souls before the end, which is not far away anymore.... Amen

Further indication of disasters and war....

The forthcoming time will burden you extraordinarily, for world events will enter into a new phase, the restlessness amongst nations will increase, each one will consider the other as the enemy and nothing will be seriously done to establish peace even though all people will be longing for it. But materialism is the driving force of all plans and undertakings, and everyone aims to gain the greatest advantage, yet no one is fair in his thoughts and intentions and motivated by good attitudes while misfortunes increase fear and unrest, for God Himself still tries to make Himself known to people, since only the belief in Him and His might is the right counterbalance for all adversities and afflictions which you humans are approaching. Consequently, there will also be more natural disasters, so that a higher Power will be acknowledged, for whatever people do will only ever deepen their hatred for each other but not lead to spiritual reflection. Heartlessness will take on shapes which will soon be unsurpassed, and the state of people warring against each other will therefore become ever more determined, there will be anything but peace amongst people although the great conflagration will not have yet erupted but will not fail to materialise. People themselves live their lives indifferently and only few spend thought on the fact that this state of affairs cannot continue for long. Yet the people in charge are generally spiritually blind.... there will be much talk but these will be just empty phrases which will not be followed by actions. For the earthly hardship will not be remedied where it is clearly recognisable and since the commandment of neighbourly love obviously remains unfulfilled the spiritual state cannot be good either, although they will be living in earthly prosperity and will apparently not have to go without anything.... The souls, however, will go hungry, and yet people will be unapproachable for spiritual instructions which would provide the souls with the right nourishment.

People should look around themselves open-eyed and be seriously critical of their own lives, then they will learn to understand and be able to observe the forthcoming events with the right realisation which, although they have always been announced, only now become more significant in view of the serious difficulties of those who are directly affected by it.... Yet these are the last days, and since people no longer have any faith it requires especially severe strokes of fate in order to disturb them, so that a few will find their faith in a God and Creator again to Whom they owe their existence.... in order to make them think why and for what reason this God and Creator has created them.... It is a matter of life or death for you humans, of infinite beatitude or torment and anguish, of brightest light or absolute darkness.... And thus, anyone who wants to be happy and live eternally in light has to fulfil his God and Creator's will, he has to try to discover this will and then live a life of love for God and his fellow human being.... If, however, he does not believe in a God then his whole earthly life will have been pointless, he will constantly contravene the law of divine order, and revoking the laws of divine order will always result in chaos, and you humans are now irrevocably approaching this chaos And it will not just affect you spiritually but the earthly world will also be completely turned upside down, time and again you will receive news about natural disasters, accidents and other calamities, for there will no longer be any harmony and peace in a world which is devoid of all love and faith.... But whoever has found the path to God, who endeavours to fulfil His commandments of love, who hands himself over to Him in spirit and in truth, who prays to Him and appeals for His protection, will also surely receive it, for these people belong to His small flock who will persevere until the end, who will not let their faith waver, who will stay together and carry God deep within their hearts and who will therefore be lifted up in the end if God does not recall them to His kingdom sooner, if it is His will.... Again and again your attention will be drawn to what lies ahead and comes ever closer to you, even if you are of little faith.... you will be unable to prevent it, and you can, with absolute certainty, stand up for what is announced to you, for the point is that people should be told that everything has been taken into consideration in the Plan of eternity, that **everything** is dependent on God's will Who, however, proceeds in His wisdom and love in order to accomplish the work of return to Him, and will also achieve the goal one day.... Amen

What fate is the world heading towards....

If you knew what fate you are heading towards you would not desire the world with all its commodities for even one minute longer. For you will lose them all and have to content yourselves with the small amount that is left to you after hours of extreme adversity and distress. And yet you cannot be spared because the time of the end is near and you shall first dispose of everything that belongs to the world and thus also to the one who is the prince of this world. And as soon as you have the right attitude towards Me, your God and Creator of eternity, your life will also become bearable for you.... But who has this right attitude towards Me? The firm belief that I will help him in every adversity, who entrusts himself to Me completely, and who is willing to surrender his life for the sake of his neighbour? For this will be your fate, that you even voluntarily choose to die in order to save your neighbour's life!

Yet it will not be to your disadvantage, for although you will lose your life on earth you will with certainty gain eternal life, which no one can take away from you again.... Therefore, don't be afraid, regardless of what will happen.... And firmly believe that you will go on living.... and therefore take care that you can leave your earthly life in a state which will lead you to life in eternity. For even life on this earth will come to an end soon afterwards and then the great reckoning will take place.... The gates into the kingdom of the beyond will be closed and only Satan's slaves and My Own will inhabit the earth.... the former will be banished into matter again whilst the living bodies of the latter will be removed by Me in order to populate the reshaped earth. And because I will send warnings and admonitions prior to such disintegrations of earth, the preceding natural disaster must also be viewed as such an omen which, with absolute certainty, will be followed by the end.

