Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

By that time she had received 9030 proclamations from the Lord which are intended to bring us enlightenment, comfort and help.

God's end-time revelation....

You are approaching the end.... And therefore I reveal Myself to you so as not to leave you in ignorance of what this end will mean for you. I reveal Myself so that you will prepare yourselves, so that you will live in the right way and need not fear an end. You humans don't believe in an end and reject all admonitions and warnings which you receive on account of My revelations.... You ridicule and laugh at those who proclaim the near end to you, you deem yourselves knowledgeable and feel superior to the knowledge which is imparted to a person in an unusual way. You are spiritually blind and unable to see anything, and yet you don't believe those who have vision and therefore tell you in which hour you live.... And it will be as in the time of Noah when I also announced the near judgment to people and found no belief, when the proclaimers of the judgment only reaped scorn and ridicule until the day arrived when My proclamations came to pass, until the day arrived when the scorners fell prey to the judgment.... And once again it will be like this, again the Judgment has been announced a long time in advance, and it will be proclaimed time and time again, yet the last day for this earth and all its inhabitants will come suddenly and unexpectedly, for My Word is truth and it will come true when the time is right. But who believes that people live in the midst of this time, that they will only have a short time left until the end.... Who believes that they are facing a change for the worse, something which no-one on this earth has ever experienced?.... Who allows himself to be impressed by divine revelations, by predictions concerning the near end? Which one of you humans is consciously expecting the end and preparing himself for it?

There are only a few who believe that which was proclaimed by seers and prophets, and these few only reap scorn and ridicule if they profess their belief in it and also try to inform their fellow human beings.... few people listen to My voice and live their life such that they are not afraid of the end but rather feel pleased in view of the blissful time which will follow the end of this earth. However, I want to increase their number, I would like many more to realise that the time has been fulfilled.... I also would like to reveal Myself to those who are without knowledge.... Yet their will is defying Me and I will not compel anyone.... Therefore I content Myself with those who believe My Words and stand up for them, and I will grant them great power of speech.... I will let them speak in My place and although they, too, will have little success, although their words, too, will not be taken seriously, the world will nevertheless take notice of the proclamations of the near end.... There will be no shortage of indications and all over the world an end will be spoken of, but it will only ever affect a few such that they will believe and prepare themselves for it. And I will support those who have accepted the task of spreading enlightenment. I will bless all efforts which aim to distribute that which is conveyed to you humans in the form of revelations.... And the information of the forthcoming end will reach far and wide.... However, My revelations will prove themselves to be true faster than you suspect. For people will experience days of terror and thereby the truth of My Word will be pointed out to them.... And then they will still have sufficient time to prepare themselves for the end which irrevocably will follow these days of terror within a very short time.... And regardless of whether you, who spread My revelations, find credence or not.... don't stop proclaiming the forthcoming event; warn and admonish your fellow human beings and convey My revelations to them.... Proclaim to them the imminent Judgment which will affect everyone, even if they don't believe your words.... Amen

Humanity's low spiritual level

B.D. 7810

Low spiritual level...

A substantial spiritual decline is noticeable amongst humanity. And this will manifest itself ever more distinctly the closer it gets to the end. For people consider their God and Creator increasingly less, the concept of faith is becoming ever more unreal to them, they are reflecting ever less often about the meaning and purpose of their earthly life and are therefore also increasingly less willing to acknowledge a **spiritual** kingdom, because they only live for this earthly kingdom and content themselves with what the world has to offer. Hence, they live on earth completely without purpose; they don't use this last short time of their existence on this earth for their spiritual development and so they make the whole path of preliminary development pointless too, because they will descend into the deepest abyss again when the end of this earth has come, because even in the kingdom of the beyond they would hardly achieve progress since they are and will remain thoroughly unenlightened. And since the majority of people are in this spiritual state, no change is to be expected on this earth and God will have to implement a change so that the path of higher development can be continued by the spiritual substances which are still bound in the works of creation on earth, which have not reached the stage of human beings yet. For their further development will also be at risk once the human race has become totally unspiritual and, in its ignorance, will often even take the opportunity to progress away from these spirits. Consequently, this state amongst humanity provides the reason for a total spiritual and earthly change, which you humans are facing. Were you to live according to lawful order, then spiritual progress would be guaranteed for all spiritual beings, which, partly constrained, partly in freedom, live on earth. But then there would not be such a low spiritual level that people would walk about completely without faith and do nothing at all for their soul which, in the state of a human being, should mature fully in order to enter the spiritual kingdom as a free being in light and strength....

People have handed themselves over to God's adversary, they are enslaved and only comply with his will, and that means that they exist entirely without love, that they are spiritually unenlightened and don't use their earthly life to spiritualise their soul. And therefore this state has to be brought to an end, order has to be restored once more so that the earth will become a school for the spiritual being again which, embodied as a human being, goes through the last stage of its development. And the adversary's activity will have to be brought to an end by God.... This is therefore the reason why you humans are approaching the end of this earth, and it will be pointed out to you time after time so that you will still change after all and become aware of your actual purpose of life. Without God you will go astray and will have to languish for an endless length of time once again at this distance from God, which only signifies profound wretchedness for the spiritual being which once originated from God.... You ought to still look for God as long as you have the opportunity on earth, and He will certainly allow Himself to be found by you. And you need only once seriously dwell on yourselves; you only need the will not to have lived your earthly life in vain.... And thoughts will surely arise in you which will provide you with a small light. Yet you cannot attain beatitude against your will, against your will you cannot become enlightened.... And if your hearts are hardened then you cannot be spared the renewed banishment, which is the fate of all of those who do not believe in a God and Creator, to Whom they owe their earthly life and to Whom all power is given in Heaven and on Earth.... Then they will approach their downfall with certainty, for the time will quickly come to an end, the earth will soon be shaped anew so that it will fulfil its purpose again: to help the spiritual beings attain full maturity, as is their destiny.... Amen

Spiritual low level.... Lovelessness.... Selfish love....

The greatest evidence of humanity's spiritual low level is lovelessness, which is evident amongst people everywhere. Selfish love has steadily increased and hardly anyone is practicing neighbourly love anymore, hence there also has to be a profane state on earth, a state of activity by evil forces, where God's adversary always has the upper hand and people are his willing subjects. The spiritual darkness is getting increasingly worse, rays of light are only seldom recognisable and even frequently feigned by deceptive lights without strength of radiance.... Judging by people's degree of love the time of the end has clearly arrived....