I terminate an earthly period because people no longer use their earthly life for the maturing of their souls and I still want to save what can be saved.... For I love all of you, My living creations, I don't want your ruin but your release from the constraint of the one who was responsible for your apostasy. But I cannot induce you against your will to live in accordance with My will and thus to live a way of life which will guarantee you eternal life. I must always give priority to your will and depending on your will so shall be your fate. However, since this time of the occurring judgment has already been planned for eternity you have all had ample opportunity to change so that you need not be counted amongst the victims of this judgment.... Yet you lack belief in it, and thus the end will take you by surprise and find you utterly unprepared. And I can't do anything else but send you a stern warning in advance, a natural disaster of such huge proportions that it will trigger tremendous fear and could make you recognise your God and Creator's solemn voice, yet until the end a human being's fate is determined by his free will, for neither I nor My adversary will use coercion. The adversary, however, will have greater success; nevertheless he will not be able to enjoy it for I will seize what belongs to him from his control again in order to embed it in hard matter, so that he will nevertheless lose strength as higher development continues, which will always also result in beings reaching the light, who escape from him altogether and return into their Father's house from where they once originated.... Amen

Premature death and fate in the beyond

B.D. 3258

16.9.1944

Premature departure from the world.... Purpose....

People are repeatedly reminded of the transience of earthly things, and they are constantly confronted by death when many people pass away prematurely and when they are helpless in the face of events which cause suffering and despair to human beings. Yet they will not change their mind nor think about the real reason for suffering and untimely death. Thus the suffering becomes ever more painful and humanity will observe world events with horror and turn numb at the size of the disaster that engulfs it. Humanity, however, is asking for it, since the despair of the time leaves people entirely indifferent and they derive no gain for their souls. And therefore God applies the harshest measures to disturb their lethargy, because in spite of people's earthly and bodily suffering their souls remain uncaring, they remain indifferent to the blows of fate or they would attempt to change in the knowledge that their spiritual attitude is the cause of the increased suffering on earth.

Hence many people have to depart prematurely from this life because a longer life would be detrimental rather than beneficial for their souls as they would lose their faith completely and only take care of their physical life. In spite of their inadequate state of maturity God therefore allows the loss of countless human lives to prevent their regression, to give them the opportunity to fully mature in the beyond, because the situation on earth does not remain hidden from them, they can observe the developments and become aware that due to the neglect of their soul's salvation, due to their wrong way of life, due to their lack of faith and unkind thoughts, human beings themselves are responsible for the severe suffering on earth.

In addition, people who are called away by God prematurely can still become aware when faced with death, they can still truly unite with God, they can still become purified due to intense suffering, and thus achieve a higher degree of maturity which they would not have attained during a longer earthly life, and then a premature parting from earth is a blessing for them. And irrespective of how much earthly suffering exists, it is only a means for the benefit of souls.... yet few people understand this as such. The magnitude of hardship is intended to direct their path to God Who can and will banish every distress if the human being faithfully awaits His help. However, when even the immense suffering is unsuccessful, when human beings forget about Him and are in greatest danger to finally strive towards the abyss, God shall end many an earthly life and permit apparently inhuman disasters because He forever considers the human souls and aims to save these even though the body will perish as a result.... because God never does wrong but only what is good and a blessing for the human soul.... Amen

B.D. 8772
6.3.1964

The early death of children....

And I will provide you with strength because I need your cooperation on earth which requires your free will.... I could certainly choose vessels for Myself and appoint them to work for Me, but this does not correspond to My law of eternal order, because free will alone must and can be decisive, which then will also offer the guarantee of success. People are certainly willing to work for Me, yet they often lack the qualifications to carry out a redeeming activity on earth....

And thus I know who voluntarily wants to do this work and serve Me as a suitable vessel. And I will also know how to keep such a vessel alive and lead it through all adversities, especially when the human being is no longer filled with desire for the world but completely puts his earthly wishes aside for the sake of the spiritual work, which he will recognise as extremely important. And thus it will be possible to continue the vineyard work, and your endeavour will always be blessed by Me, after all, there is as yet much to explain to people who are willing to listen, who will contact Me themselves and ask questions to which I will reply through My servants on earth.

You are repeatedly told that I have many schoolhouses in My kingdom, that the whole universe contains creations all of which serve the maturing of the once fallen spirits.... And every work of creation has its own purpose, it will always serve the higher development of the beings whose state corresponds to the living conditions on this creation.... And thus souls, which have covered the process through the earthly creations, will also be able to embody themselves on other **heavenly bodies**, due to certain tendencies which only I Am able to recognise, which assure their full maturity on other stars and can even result in those souls' incarnation as a human being on earth who can already be entrusted with a mission.... And this also explains the death of small children and babies whose souls would have been unable to cope with life on earth but who, on the other hand, cannot be described as still being in complete opposition to Me, so that I will provide them with a different opportunity for further maturing on one of the innumerable schoolhouses, which usually enable them to accomplish their task and provide the being with some maturity....

In that case it is, in fact, not possible for these beings to achieve the childship to God, which is gained through an enduring earthly life, yet they will be able to achieve beatitude in the spiritual kingdom as well. It is also possible for them.... after having already achieved a high degree of light.... to descend to earth again for the purpose of a mission and then also acquire the childship to God. So many circumstances and tendencies play a part in the soul's embodiment as a human being, including the degree of maturity which it will have already reached in its preliminary stages and which can decline due to the body's weakness but shall not, if the soul embodies itself in the womb of a mother which is unsuitable for the soul's state, in which case the difficulties of maturing are greater and can result in complete failure. Then I will release the soul from its external shell again and place it where its higher development will be easier and assured, because the soul is no longer blatantly in opposition to Me.

And thus there are many possibilities in order to help the once fallen spirits to return to Me.... Admittedly, the earth is the lowest and most wretched work of creation but it is able to yield the highest spiritual accomplishments if the being is willing to travel this earthly path.... and yet I know in advance whether free will or other reasons make it impossible for the soul to mature fully, and I will always helpfully intervene where the soul's helplessness requires it, which is unable to cope with its imposed fate and yet is not deliberately opposed to Me....