An obvious decline can be detected, people are firmly attached to matter, they only value their body and its comfort, earthly success and an increase of earthly commodities. They do not believe the fact that their souls are suffering extreme hardship since they do not believe in the soul's life after death, indeed, they frequently even deny having a soul. They cannot be forced into a different mode of thinking, their free will has to be respected, but accordingly they also prepare their own fate after their death.

And anyone who observes what is happening in the world, in his immediate neighbourhood, also knows that this state cannot continue forever because it is getting worse from day to day, because people's greed for matter continues to grow, because no spiritual aspiration can be noticed and because every situation will eventually come to an end if it does not correspond to divine order.

People no longer serve each other, everyone wants to rule instead and **be** served at the same time, everyone wants from the other what he enjoys but no-one is willing to do the same in return.... There is no love, people's hearts are hardened, and there are only ever a few people willing to help in times of need.... And this is the small flock, for once the will to love becomes active it will establish the bond with Eternal Love. And This will not leave a person again, who voluntarily performs labours of love.

You humans do not know the blessings of loving deeds.... you do not know how much easier you could travel your earthly path if only you would practice love and thereby receive consistently more for your soul, but also receive what you need for earthly life. But heartless humanity lacks this knowledge, everyone just looks after himself, and everyone tries to get whatever he can out of life and forgets that his hour of death is unknown to him, that he can pass away at any time and take nothing he owns into the beyond, but that he will arrive bare and miserable on the other side. For he has nothing to show for his soul which he had starved in earthly life but which is all he has left now and which enters the spiritual kingdom in desperate poverty. And this heartless state of people cannot result in the slightest spiritual progress. However, since the soul only lives on earth as a human being for the purpose of maturing, but this purpose is not fulfilled, a powerful intervention by God has to take place, a sharp reprimand and reminder, so that a few people will reconsider the purpose of their earthly life and change themselves before the earth's last stage begins which will not last long until the end.

People take no notice of God's gentle voice through strokes of fate, disasters and all kinds of accidents, through the Word of God from above, and thus they have to be spoken to with a louder voice, and blessed, who wants to hear God's voice and takes it to heart, for even then there will be many people who don't want to recognise Him when he speaks to them through the elements of nature with tremendous strength.... They, too, will not be forced but able to make a decision of free will, nevertheless they will be spared the worst, the recurrent banishment into hard matter, if they still find and take the path to God, if they still acknowledge Him and call upon Him for mercy....

But then the end will have come, for the earth will no longer fulfil its purpose, it will no longer be used by the souls as a place to mature, it will merely be utilized for the body, and everyone will elevate himself to a ruler of the world and cause the greatest destructions himself in the belief to control all laws of nature and thus also to experiment with impunity, which then will lead to the final destruction of earth.

But this is what people themselves want, and thus it will come to pass as it is proclaimed in Word and Scripture: a new heaven and a new earth will arise and divine order will be re-established, so that the return of the souls to God can continue, as it is intended in His eternal plan of Salvation.... Amen

The end is approaching

Reference to the end....

You only have a short period of time left.... Time and again I say this to you because you are of weak faith and don't want to believe that you are living in the last days and that My warnings and admonitions are therefore meant for you. But you should believe it, for it depends on your faith how you use this final time for your soul and its progress. Whatever you do without faith is only done for the world; but this will pass away and all your efforts will be in vain, all commodities will disintegrate and nothing will stay behind which will be useful to you in eternity. You will only keep that which is not of this world; only the spiritual treasures you gathered will remain with you. If you, therefore, believe in a speedy end, then you will no longer create and work for this world, for the body and its requirements, but you will first take care to improve the state of your soul, and thus you will work for your eternal life. The world stops you from doing this work, the world tries to captivate you with earthly pleasure and all kinds of enticements. And fulfilment of earthly wishes always results in a slackening of spiritual work, thus the loss of everlasting spiritual treasures.

For this reason I caution you against the world.... Don't take more notice of it than is necessary for your earthly life; don't seek it but avoid it wherever possible; don't ascribe any value to it other than that it is the necessary means for your maturation on Earth, and don't let it triumph over you but strive to rise high above the earth. And you will be able to do so once you allow the belief of the near end to come alive in you. Know that I Myself Am talking to you, your God and Father of eternity, and know, that every Word is truth because I tell you so. And therefore, only take care of today and don't worry what will happen tomorrow, for you worry about useless things and should only take your spiritual maturing and spiritual preparation for eternity seriously. You should always let this be your first concern, then you will not need to fear an end, you will await it calmly and collected and be prepared for My coming at the end of the time which you are still granted to release yourselves from Satan's shackles.... Amen

B.D. 6059

The time of the end is imminent....

The end has certainly been announced to you by Me as being imminent, yet you don't know the day and hour, and therefore even you, My believers, are not diligent enough in your work of improving your soul, for you, too, still reckon that it will still take a while until My announcements will come to pass.... Even you don't expect the end so quickly, otherwise you truly wouldn't think your earthly affairs so important anymore.... otherwise you would live as if you anticipated something extraordinary to happen for which you must to prepare yourselves and act accordingly. Admittedly, until the end you should fulfil the tasks which your earthly field of duty demands of you, nevertheless, the care of your souls should come first and the thought that tomorrow you might already be relieved from every earthly worry, that tomorrow you might be judged according to your soul's maturity, should impel you to work eagerly, for time and again I say to you: The day will come sooner than you think.... but until the end you will count on a postponement or a delay because the idea of a sudden end is inconceivable to you....

And for this reason you, too, will be taken by surprise although you don't disbelieve My announcements. Your fellow human beings, however, don't believe at all, hence they will never believe that the time is very near.... but you should therefore be twice as diligent in your work of improving yourselves, for you will still be able to help a few people to attain faith before the end if your own faith is unshakable so that you, by virtue of your faith, can overcome conflicts which are inevitable due to the near end.... The more you accept the thought that the last day will strike very quickly the calmer you will also deal with earthly affairs, with all kinds of failures and worries, because you will realise that they are necessary and regard the state of your soul as more important.... And don't let yourselves be misled by the apparent calm.... no person will be able to enjoy it for long, for suddenly everything will change, and all of a sudden global affairs will also take an alarming turn, and then the end will be approaching with giant strides, and good for him who has prepared himself for this, who takes My Words seriously and lives as if only a few more days are granted to him.... For he will not be surprised that everything will come to pass as I have announced long in advance.... Amen

Great events are often foreshadowed

B.D. 5712

30.6.1953

Sudden end even for the believers....