You humans are incapable of judging this, yet everything is based on My love and wisdom, and thus you also have to accept that I have My reasons for the early death of children, for nothing happens without reason and purpose, and everything is just for the benefit of the spiritual beings which once distanced themselves from Me and shall return to Me again.... And I have infinitely many possibilities to reach My goal one day, and sooner or later you will also know everything yourselves and realise what motivates My reign and work. But I Am constantly concerned for the weak souls and will assist them in every way, for I also know a soul's degree of resistance, how far it has diminished and whether and how far it will still lessen, and accordingly I will place the soul where it can reach its goal fastest. Life on earth is indeed the only possibility to attain the childship to God, yet I also know that and to what extent a soul is at risk of losing its already attained level and slipping back again, in that case I will prevent it in the face of its only very low resistance to Me, which is unable to determine free will and the latter would not exclude a descent. Yet even before its incarnation as a human being the soul will be able to decide whether it wants to cover the earthly progress as a human being, and its will is complied with. And this also explains the future fate of violently killed children who are likewise offered the opportunity to complete their path of development on other heavenly bodies and also mature fully, although under different conditions.

But it is also possible for every soul.... if it seriously wants it.... to return to earth again for the purpose of achieving the childship to God, if it has attained a specific degree of light and voluntarily accepts a mission which places great demands on such a soul. You humans are unable to clearly understand everything, you will never fully comprehend My reign and activity, yet I know of innumerable ways in order to help My living creations to ascend, and I also know the course and outcome of every earthly life.... nevertheless, I will only intervene Myself and establish a change of an

appalling course of events if a willing soul can thereby be helped.... which is only known to Me alone. Earthly life as a human being is difficult, and it requires effort and determination to bring it to spiritually successful completion.... I will always help the weak soul if it no longer strongly opposes Me.... but how I express My help has to be left up to My love and wisdom, yet it will always be My endeavour to help My living creations attain full maturity, and I will always use **those** means which will be successful for Me, since I long for My children and would let none fall into ruin which already strive towards Me, which I recognise and thus also work accordingly.... Amen

21.7.1958

Explanation of the many cases of death: Closing the gates to the beyond...

The gates through which the souls entered the kingdom of the beyond will close again for a long time. This can only be comprehensible to those who are aware of the fact that a period of Salvation comes to an end, who know that it will end with the renewed banishment of the souls which failed their test of will as humans, which descended again into the abyss and which therefore will have to repeat the infinitely long process of development through the creations of the new earth. Until this end arrives the gates into the kingdom of the beyond will remain open, that is, all those who depart from earth until then will still be accepted in the kingdom of the beyond, in the realm of the spirits, and they still have a short period of time at their disposal to work their way up from darkness to light, supported by much help so that they won't still descend into the abyss and have to experience the same fate: to be banished into hard matter. It is therefore a huge blessing if spiritually immature people are recalled earlier, if they don't stay alive until the end of this earth for they will then have almost no possibility to find God and to call upon Him for mercy anymore. And many people are currently on earth who are simply too indifferent to endeavour towards psychological maturity.... but who cannot be numbered in the satanic camp either yet who are in utmost danger of still falling prey to him before the end. And God still wants to give these souls an opportunity to raise their state of maturity a little.... Therefore, he recalls them prematurely.... For the time of redemption granted to the spiritual beings embodied as human beings is irrevocably coming to an end.... and the significance of this can only rarely be grasped by a person.

For a separation of the spirits will also take place in the spiritual kingdom, even in the kingdom of the beyond untold souls still linger in profound darkness since all attempts to redeem them have been in vain and thus they must share the fate of those who will be banished into matter again. This is why eager redemption work also takes place in the kingdom of the beyond, the Gospel is preached to the souls in darkness as well, that is, they are offered the opportunity to listen to it but they are not forced to do so.... Everything will be done in order to save what can still be saved, because God would like to help every soul to receive a little light during this period of Salvation, because His infinite love would like to spare every soul the appalling fate which is granted to those who are still completely in the adversary's hands and from whom they shall be snatched.... But anyone who knows their destiny will find a certain comfort in the fact that God recalls people prematurely, for he knows that it is an act of mercy for those souls so that they will be able to escape this appalling fate. For helpful beings of light are exceedingly willing to work on every soul in the beyond, and everything conceivably possible will be done in order to guide them upwards a few steps. Then they will have escaped the danger of descending into the abyss again and they will be spared a repeated progress across the earth. However, with the end of the earth even this opportunity of being accepted into the spiritual kingdom and to continue maturing will be over, for at the end only satanically-inclined people will exist next to the small flock of those who remain faithful to God and whom He will fetch Himself on the Day of Judgment. And therefore, everyone should be grateful if he does **not** have to experience the end, for a ray of hope shines for him in the fact that he has found mercy and will not have to go astray.... Amen

B.D. 7644

Spiritual death and renewed banishment....

Spiritual death is the worst fate that can happen to the soul, for it will be unable to release itself from it once it has departed from earth. It exists, it is also conscious of itself and yet is entirely without light and strength, and this is a state of inconceivable agony. It inevitably leads to a renewed banishment into matter again unless people intercede so effectively on its behalf that it provides the soul with strength, so that it can change itself if it has the will to do so, that is, if it doesn't directly resist it. As long as a soul is apathetic in this state, it can receive help from the enlightened spiritual world or through loving intercession.... But it can also be so hardened that it rebels with burning rage against the power which.... so it believes.... keeps it imprisoned. Then it will steadily descend further and harden into solid substance, which subsequently makes its ascent in the kingdom of the beyond impossible. Then it will have to travel the infinitely long path of higher development through the whole of creation again, for one day even this soul shall wake up to the life which lasts forever.... Countless people on this earth are in this danger of succumbing to spiritual death, for during the end time they do nothing in order to acquire this life. They live without love and therefore without God as well, they already harden their souls to matter on earth, for they strive towards it and fail to consider the spiritual life they are supposed to create for the soul while they live on earth. They bow to the one who is master of the earthly world and also strive for his goods.... And these cannot bestow life upon the soul but they certainly assure its spiritual death. And if it enters the beyond in this lifeless state it will be in utmost danger, for heartless people rarely leave friends behind on earth who will send loving thoughts to them in the spiritual kingdom. And only these can save the soul, for every loving thought, every prayer full of love has an effect of strength on such souls, they are so effective that the soul changes and has the will to ascend. Then it will have escaped eternal death, it will no longer descend into the state which results in its renewed banishment. All you humans have no idea about the strength of love or you would make an effort to live a life of love.... And then you will attain life, for love itself is life, and it awakens everything that is dead back to life again.

If, however, you don't use this strength, if you go along without love, your soul's spiritual substance has no option but to solidify and thereby gets into a dreadful state, for then death will not lead to the souls transience, instead it will be a state of vegetating in awareness of its existence and of agonising helplessness and darkness. As long as you still live on earth you are incapable of imagining this state, yet you should do everything in your power in order to avoid it, for everything is possible for you on earth, you repeatedly have the opportunity to accomplish deeds of love on earth, and then the danger of death will be over, then you will have to awaken to life while you are still on earth and thus will also be able to enter eternal life, then you will have conquered death. And you are all able to live a life of love, for the divine spark of love is in all of you, which need only be kindled in order to never be extinguished again, because love always gives you new strength and you will inwardly be motivated to be active once you have kindled this spark of love in you. However, you cannot be forced to do so, but the dreadfulness of spiritual death can only ever be pointed out to you so that you will try to avoid this horror of your own accord.... For as long as you live on earth you have the strength to be lovingly active; but once you have entered the kingdom of the beyond you will be incapable of doing anything by yourselves, then you will be dependent on help and can consider yourselves fortunate if it is provided for you by people whose thoughts follow you with love.... Only love redeems, only love is strength.... and everyone should acquire love for himself through loving activity as long as he lives on earth, so that he will not succumb to spiritual death.... Amen

Intervention by beings of light in destiny

B.D. 4306

19.5.1948

The light beings' intervention in destiny....

Everything has to be called divine providence, for everything, even the smallest happening, has been predetermined since the start. It is God's will that you should fully mature on earth. And therefore everything has been arranged very prudently so that time and again you will have the opportunity to develop further. Your will is also decisive for the shaping of your earthly life, for God foresaw your will an eternity ago and accordingly laid out every individual person's course of life. The inhabitants of the spiritual kingdom of light are God's spiritual assistants and take care of people in accordance with their degree of maturity, and thus they are God's representatives and serve every individual person as spiritual guardians according to God's will. They intervene in earthly life with their teaching methods, they give to and deny people as is most beneficial to them. Thus they have authority from God to please people with gifts just as they might lead people to maturity through failures. Although this, too, always happens according to God's will they are nevertheless allowed freedom of activity as soon as the human being trustingly appeals to them for help. They are able to grant this request or deny it, and their great love for people will always get it right, since they are as one with divine will. Nevertheless, calling upon the beings of light is an assured means of help, for the beings of light are exceedingly tolerant in their love for people, they rarely deny people a request if the aim of their request is not obvious wrong-doing. And God will give His approval, regardless of how the beings of light decide, for they always share the same will with God. However, if it endangers the human soul the light beings will be adamant, for the danger to the soul must first be over before they can become receptive to a person's request and intervene helpfully. But then the light beings' activity will be evident, then the human being will be able to undertake anything, he need not fear any failure and earthly life will become easy and bearable for him, because his guardian angels grant him support and he can entrust himself to them in every way but without ever excluding God, instead, heartfelt dialogue with Him should precede every appeal to the beings of light, so that the will of the latter is always God's will and the help is always recognisable.... Amen

B.D. 6737

The light beings' methods of rescue....

People's activity on earth is visible in the spiritual world, and it increases the light beings' eagerness to help because they, too, know of the approaching end and the fate of those who will fail. Merciful love constantly impels them to help but people's will frequently resists them, and they are not allowed to act in opposition to people's will. But since they recognise people's spiritual state they also know effective remedies, and in complete compliance with God's will use these methods in order to influence earthly events. Hence joyful as well as unfortunate events can be due to these light beings' influence who want to save or lead their protégés to God.... For God Himself has joined them to people as spiritual guides, and therefore the well-being of their protégés' souls is particularly dear to their heart. They, too, know the blessings of suffering for all people and thus suffering is often unavoidable, even though the beings of light are full of love for people. But to have saved a soul is gladdening for every being of light; after all, they know the infinitely long-lasting state of torment the spirit will have to endure if it gets constrained into matter again. Compared to this state of torment even the worst suffering on earth can be called trivial, and therefore it is used by the helpers such that they will destroy earthly happiness and thereby so painfully intervene in a person's life that a loving motive is barely recognisable.... nevertheless, it is only due to love and concern for the human being's soul which is in utmost danger. For as long as it still lives on earth it will not be abandoned by its spiritual friends and guides. And since you humans have increasingly less time until the end these painful interventions will also become ever more frequent, for they act on God's instruction, they are merely His co-workers who act in accordance with His will.