The hour of the end will come unexpectedly for many of those who know of it, for they, too, still deem it far away, because the commotion in the world does not yet reveal any decline, because the signs of the end are not yet obvious enough, even if they certainly consider it possible that they are living in the end time. And even My believers are as yet unable to seriously get used to the idea that they will live to see the end, for they are still firmly down to earth themselves, they see their fellow human beings constantly bustling with activity and the spiritual knowledge seems almost unreal to them in view of worldly people's aspirations, in view of the earthly progress and people's future hopes and expectations. Hence they, too, will be taken by surprise and realise that the apparently unreal is becoming reality and that people's hopes will be shattered. The end will come like a thief in the night.... yet it announces itself in advance, it casts its shadows, prior to it something will happen on a smaller scale, a natural disaster of immense proportions will announce itself and this will be the last admonition, the final indication of the end.... And although you humans doubt or refuse to believe it.... My plan of eternity is definite, and everything in the universe happens according to this plan. The end will arrive suddenly, because My admonitions and warnings are being ignored, which are truly constantly sent to humanity so that they will not experience the end unprepared. And the only reason for My announcements is to make sure that people will prepare themselves for it, that they consider the end and start the work of improving their soul, that they will live according to their short physical life which can nevertheless lead to the soul's maturity.

It is My will that all My admonitions and warnings shall be distributed, I want people to be informed of it, just as it is My will that the day of Judgment and the fate of those who have deserted Me shall be bluntly presented to them, for people can achieve their own deliverance, the end need not signify the hour of terror for them, they can also calmly look forward to the end if they comply with what is lovingly recommended to them, if they prepare themselves, that is, if they still live on earth according to My will until the last hour has come. Although they are indeed unable to postpone this hour they can nevertheless await it consciously because it signifies the end of suffering for those who have found Me and will only harshly affect people who have renounced Me and therefore are no longer entitled to inhabit the earth which is only intended to help the soul attain maturity.... The end will come as certain as night will follow the day.... the day was determined an eternity ago yet you don't know when it will come.... However, you should believe that everything I announced and continue to announce through seers and prophets will come true, that the day is close at hand for you, that it will take all of you by surprise and that you therefore should consider every day as the last one in order to live consciously and to work at improving yourselves. Then you will never again need to fear the end but look forward to it with complete trust in My coming, which will deliver those of you who believe from greatest adversity.... Amen

The final powerful work of destruction.... II.

Great events cast their shadows before them.... And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth.... with the difference that the previous divinely intended natural disasters will horrify people, whereas the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves.... on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which emerged through God's will.... You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer.... And every frightful event is intended to wake you up, for you are truly sleep walking, you don't see and realise anything because you don't **want** to see or realise anything. You are in grave danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing changes in their way of life, in their attitude towards God, for He is distant to them and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to withstand the adversary's demands to renounce their faith.... For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end.... But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again....

By way of destruction through the forces of nature they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences.... And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion.... Whatever it takes will still be done on the part of God which could result in some success.... Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed.... but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained.... Even so, you are told in advance that you will repeatedly be shaken up, you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognise it. Observe the cosmic events and heed world events.... And know that there are no coincidences in earthly life, that everything is determined or permitted by God's will because He also knows the results of what He sends upon earth and humankind. For He holds the reins and knows how to steer them according to divine wisdom.

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events.... Listen to His soft voice and don't let anything pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned.... And believe that you don't have much time left until the end and that everything will come to pass as it is written.... that the old earth will pass away and a new one will arise.... For the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity.... Amen

Forthcoming worldly events

Sign of the near end: spiritual decline.... Apparent state of peace....

A sure sign of the approaching end is the spiritual decline amongst people. Only rarely will you find people whose soul's spiritual development is most important. Time and again you will be able to notice that people's thinking and activity are purely determined by the earthly world, that their thoughts and intentions solely apply to material commodities and that they lack all desire for spiritual knowledge. And once you recognise this you will also have to admit that My intervention will be necessary, or you don't believe in Me and the correlation between Me and My living creations. But again I draw your attention to the fact that the philosophy of life will change sooner than you think.... The commotion of the world will even let My Own occasionally question the truth of the announcements; they certainly want to believe yet worldly people and their opinion make them waver. However, I will protect them from falling away from Me.... I will appear unexpectedly and provide the evidence of proof to those who are dear to Me due to their will but who are still weak of faith. But since the world has no connection with the spiritual kingdom, since the degeneration amongst people is becoming ever more evident and the small circle of My Own will very soon be isolated from the world and its attitude to life will only be met with ridicule and contempt, the worldly event will help to fortify the faith of My Own, while worldly people will start to take notice if they, due to My love and grace, had been informed of My announcements of the near end through you, My servants.

I Myself will speak where your voice is being ignored. But you, who want to be My Own, continue to strengthen your faith ever more.... Withdraw from the world so that it cannot influence you; live quietly for yourselves and be of service to Me in Word and action; work in seclusion so that the world will not pursue you if it can be avoided. Time presses towards the end and every person's destiny is determined by his will. Don't deceive yourselves by the apparent state of peace, it is not a permanent condition but very soon will start to get cloudy and suddenly turn into a battle of immense importance.... Everything will be in uproar, the powers will fight each other earthly and spiritually and necessitate My intervention. Then a few people will still attain realisation and join the circle of My Own. And they all have My promise that I will help and protect them during the last days before the end. I will be with all who want to be with Me, and they will be aware of My presence and therefore be strong of faith, so that even in the fiercest battle they will persevere and remain faithful to Me until the end.... Amen

Calm before the storm.... Illusion of peace....

And even if it seems to you as if you are approaching a period of peace, you should not let yourselves be deceived.... it is only the calm before the storm and sooner than you think there will be changes in the face of those who speak of peace but start to throw the torch amongst the nations of this earth. The lull is dangerous for you because you get drowsy and in this state only value your earthly existence.... Therefore, I will continue to disturb people from their tranquillity in order to keep them awake. And thus much more will happen still, time and again people's attention will be drawn to accidents and disasters of all kinds. In addition to the apparent progress and earthly prosperity people will also have to take part in such events where human strength does not suffice to avoid them. They should learn to realise that no-one is safe from such blows of fate, no matter how secure his earthly life appears to be.

Do not be fooled by the world situation which seems to calm down, for they are all deceptive machinations, and you might get a rude awakening if you trust this calm and ignore every caution that points to the end. The change will come suddenly, and then you all should be prepared and thus **believe** that the turning point will come. You will be able to observe many signs of the last days, but at the same time My adversary will throw sand into your eyes too.... For he does not want you to believe in an end, to take serious stock of yourselves and change. For this reason he also influences **his** servants to make people believe that they are approaching a new, glorious future in peace and joy. And he succeeds, for people will always rather believe what they can observe themselves than what is proclaimed to them from the spiritual kingdom. In any case, they rather **want** to believe in a beautiful and happy future for themselves in an earthly sense than in an end of this earth.

But I will not stop warning and cautioning you, for it does not merely concern the few years of your earthly life but it concerns **eternity**.... And My admonitions will become increasingly more urgent the more an evident 'calm' spreads across the earth.... the more people accept a seemingly peaceful existence and forget their good intentions, which they might perhaps have already taken due to the constant references to the approaching end. By using the world My adversary will once more extend his tentacles to people, and it requires a strong faith not to fall prey to his power.

For this reason I will draw your attention time and again to what still awaits you.... Don't let yourselves be deceived.... My Word is truth and will come to pass, and My Word tells you of an approaching end, which is preceded by a distinct intervention by Me, a natural disaster on an huge scale.... And this catastrophe will surprise the believers of peace, and even then they could still turn around and take the short path until the end in constant striving for perfection....

But this catastrophe will cost untold human lives And how do you know whether you are not amongst them? Whether it is not already too late for you, who live indifferently and with future hope and allowed yourselves to be dazzled by the prince of this world? Therefore you should always remember My Word when you hear about people's sudden death, about misfortunes and all kinds of human suffering. I thereby want to remind you **all** of a sudden end, I want to turn your attention to the Power Which can destroy everything you fabricate, and Which can ruin all your plans.... Unite yourselves more with this Power.... find the path to Me, entrust yourselves to Me and appeal to Me for right guidance, for protection and mercy, and believe that there is only peace in unity with Me.... that you will be deceived when **earthly** peace is promised to you. For humanity no longer lives such that it can have a peaceful earthly existence, it no longer strives for spiritual development and therefore has also lost the right to live on this earth....
Amen

Death of a worldly ruler.... Turn of events....

When you hear of the death of a worldly ruler you have arrived at the point you can call the beginning of the end. Then the world will turn into a place of fire, flames will blaze high, unbridled hatred will rage and humanity will be gripped by horror as it sees no escape from the inevitable peril.

And then I will urge you to speak, for whilst everything is in uproar great calm will take hold of you as you clearly realise that the time of My appearance is drawing near, and thus you proclaim it to those who will listen to you. People see themselves surrounded by enemies on all fronts and are therefore without hope for a peaceful solution. Hence those without faith in the only One Who can help will suffer immense fear.

Consequently they will only focus on world events.... People will anxiously attempt to provide for themselves as they see the approach of great earthly hardship; they will anxiously try to secure worldly goods and prepare for escape even though it seems hopeless to them. Only the faithful remain calm, and then I will use these to encourage their distraught fellow human beings who despair in their unbelief. I attempt to bring Myself close to them once more, I let My servants talk to them and through them I Myself speak words of love and encouragement. I warn them against escape and not just to consider their physical well being; I demonstrate the futility of their intentions and admonish them to persevere and put their fate in My hands; and thus everything takes its course....

The fire is kindled and people will not extinguish it anymore, I will put it out Myself by opposing it with other elements, by confronting those Myself who want to tear each other apart.... And My voice will sound from above.... The earth will experience a natural disaster which will tear the fighters apart; they will be faced by a power which neither can match.... The process will only take hours but it will create a completely new situation in the world, totally changed conditions and an initially uncontrollable chaos, utmost earthly hardship and unspeakable grief and adversity amongst people.

Yet you all must endure this, for the end is approaching and many opportunities for purification still need to be created since all people have a shorter lifespan now and need to mature in the shortest possible time.... The end is near and as soon as this point is reached you also can, without doubt, soon expect the last day and the Last Judgment, so that may be fulfilled what has been proclaimed in Word and Scripture.... Amen

God's powerful voice... The end of the battle....

God's voice will resound impressively and decide the fate of the nations, for God Himself will pass judgment through the forces of nature. And no-one will be able to oppose His verdict, for it will be fair and strike the people who are responsible for having caused great misery and don't want to admit their transgression. It will be an exceptionally sad event in which countless people will lose their lives, yet the event is unavoidable because people can no longer be shaken by anything that is accomplished by human will, consequently they will have to be disturbed by an event which cannot be averted or stopped by human will and which will generate enormous terror because everyone will be faced by death and has to brace himself for his demise. And this event draws ever closer, day after day passes by but humanity will not change, and God's forbearance still hesitates in order to continue granting people the opportunity of turning back before His voice resounds. Yet then worldly events will slowly come to an end because the natural disaster is in the making, because the earth's interior will be plunged into a state of turmoil and will only be waiting for God to liberate the forces of nature and allow them free reign. For people cannot stop, thus God intervenes and puts an end to it.

Appalling activities will come to a halt but the consequences will be much worse, for people will experience dreadful adversity and be at a total loss in the face of the unleashed forces of nature. They can neither escape nor impede or lessen their raging, they are at their mercy and only have one Saviour to Whom they can entrust themselves in their urgent need, to Whom they can call for help and Who has the power to help them. Yet only a few acknowledge Him, only a few feel that they are guilty and humbly await His judgment in recognition of their sinfulness. And these few will also be taken care of by God in the hours of destruction, which are sent by divine will because there is no other way of removing the spiritual adversity and the earthly hardship is constantly increased by human will. And because people will not put an end to it God will determine the end of a battle which affects the whole world. And a cry of horror will resound across earth which will paralyse people, for the magnitude of the catastrophe will make everyone pay heed and tremble in fear of a repetition. It is God's intention that the whole of humanity shall take part in it, that it shall listen to His judgment, that it shall recognise those who are guilty and God's righteousness. For every fighting party still believes itself to be in the right, only power is being valued and not the law, and God's blessing cannot rest on actions which are detestable because they oppose the divine commandment of love.... And God will punish people in the same way as they act themselves.... except that His work of destruction will be far more powerful so that they will thereby recognise Him. For even the still constrained spirits express outrage at being torn out of divine order and experience this state as painful, for although they were released through human will they are unable to enjoy their freedom since it is not the freedom of perfection, instead the spiritual substances will be deprived of the opportunity to be active and are incensed about it.