People collect ever more earthly possessions, they pay consistently more homage to the world and its pleasures, and thus their earthly happiness often has to be destroyed, they have to experience the destruction of earthly goods and learn to recognise the staleness of worldly joys. And all this is only possible if they don't get their own way, if misfortunes prevent their unbridled enjoyment of whatever they are striving for.... Then it will be possible to turn their thoughts in a different direction, and in that case the earthly loss would be a huge spiritual gain.... Then the beings of light will have been victorious and helped the souls to gain life, for which the souls will be eternally grateful to them. The darkness in which people live on earth is obvious to all beings of light, and they also know that the world is to blame.... Hence they only ever endeavour to turn people's thoughts away from the world and try to achieve this by using apparently harsh and heartless methods which, however, are always based on love, because they are as one with God and therefore also full of love for all wretched beings on earth. There is only little time left until the end but this time will indeed be very difficult, because all souls which do not voluntarily renounce the world and turn to God will have to be affected.... And thus every difficult experience, every harsh stroke of fate should be considered methods of rescue, which with divine approval still have to be used on people who are at risk of descending into the abyss.... For every soul has its helper and guardian in the beyond, nevertheless, they always have to respect its will or no human being would in fact go astray but instead find his way back to God before the end.... Amen

Comfort, care and help from the Father

Tests of faith to fortify belief...

You are persistently subjected to tests of faith but only in order to fortify your belief, for as yet it is still as weak as that of a child compared to the demands that will be expected of you in the coming time. Time and again you will therefore experience adversity during which you should prove yourselves insofar as that you should turn to the One Who alone is able to banish your problems. The adversity will disappear like a formation of clouds if you trustingly hand yourselves over to the heavenly Father and commend yourselves to His grace. Thus you have the certain means to master every adversity, you need only tell Him your problems and sincerely appeal for His help.... and you will be helped.... But first you need to mature this firm faith so that He can and will help you.... Such faith will banish all adversity. However, this requires your awareness of His presence, your bond with Him must be so close that you will never feel alone, but that you will always sense that He, your Father of eternity, is walking next to you and then you will be completely convinced that He will help you.... A life without a fight, without earthly or spiritual adversities would not improve your spiritual development, for your strength only gets fortified through battle, strength is only put to the test through opposition and finally becomes victorious. This is why earthly adversities cannot be excluded, they are effectively merely tests to build up your strength, which you need to cope with in order to become strong in faith. For you will require great strength of faith during the coming time, when only **that** person will remain calm and confident who became so steadfast through his strong faith that he is aware at all times that he is in the heavenly Father's care and therefore stands above everything that is approaching. Nothing happens in your existence which He is not aware of, and nothing can happen to you without His will.... but whatever comes upon you **is** His will and is always beneficial for your soul.... Firmly commit these words to your memory, then you will always feel cared for by the heavenly Father's love, and you will not doubt his help for one moment if you are in trouble. Everything is beneficial that turns your thoughts to Him, Who is merely waiting for your call in order to be able to help you. It is His will that you should turn to Him, He wants to be your constant companion, He wants to be asked for advice in every spiritual or earthly adversity, He always wants to help you but is only able to do so if you, through your faith in Him, have also freely professed Him.... But then you will be in good care, then you will be able to await even the most difficult destiny, it will turn out for the best, you will receive earthly help and spiritually derive the greatest blessings from what the Father sends to you in order to win you over forever.... Amen

Words of comfort.... Suffering – Illness.... Connection with God....

Always rely on Me and the fact that I will show you the right path. Even if it seems to you as if you determine your own destiny, as if you can use your will to turn your earthly life in another direction.... as long as you connect yourselves with Me, as long as you desire contact with Me, I shall guide you and you shall merely comply with My will which I likewise place into your heart, because your resolve to be in contact with Me enables Me to do so. Once someone has joined Me, once someone wants to be in contact with Me, he can stop worrying about his future destiny.... for this will develop such that his soul can derive benefit from everything and it will, indeed, do so if the human being faithfully entrusts himself to Me, if he voluntarily subordinates himself to Me and My guidance.... if he lives his life **with Me**, if he constantly bears Me in mind and makes an effort to gain My love.... Then he will also possess all My love which only wants his soul's salvation that consists of the attainment of eternal beatitude.

Believe Me that you then will only have to struggle in earthly life if you refuse to help voluntarily.... Hence you can be spared effort if you actively serve in neighbourly love.... yet suffering and disease can still contribute towards your soul's purification but it will nevertheless be bearable for you if you take refuge in Me.... I Am always available to you in all earthly and spiritual adversities, and it is My will that due to these you shall join Me ever more intimately until you are so firmly united with Me that I can constantly walk beside you and you are in continuous communication with Me.... that you are always aware of My presence.... and thus live a life in and with Me.... Everything you experience shall only contribute towards you forming an inseparable bond with Me, and then nothing will frighten or worry you again, for the awareness of My constant nearness gives you strength and security in everything you undertake.... And your will shall be My will because you utterly submit yourselves to My will and therefore can only want, think and act as is good before My eyes.... Amen

God's constant care for the human being....