And they will work wherever the opportunity presents itself. But above all they will join other still constrained spirits and try to persuade them to also burst their shell and will help them with it. Thereby they want to force people into becoming constructively active again and provide them with the opportunity to enter new creations in order to continue their process of development. And God will not stop the spirits which will be released through human will; He will also give His consent when matter moves within the earth's interior, when the spiritual substances strive towards the light and try to burst their forms. God will briefly withdraw His will and give the spirits' will free reign which, however, due to their complete immaturity will mean a work of destruction on an enormous scale. And thus human resolve will be confronted by another will which is stronger than the former, which seemingly lacks all divine love and wisdom and finds God's full approval.... Yet humanity will not bow down to God, it will not stop its battle of annihilation, it is possessed by demons and allows itself to be driven by them, it is more and more enslaved by the evil power and proves this by its works and actions. And in order to put a stop to this decline, God's will and omnipotence steps into obvious action. He will shake the earth and with it the human race so that it may come to its senses and change. For it is the last time which can still be used for the souls. And this is why God's voice will resound powerfully, and He calls to people: Stop your raging which drags your souls into ruin; change your ways before it is too late and remember the One Who rules over heaven and earth, Who is your Creator and Provider and Whose love you trample under your feet.... Consider your end, for it is soon about to happen.... Amen

Only a short time of grace left....

Every day takes you closer to the end.... And no matter how busily you create and work for your earthly well-being, your concern will be futile, for you will be unable to enjoy the benefits of your efforts, everything you think you can buy will be taken from you again and you will only have few possessions to take with you into the spiritual kingdom when everything is over, because you will only keep the **spiritual** goods which your **soul** acquired on earth. But regardless of how often this is said to you, you don't believe in an approaching end and your efforts to attain the possession of this world increase every day and render you incapable of working at improving your soul. Yet were you able to foresee that you only have a short time of grace left, you would be alarmed at how close you are to the end.... But earthly life moves on every day, one day goes by like the other, and this is precisely what makes you question predictions of this nature.... However, from one day to the next everything will change, suddenly you will be confronted by events which will completely disrupt every individual person's life, all of you will be pulled out of your usual composure and be faced with great dangers, you will have to defer your earthly work and plans because you will simply no longer be capable of dealing with them in view of the imminent dangers caused by human will.... For nations will rise up against each other and it will only take something minor to burst into flames which will threaten to destroy everything. And then people will forget even more what their actual earthly task consists of.... But neither will they be able to continue with their work and activity, but instead only try to save themselves and their belongings, thus only consider their physical life and comfort but never their souls. And they will have to recognise that they are powerless in the face of all events which threaten to befall them. They will appeal to people's common sense and good will but to no avail....

On the human side everything will take its dreaded course, but the divine side will intervene and thereby shatter human plans; nevertheless, people will not be spared what they had anxiously feared: They will suffer the loss of all that which keeps their hearts imprisoned, they will lose everything and will be able to learn to recognise the power of God in a natural event of incredible magnitude.... For the Scriptures will fulfil themselves.... And you human are on the verge of this whether you want to believe it or not. You carelessly only ever create and work for your physical needs and will lose everything.... But you do not care to satisfy the needs of your souls.... For then you will need not fear anything even in this forthcoming time, because then you will be taken care of by the One Whom you have already accepted, otherwise you would not want to consider your soul. For this reason the forthcoming event will be mentioned to you time and again, time and again His Words will sound as an admonition and warning, and time and again the foolishness and pointlessness of your earthly striving will be brought home to you. You only need to listen to it and arrange your life accordingly, and you would be able to face the coming events calmly and without worry.... Don't be too delighted about the apparent calm and the prosperity in an earthly sense, don't stifle your conscience with earthly pleasures.... They are only illusions which will quickly fade away, for you humans will watch powerlessly as everything comes upon you and be unable to defend yourselves from it.... But it has been announced to you often enough, giving you enough time to consider it and change yourselves. The fact that you fail to do so will have a dreadful effect on you, for God's plan is irrevocably fixed and, as soon as the time has come, it will be implemented, as it has been determined since the beginning.... Amen

God's intervention will come like a thief in the night

Purpose of natural disasters....

It can be unhesitatingly stated that the earth will be afflicted by powerful natural disasters; indeed, these catastrophes should even be mentioned so that people will know that the respective events are not determined by coincidences. There is no such thing as a coincidence, everything is predetermined, and everything takes the path of higher development. And the forthcoming natural disaster will release countless beings and provide them with opportunities for new forms. At the same time, however the disasters are intended to affect people such that they will look for a connection with God. People only consider the latter very rarely now, this is why God wants to bring Himself closer to them again if only by means which cause fear and terror in people; but if events are proclaimed in advance a person will recognise the correlations and then entrust himself to the Power Which is able to help him. The forces of nature are the only means which can shake up the most unbelieving person and lead him back to faith. Yet they never last long and likewise the will to believe only lasts for as long as a person is in danger of losing his life.

However, the eternal Deity will never intervene with anyone such that a person is forced to believe.... Even in greatest physical adversity He will allow him his freedom. He certainly fights for the still imperfect souls but He does not compel them. And therefore natural disasters will also have to occur within some conformity to law, they just happen more or less violently depending on the necessity for those endangered people who lack correct realisation. And for that reason they shall be informed of the forthcoming events.... Humankind shall become utterly helpless and with childlike trust call upon God for assistance; prior to this it shall already be informed of the dreadful time it is approaching, and if it is only of weak faith all announcements will be accepted with indifference since it will most likely assume that the announced event will not happen. And yet, people will remember it if their body and soul are in peril. And this is intended, for as horrendous as the effects of a natural disaster might be it always entails a shock to human thinking and this can also have a beneficial effect on people's faith, providing they had received the knowledge beforehand. For the whole of humanity is facing a turning point of life. And blessed is he who recognises God's will in everything sent. Then he will truly not be able to behave differently than according to His will and only ever see the great adversity of his fellow human beings and look at the disaster as a means which can ease this hardship.... And this disaster is imminent.... it will come like a thief in the night.... And it will just as quickly be over again, yet the result will be inconceivable.... Amen

‘I will come like a thief in the night....’