How often do I come close to you humans, how often do I speak to you, how often do I pull you back from danger and offer you My guidance on your path of life.... But rarely do you recognise Me. My obvious guidance is regarded by you as mere coincidence and My Words do not reach your hearts, you are unable to recognise Me because you have set your sights beyond Me towards the world. Yet My care pursues you. And even if you live within in the midst of worldly commotion I will nevertheless not leave your side, I will just wait for the moment when you notice Me so that you voluntarily place yourselves under My protection.... so that, amid the joys of the world, you still feel your hardship and look for the One Who pursues you and Who can help you. I will not stop revealing Myself to people.... Even if success is very slight, if it is scarcely perceptible.... I take notice of the faintest willingness to approach Me, and then I will never ever leave his side again....

My love motivates Me into not abandoning you, even if you spend your earthly life in utmost indifference and don't try to find a bond with Me. Yet I do not force your willingness to hear Me, and this is why My Words are so soft and unobtrusive that you can easily not hear them if you don't take any notice of Me. They don't sound as loud as the voice of the world which therefore finds your full attention. And because your will shall turn to Me of its own accord I will never show Myself conspicuously but neither will I leave you without small contacts, I gently push you onto paths where you, lonely and weak, look around for help in order to then be able to emerge and offer My help to you.... I do not exclude anyone of you humans as long as he has not yet found and recognised Me, and since there is not much time left until the end people will have to cover shorter paths and these are far more arduous and laborious, because I want them to need and request My guidance.

Strokes of fate will increase; people will still have to endure much adversity and misery because they are further removed from Me than ever, even if I pursue them wherever they go.... Until the end of their life I will not abandon them, and My blows will become ever more severe in order to shake them out of their indifference, yet their reactions are not determined by Me, nevertheless, one day they will determine their fate in the spiritual kingdom.... For their will is and shall remain free, and even My greater than great love does not determine a resolve which chooses death although it would have been able to acquire eternal life.... Amen

Bond with God

Contact with God.... Influx of strength....

Take advantage of every opportunity to make contact with Me through prayer and loving activity and you will never lack in strength.... Whatever life situation you find yourselves in, you will always and forever need My influx of strength and you become receptive to it through heartfelt prayer. And if you do loving deeds My strength will likewise flow to you, for then you will draw Me Myself to you, since I Am Love Itself. And thus you need not fear anything, neither weakness nor loneliness, as long as you are lovingly active and pray.... as long as your prayer rises up to Me from your heart, for then I will hear you and grant your wishes, as I have promised. Believe and trust when you pray, then the fulfilment of your prayer will be certain.... My will directs your destiny according to your faith, and My will is at all times able to banish hardship and suffering. But My love always considers My Own in an obvious way, so that they will recognise their Father when He expresses Himself. And I number all those as My Own who approach Me in prayer, who use every quiet hour to communicate with Me, who often send their thoughts to Me, who look for Me of their own accord and whose hearts love and yearn for My presence.... I will always give My assistance to them, so that their faith becomes strong, so that they ever more tangibly become aware of My strength and they recognise Me in every happening on their path of life. To remain in constant contact with Me ensures them My protection and My help at all times. For their connection with Me also relieves them from the spiritual hardship, because it enables My spirit to work in them. And My spirit guides them correctly, My spirit shows them every path, every Word and every action, and thus every person who is in constant contact with Me can travel his course of life without worry, for I will take him by his hand and guide him.... And his path will be blessed.... Amen

Bond with God....

So regardless of the situation you find yourselves in, you will always be able to establish a bond with Me, for I will always penetrate your thoughts, time and again I will knock at the door of your heart, be it from within or from without, so that through discussions or reading you can take the path to Me if only you are of good will, that is, if it does not turn away from Me. And therefore no-one will be able to claim that he had not been touched by My hand, that he had not been guided to Me, that he lacked the 'grace' which I promised all human beings. No-one will be able to say that I did **not** speak to him, that he has never had the opportunity to get to know Me and that he therefore cannot be held to account. But whether people open their ears, whether they allow My voice to penetrate their heart, whether they are willing to turn to Me Myself directly, to call upon Me for help, for spiritual enlightenment, for strength and grace, is entirely up to them, but it is completely unrelated to their circumstances of life or their destiny, otherwise only few people would attain beatitude. You can always take the path to Me, for I allow Myself to be found by everyone who looks for Me.... I cross everyone's path, often remaining unnoticed if the person is still too enslaved by My adversary, and yet I do not abandon him but instead approach him whenever the opportunity presents itself. Nevertheless, you have free will, consequently, I cannot do anything but guide your life such that you will be urged to turn to the One for help Who is more powerful than you. And once you have found faith in this powerful One you will not let go of Him again either, then He will constantly come closer to you the more you seek the bond with Him, and thus you will have been won for eternity. And once you have established a heartfelt bond with Me, you will also be able to hear My voice when you hear or read My Word and recognise it as the Father's voice. Then the bond will be richly blessed, for once the Father can speak with His child, the child will fulfil the Father's will and live as is needed in order to attain perfection, to attain maturity of soul.... In that case the human being will certainly reach his goal and perfect himself while he is still on earth, as a child he will find unification with the Father and at his departure be able to enter My kingdom of peace and happiness and bliss.... He will take possession again of the kingdom which is his true home, he will enter into the Father's house, he will have come home to the Father from Whom he once originated.... Amen

Accept your fate without complaining!

Time of trials.... Jesus, the bearer of the cross....

If God puts you to the test, humbly accept His trials and faithfully wait for His help.... For the suffering and trials will not end until the last day has come. It is still necessary to purify and to reform souls until their physical death or to gain souls which still stand apart from God's love. And the time left until the end of the old earth is only short. Hence, it needs to be used in every way. Only adversity and afflictions of the body will still bring the soul's transformation about. And these adversities will also affect those people who strive towards God. Yet they, too, can gain the greatest blessings from these adversities if they are recognised as means used by God's love in order to reduce the distance between Himself and people within a short time, so as to enable the soul to receive God's illumination of love directly, which signifies eternal life for the soul. Endure your destiny without complaining, for it is determined by God's love for your soul's speedier maturing. And know that He will never leave you without the strength to pass the tests; know that He will always help you carry your cross if you, in faith of the divine Redeemer, appeal to Him for it. Know that all adversity will come to an end when you leave the earthly valley in order to enter the spiritual kingdom. It is only a short time of trial, nevertheless it is a blessing for you if you recognise divine will therein and don't grumble and complain. That which has been destined for you since eternity serves you, who believe, to benefit your soul, or to transform those of you who are still distant from God. Therefore bow down to divine will and carry your small cross, and if you deem it to be heavy let yourselves be helped by Jesus, the bearer of the cross, Who took the crucifixion upon Himself for the sake of your adversity and Who suffered on your behalf out of greater than great love. Call upon Him and His help will be assured to you. His love is always on hand for you, and your earthly adversity will be endurable, you will overcome the trials and stand firm in faith. The whole of humanity needs the adversities and sufferings, and therefore God pours them upon the earth in order to gain its inhabitants for the spiritual kingdom. And even if His Own must suffer too, they nevertheless still attain even greater perfection, and they will be eternally thankful to their Creator and Provider, their Father of eternity, Who, in His love, uses the right means to shape their souls into bearers of light while they are still on earth. And therefore don't despair and don't let yourselves be disheartened by the adversities of the time.... The end is near and with it the time of your deliverance and your entry into the spiritual kingdom, where all suffering comes to an end.... Amen

Destiny.... Submission to God's will....

That which is granted to you according to divine will of eternity has to be accepted by you, and its blessing for you depends on how you cope with it. If you submit yourselves to divine will, you will accept your fate without grumbling and complaining, for then you will have faith in God's love and omnipotence and expect His help without doubting. And then God will certainly help you.... If, however, you inwardly rebel against God's divine providence, if you sullenly complain and try to defend yourselves, the weight will burden you even more, or you will receive help from below, you will be supported by the one who wants to gain you for himself in order to corrupt you. For with those who still carry too much of their own will and do not yet acknowledge God's will, he will be preaching to the converted, he will be listened to and will win over the soul. Every person's destiny is according to his own will, and the reason as to why the same destiny causes more suffering in one person than another is because he lacks submission to God's will. And in order to save the soul which is rebelling against God, the adversity must affect it harder until it realises that a higher will is taking effect and it unconditionally subjects itself to the latter. And thus you humans need never believe that you can make your earthly fate easier for yourselves by taking this or that precaution.... You can certainly alter your course of life by using your own will but never its difficulties, for the gravity of events approaching you depends on how your soul needs it, and you must take your measure of suffering upon yourselves regardless of which path you are taking.... you cannot escape your destiny, because it has been determined for eternity. Only your submission of will shall make it bearable for you, for then it will have served its purpose, and you will no longer need such painful means, instead, you can live an easier life until its end. Therefore, don't rebel against God's will, recognise God's will in everything that comes upon you, don't complain and grumble but humbly bear what you are sent by God and He will take it away from you again as soon as you yield to His will. And firmly believe that He can always help you, and the strength of faith will banish every disaster.... God only wants to win you over to Himself and not lose you to the one who is His adversary, who has completely turned his will from Him and aims to push His living creations away from Him as well by inciting their will to likewise rebel against God. Therefore, don't fall prey to the one who wants to corrupt you but recognise God as your Lord and submit yourselves to Him.... and even the harshest destiny will be a blessing for you.... Amen

Patiently bearing the cross....

Every person receives the cross he needs to help him attain full maturity of soul.... But it is truly not My will that you should be burdened too much, nevertheless, its weight corresponds to your free will. You can make it more difficult for yourselves if you oppose My will or easier as soon as you follow it. As soon as you carry your cross patiently, its weight will begin to seem less; if, however, you rebel against it, it will seem even more of a burden to you. Taking the path of the cross on earth is necessary for your soul until it's willingness to love no longer lets it feel suffering.... until it is even grateful for the small cross I have imposed on it and which it recognises as a Godsend and thus carries it patiently and without complaining.... Keep in mind that I Am aware of everything that burdens you, hence I also know what is appropriate for your soul's maturing.... And humbly accept that which is yet to come upon you and which must come upon you because the end is approaching and only little time remains left for your soul's perfection.... Bear your cross humbly, for it is an assured path towards ascent, and you can ease your own burden if you entrust yourselves to Jesus, the bearer of the cross, and appeal to Him for support.... Whatever I impose upon you is not so heavy that you will break down under it.... For I do not burden anyone with more than he can carry, but whether he wants to endure it determines how heavy he deems his cross to be.... The end is near, and that means that every human being's life comes to an end when the last day has come. But many are still far behind in their maturity of soul, and yet they can still reach perfection in a short time if only they seriously want it.... Their souls can still be purified through suffering and hardship, and everyone is offered this opportunity where there is the slightest prospect that it will be successful.... And I take their destiny into My hand and through suffering and sorrow lead them to the goal as long as they merely allow themselves to be led.... as long as they don't offer resistance, thus rebelling against their fate and distancing themselves from Me even further.... Bear your cross with patience, all of you, for it is simply the means used by My love in order to help you, in order to protect you from death, in order to be able to bestow life upon you.... Gratefully accept everything as coming from My hand, for nothing happens without My will, without My permission, and everything that is imposed upon you shall merely lead you to the One Who can help you.... Everything shall lead you to Me, I Am your Father of eternity and thus will also help My children as a Father in every adversity.... Amen

B.D. 6993

God's ways are not always people's ways....