People carelessly pay no attention to the signs of the time, nothing seems unusual to them, and they accept every happening without realising its significance. And they do not believe the proclamations about the impending natural disaster either, for they think that the time which is mentioned in the Scriptures has not yet come.... They do not accept any kind of explanation because the thought that people of the present time should be the victims is inconvenient to them. Therefore the forthcoming event cannot be made plausible to them either and they will be taken by surprise and be unprepared when the day arrives. And these are the people to whom the Lord says ‘I will come like a thief in the night....’ They will be fast asleep and will have made no preparations, and their souls will suffer serious hardship when they are recalled from earth. They will not be able to call upon God anymore because the magnitude of the disaster will deprive them of every thought.... God’s love will not let anything happen to humanity without informing them first.... And He warns them a long time in advance yet He will not force people to believe these warnings.

However, anyone who pays attention to the signs will not find it difficult to believe. And anyone who is in contact with God will also feel God’s admonition in his heart. He will become aware of the signs of the time himself and he will try to attain God’s grace, that is, he will appeal for it and commend himself to God’s mercy.... Only a short time separates you humans from this event, and you should use this time so that you can expect it with composure.... You should not entertain the thought that you are perfect and have no need of mercy, you should humbly entrust yourselves to God’s love and always believe that your last hour has come.... you should listen to the admonitions of those who, as representatives of God, bring you His Word; you should know that the hour is not far away and always be ready. And God’s love and mercy will help you during the hours of adversity. He will remember you as you remember Him.... He will spare your life if it is helpful for you, or He will remove you from the earth and grant you a better life in the beyond if you are worthy of it.... But woe to those who approach this hour unprepared and lose their life.... Their fate in the beyond will truly not be an easy one. And God wants to protect people from this by announcing the forthcoming events to them and admonishing them to turn around if their way of life does not correspond to His will. And thereby He will demonstrate the Words of the Holy Scriptures ‘I will come like a thief in the night, therefore watch and pray....’ Amen

Earthly improvement.... Worldly progress....

Do not let yourselves be deceived even if you see earthly improvements.... You should know that I do not curtail any person's will, that everyone may create and work freely and that he therefore also frequently uses the strength to do so wrongly by promoting earthly development and taking pleasure in it.... And you should know that even then spiritual attainment is still intended for the bound spiritual substance in matter, that it will reach to be of service, if only for a short time. But this should not deceive **you** who know about My plan of Salvation and who should also assuredly defend what My spirit has proclaimed to you. You should refer to the near end and to the transience of all worldly things with increased vigour, even if everything around you speaks of the opposite. You should not let yourselves be deceived, for everything will come to pass as I proclaim to you over and over again. And precisely people's increased drive to produce earthly works should also be seen as a sign of the end, where an abundance of material gain is intended which will completely dominate people's thoughts. However, spiritual aspirants will watch the development with uncertainty and doubts, it will seem impossible to them that an end should be so close while everything only testifies to development and worldly progress, a heightened enjoyment of life and with it spiritual regression.... But you should not doubt, and therefore I repeatedly remind you that I will come like a thief in the night.... When everyone is fast asleep, that is, when people rest on their laurels, when they, satisfied with themselves, slow down and drift into a certain sleep of death.... they will be rudely awakened in the middle of their souls' night. If anything, the worldly progress can far more likely be regarded by you as a definite sign of what lies ahead of you.... But you must not waver in your faith in My Word, for you shall stand up for it. That is why I enlighten you.

I do not stop people from achieving their worldly plans, and I even take part in it Myself insofar as that I temporarily allow **those** spiritual substances to be of service which are willing, so as to be able to grant them at the time of disintegration an easier external form.... And many of the constrained spirits will still be able to serve, hard matter will be disintegrated and used for helpful purposes; the will of these spirits shall be taken into account and I alone know the extent of these spiritual beings' resistance and thus support or hinder them accordingly. But the apparent worldly development and progress will also completely alienate many souls from Me and already gives reason to intervene unexpectedly.... And because people's thoughts and intentions are dominated by matter I once again will have to show them how transient it is and how little people can do themselves in order to protect what they had built.... Once again I will have to demonstrate My power and My will which cannot be resisted by anything. But time and again I also want to tell My Own that they need not doubt My Word.... that heaven and earth shall pass away, but My Words shall not pass away. You receive clarification from Me time and again; worldly people, however, keep distancing themselves from Me ever more and My Word does not affect them. They are engrossed in matter, they hoard earthly possessions, they indulge themselves in all kinds of pleasures and outwardly everything gives the impression of improved living conditions.... But the spiritual state continues to decline and draws the end ever closer.... and it will come to pass as it is proclaimed.... when no-one expects it I will let My voice be heard, and when no-one expects it the end will appear.... For My Word is and remains eternal truth, and it has announced an end and a Judgment to you.... Amen

God's intervention

Cosmic phenomena....

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time.... Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment.... And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer that the earth will be shaken to its foundations, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end.... And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end.

And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit their lack of knowledge.... And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course.... By observing its path their attention is drawn to ever new peculiarities.... And they will recognise it as a danger to earth.... and at the same time they won't want to believe in its destruction because it will never before have been experienced.... But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity.... and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion.... The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth.... And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event.... and these very phenomena will bear witness of the truth of My Word.... Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will.... The time is fulfilled and the end is near.... Amen

Sequence of the catastrophic event....

The teachers in the beyond always try to help you in the same way and seek to make you more receptive, yet your heart is not always willing to receive, creating obstacles which make the reception more difficult. Undivided attention has to be paid to the gifts of heaven and all earthly thoughts avoided, then the thoughts of the friends in the beyond will find easier access.

Divine love sends messengers to you who shall reinforce your willingness to receive. They bring you a revelation that describes in an understandable way the sequence of the catastrophes which shall decide the life and death of each individual person.

Only few people take notice of the signs of the coming time. They are indeed surprised about obvious changes or irregularities in nature but nevertheless dismiss it carelessly. They don't recognise therein an expression of God's will but merely put it down as a coincidence. And thus, to begin with they do not pay any attention to these manifestations when the natural event approaches. People will first be made aware of the advancing tempest by whirlwinds. This will happen so suddenly that men and animals will find themselves in great difficulty for they will barely be able to manage against the violent storm, and this will be the start....

Every now and then violent earth tremors will be felt and the sky will grow dark, a thunderous roar will be heard which will be so dreadful that it sends people and animals alike into panic so that they try to save themselves by escaping. Yet the darkness will stop them and as their distress becomes intense, the roaring grows ever louder, and the earthly tremors ever more violent, the earth will open up and huge masses of water will break through from within the earth. And as far as the eye can see.... water and darkness and an indescribable chaos amongst people who realise their horrendous situation with utmost distress. The days before will be so glorious that people are to some extent light-hearted and the change will come so suddenly that no one can take earthly precautions, which will be entirely pointless anyway for no earthly power can defend against these elements. Only the devout person will feel the divine omnipotence now.... and entrusts himself to his Creator.... And although his heart will tremble and know fear when he sees the raging of the elements he will nevertheless wait patiently until help arrives, for he will continue to send his thoughts up to Him above.

Anyone who has grasped the meaning and purpose of life knows that now the time of decision has come for every individual person. And he will try to administer spiritual help wherever possible, he will comfort those who are miserable and refer them to God, he will help by kindling a small light in utter darkness.... For God will give them the opportunity to work for Him.... Those who have recognised Him and offer themselves to be of service to Him will be assigned a rich field of activity, and the seed will fall on good ground, for God spares those who look up to Him or find Him in greatest adversity.... Amen

B.D. 2246
28.2.1942

Catastrophe....

The approaching bad weather catastrophe is of crucial importance for all people insofar as that it will also change world events, and that people will then be facing other responsibilities and happenings whose effects are no less difficult and distressing. The survivors will have to go through worrying times at first, for they won't know if and when this natural disaster will repeat itself. Also, many people won't know the whereabouts of their loved ones, many will stay behind all alone and forsaken, and sorrow and grief will be everywhere, there will hardly be a house without unhappy people, and in the country where God's voice has spoken there will be no town without ruins. And then love will have to prove itself, and one will have to help bear the suffering of the other if people want to live a life which is at least endurable and not despair altogether. The suffering on earth has taken on different shapes but people cannot be entirely alleviated of it as long as they haven't converted to God and tried to fulfil their spiritual task. And this is why even those who so far have remained untouched by world events will have to be affected. And thus the world conflagration will be followed by an incredibly difficult time which is felt wherever heartlessness is prevalent.

People cannot imagine that a natural disaster of this magnitude is about to happen on earth, and at first its extent will not be recognised either, for it will take a long time before the news of it will have travelled around the world, and this uncertainty worsens the suffering and worry, since all outside contact will have been cut off and will be difficult to re-establish. And the ruling authority will put pressure on people and bring them in to carry out work which will almost go beyond their strength, and they will be unable to defend themselves and live a wretched life without any prospect of improvement. And yet, such suffering is necessary if people are to be led to their real purpose, that is, to establish contact with God and to appeal to Him for advice and help. And then the Word of God shall be made accessible to them, then they shall be informed of God's activity, of His will and His divine teaching of love, then they shall be referred to life after death, to the transience of all worldly things, to the meaning and purpose of earthly life and their task, which consists of shaping their souls and of living a way of life on earth which corresponds to God's will....

The hour will soon arrive when God will speak to humanity such that it will turn the whole world into turmoil. For one night will bring unspeakable misery to those people whose countries will be affected by this disaster, and the dawning day will be dreadful, for it will present the survivors with a sight of devastation which exceeds all fears and all imagination. Yet God's will is irrevocable, for He knows that human thinking needs to be shaken up, he know the souls' adversity, and in order to help them in their adversity everything will come to pass as it has been predestined since eternity.... Amen

Serious warning about God's intervention and consequences....

Only a short time separates you from the day when My voice will so forcefully resound that it cannot be ignored by anyone.... You will not live in normal circumstances for much longer. But then there will be chaos and you humans will be faced by the immense task of making yours and your fellow human beings' lives more tolerable, to gain control of the chaos by helping in extraordinary ways and create bearable conditions again with the minimum means at your disposal. For those of you who live in the regions which will be hit by a natural disaster of inconceivable proportions will lose everything. You humans will not and cannot believe this as yet because a natural event like this has never been experienced before.... But the subsequent end of this earth still requires such an intervention on My part because I want to address humanity just once more in order to bring it to its senses, in order to still save those who are of good will. And nobody will be able to ignore this language, but whether they will open their hearts and ears will still be up to them. For even then most people will turn away from Me, they will remain in the isolation they had previously entered due to their unbelief, and they will look for and find all kinds of explanations for this event apart from the correct one being that I want to speak to them, that a God wants to reveal Himself and address them in order to bring them to their senses, in order to motivate them into contacting Him in greatest adversity and danger.

Countless people will lose their lives and the survivors will be faced by vast devastation, there will be such overwhelming adversity that only firm faith in Me and My help will be able to banish it which, however, only few people will possess. Earthly things which seem unattainable will nevertheless be possible with My help, and I will often work wonders where true believers trust in Me and My help. But the earth has to suffer an upheaval and human hearts, too, must be extraordinarily touched in order to help their neighbour in these hard times, and wherever this unselfish love, this will to help other people, expresses itself an obvious improvement of the situation will also take place. My forceful intervention only serves the purpose that people should put their 'ego' aside for a change and practise unselfish neighbourly love.... Then I will also be able to resolve **their** hardship, then I will be able to provide them with the bare essentials, and I will truly take care of those who reveal this unselfishness. Never before have such harsh conditions been experienced but I have to speak as distinctly as that so that everyone can recognise Me in My might, and anyone who pays attention to the extraordinary help which could not humanly be expected will also be able to recognise My love. Anyone who merely establishes or strengthens a heartfelt bond with Me can always also be assured of My help, yet people without faith will be in serious trouble. They will try to help themselves and often at the expense of their fellow human beings.... but they will not derive any benefit from it, neither earthly nor spiritually....

Not much time will pass until this disastrous event takes place but you humans are being made aware of it and that, in itself, is already an incredible grace, for then you will also know **Whom** you must contact, **Who** can help you in extreme adversity and danger.... This is why I announce this event time and again, and anyone who listens should appeal for a firm faith, for strength and vigour, in order to remain steadfast. In that case he will indeed take the path to Me, Who alone can help him in this adversity.... And he will not need to fear anything, for I will take care of My Own, no matter how.... And anyone belongs to My Own who believes in Me, who prays to Me, who thus unites with Me and therefore can always be assured of My protection and My help.... And they have the task of referring their fellow human beings to Me so that they, too, will take the path to Me when the hour comes which will decide the weal and woe of all people.... Amen

The final phase of the end time

Signs of the last days.... Battle of faith.... Chaos....