Your ways are not always My ways.... You often don't know the goal when you start a journey but I know where your way is leading to and often gently push you into a different direction. And if you give in to My urging you will also safely reach the right goal. But often your resistance is too great, your own will is stronger, and you take no notice of the gentle urges which originate from Me. Then I will have to let you go because I won't forcibly break your will. And then you will be in danger of losing the connection with Me, because it will not yet be tied firm enough and you will not have yet completely submitted yourselves to My guidance.

But you should not be surprised that your plans will often get shattered, that your intentions won't succeed, that the way you take will become difficult for you. All these are gentle indications that it is not the right way, and even then you could still stop short and diverge from this path and get onto the right track that promises greater success.... not in the earthly-material sense but which guarantees you **spiritual** success. My guidance is only guaranteed if your thoughts aim into My direction, and then you will also realise that every way was right, that you made progress even if you, at first, resisted taking these ways. But if you are purely earthly-minded you will surely walk into the wrong direction and should only ever be grateful if you are clearly prevented from continuing on this path. Yet the more worldly-minded a person is, the more eagerly he will try to overcome obstacles, he often pulls down all barriers, that is, he doesn't question whether what he does is right, and only tries to reach his goal which, however, is only a worldly directed one. And I must let such people have their own way, for their will is still too firmly focussed on My adversary to bow down to **My** will. But you humans will attain far greater benefits if you entrust yourselves to My leadership and then always let yourselves be guided without inner resistance....

A father has an overview of where his child is going and what dangers lie in wait for it and, in his love, tries to guide the child onto a path which is safe to take and will lead to the right goal. And like a good father I, too, Am concerned for every individual person's destiny and want his earthly path to become a blessing for him. But the human being often turns his attention into the wrong direction in the hope of finding something there which, however, will be detrimental for him. Although he retains his free will, his earthly way of life can nevertheless be directed by providence other than by that which he wishes for and wants, yet always for the benefit of his soul. Still, as long as the person complains and inwardly rebels against his destiny, this blessing will be small. Only when he surrenders in the realisation that it is determined by a higher will and that it is wrong to fight against it will he achieve a benefit for his soul. And the human being will often be able to observe such fated interventions by Me which should always make him think....

There is only One Who determines the human being's course of life, and he should learn to recognise His ways as good and right, he should always humbly bow down to his fate and know that a loving father is concerned for His child's well-being and that everything, even what is apparently unfavourable, is a blessing for the person if he does not offer resistance, if he lets himself be guided and also accepts events which the Father recognises to be right for His child and thus applies. And he should yield to every inner impulse urging him to act differently, for such inner stirrings are always My gentle voice by which I attract and call the child onto a different way, onto the way which will truly bear results and lead to the goal, to the right goal, to the purpose of his earthly life.

The human being's will often differs from My will, and thus his ways are not always My ways either.... But he will always have My love, and this only wants to save him, it wants to win him over for itself, and therefore it will also always guide the person such as is good for him, yet even My love will not force his will, for this is and remains free, because the human being shall completely freely decide in favour of his eternal Father.... Amen

Destiny.... 'Father, Your will be done....'

Every individual person's course of life is predetermined and has to be taken without grumbling and complaining if it is to have a favourable effect on the soul. But strong trust in God has to be present too, then every destiny can easily be endured, for it is shaped by God alone according to His will, only He is able to change every situation in life, He is able to change joy into grief but also suffering into joy if he is approached in heartfelt prayer, and He will do so if the human being in childlike trust tells Him of his problems and commends himself to His grace.

A long path has to be travelled from the abyss to the pinnacle, and this path cannot always be even or it would not lead to ascent. Obstacles have to be overcome, mountains have to be climbed, for the goal is up above and every progress is arduous without the assistance of the right guide. And as long as you humans walk with God Himself by your side as your guide, as long as you entrust yourselves to His guidance, you will not travel the path in vain, He will lead you upwards, and with His help you will be able to overcome every obstacle. And the steeper the path the shorter it will be and the higher you can climb; but when you have reached the pinnacle you will be able to look back and be grateful to your Guide Who enabled you to reach the goal, and every adversity will be over.

The more difficult a destiny, the higher the goals set for you and the brighter the light will shine, and all abysmal darkness will be defeated. God, however, is able to make even the steepest path of ascent seem smooth to you if you hand yourselves over to Him as His children, if you accept every sorrowful event, if you always pray 'Father, Your will be done....' Then He will not let you suffer, even in greatest adversity He will calm your soul and give you peace, He will powerfully work in you Himself and nothing will seem difficult and yet you continue to progress, for your will, your submission to His will, lets you partake of His strength, you will not consider anything a burden to you and always gladly and cheerfully cover your earthly path until the loving Father's hand takes hold of you and takes you into the Father's house, until you have reached the goal and return to the eternal home, into the land of light where no sorrow, no suffering nor adversity exist but only eternal blissfulness.... Amen