To specify (know?) the moment of spiritual change would not benefit humanity since the precise knowledge is an interference with free will, because at the approach of the predicted time the human being would feel obliged to change his way of life. But it is not God's will that people shall receive knowledge of the day and hour when He sits in judgment over them, they shall only know that the end is near and by the signs of the time become aware of this end. However, if devout human beings ask Him for clarification He will answer them in a manner that is helpful for the salvation of their soul....

The Last Judgment is preceded by the last days, which last just a few months and are characterized by an exceptionally rigorous battle of faith. As soon as this battle of faith is carried out quite openly, as soon as all secrecy is ignored and all spiritual aspirations are bluntly and recklessly attacked, as soon as laws and decrees are endorsed which prohibit people's spiritual pursuits, as soon as all divine commandments are no longer observed, as soon as all believers are persecuted and have no more rights, the last days have entered into their final phase and the Last Judgment can be expected daily and hourly.... However, before this battle of faith flares up, humanity will find itself in a spiritual and worldly chaos; there will be noticeable regression in every respect. And this regression will be initiated by people who are dominated by Satan. He will show himself in earthly devastation and destruction, in heartless laws, in a God-opposing way of life, in civil disobedience and rebellion against the governing powers and in brutal oppression by the latter, in restriction of freedom and in evasion of law and justice.

These conditions will ensue after a huge earthly tremor, which takes place in accordance with God's will in order to terminate a conflict between nations that human will fails to end. For the people who are affected by this earthly tremor it will denote a change of their accustomed way of life, it will be a time of greatest deprivation and most difficult living conditions, and although this time will be favourable for the spreading of the divine Word it will not signify a revival of a worldly-clerical power. People will indeed eagerly strive to improve their earthly living conditions but these efforts will not be compatible with spiritual aspirations, with the belief in an Authority Which holds them to account and with the divine commandments that require love. And that is why everything that interferes with the return to the former good living standard comes under attack. Thus the battle of faith will start soon after the divine intervention which turns global affairs into a different direction. The events will follow each other quickly as they are hastened by people's low spirit, and this spiritual low shows itself in people's heartless actions, in their thinking, which shows extreme depravity and which prepares deeds that can only be called satanic. And thereby you can identify the moment in time when God's intervention can be anticipated. The global affairs themselves shall be a timetable to you, by the actions people are capable of doing you can see that they have totally distanced themselves from God and this clearly contradicts the opinion that this human race can still expect a spiritual renaissance.

The people who faithfully remain with God will indeed intensify their intimate relationship with Him, they will be in truth His church which will stand firm amid misery and affliction, but it is just a small group. The world, however, denies God, it is hostile towards all who support God, and this spiritual need signifies that the end is near.... Therefore pay attention to the signs of the time, pay attention to humanity's conduct, to their desertion of God and their preference of the world, when people are evidently influenced by Satan, when they are enslaved by him and do everything to disobey the divine commandments, when nothing is sacred to them any longer, neither the life of their fellow human beings nor their possessions; when lies triumph and the truth is treated with hostility you know that the end is not far. Then you can watch the events unfold as they are revealed to you, because it will all take place during the lifetime of a man who, in a manner of speaking, hastens the disintegration, who pays homage to the destructive principle, who is not constructively but destructively active. And this man's end is also the end of the world, i.e. the end of the world in its present form and the end of those people who presently inhabit the earth, which are separate from those who belong to God. And now you know that there is not much time, that you are not given a long period of time and that the end is upon you shortly. And for this reason you have to prepare yourselves, you have to live as if every day is your last because you don't know when you will be called back and whether you will live to see the end of the earth. If, however, you are needed as defenders of God during the time of battle before the end, God will also guide your thoughts correctly and you will know when the time has come.... the time of the divine intervention by means of unleashing the forces of nature, the time of the battle of faith and the time of the Last Judgment.... It is God's will that you make people aware, thus He will also enlighten your spirit and guide your thoughts in a manner that you understand correctly and only voice and reveal to your fellow human beings what you have understood properly.... Amen

Battle of faith – Antichrist....

The closer the end, the fiercer will the battle between light and darkness rage.... However, you will not experience the full horror of the battle until it turns against My followers, when it is planned to banish the faith in Me in Jesus Christ, when the act of Salvation will become My adversary's target.... when people will be demanded to openly confess their faith and brutally forced to renounce it. Only then will the hardship and adversity start, the time I have promised My Own I will shorten.... And then My adversary's fury will become obvious, for people will lose their inhibitions, nothing will hold them back because they will be incited by Satan and shall completely submit to his will. Let it be said that there is not much time until this battle of faith, but that it will be preceded by an immense crisis on earth which, however, will come from a different source.... It is My will that it shall fall upon people so that they can already prove or even strengthen their faith. Precisely this crisis, which will be inflicted on humanity through a natural disaster of huge proportions, will be used by many people as a reason to already take action **against** the faith, because now more than ever they will doubt a God and Creator Who Himself destroys what He has created. However, anyone who knows the truth will also have a correct explanation for everything, and then he can inform his fellow human beings of this truth too. Then the ensuing battle of faith can even result in a strong faith in them, which subsequently will withstand all the threats the believers will be exposed to.

However, the fact that most people will no longer have a living faith is My adversary's doing, who therefore will not cease to work against Me and the truth, and he will be far more successful with people than the representatives of the pure truth, the true representatives of Christ's teaching.... For they rarely will be believed, but My adversary can offer people what he wants.... it will be accepted. And that is why it will already have to be clarified in advance, everyone will have to openly and freely declare whether they are **for** or **against** Me.... Everyone will have to make this decision within himself during the coming time of need which comes upon earth due to My will, for when I speak through the forces of nature everyone will have to choose: to call upon Me for help or to entirely isolate himself from Me.... which is the same as turning to My adversary.... Following this, however, the decision has to be taken again **publicly**: when it will be demanded of you humans in the last battle of faith on this earth to testify of Me in Jesus Christ or to deny Me.... But then you, who were instructed in the truth by Me Myself, will know that the end has come.... Then you will know that I will shorten the days for the sake of My Own, that I will come Myself to help them and release them from their suffering.... that I will gather them from this earth and take them to a place of peace, before I carry out the work of destruction, which will mean the end of all created beings on this earth....

If only you would believe what I have announced to you time and again.... the conditions on earth should prove My adversary's rage to you already, because he knows that he is running out of time. And the fact **that** he is raging and the earth is populated by his own kind can be recognised by all of you and should make you think. Every day is still a blessing for people, for even the most depraved person still has the opportunity to change and gain faith in Me before the end.... because I will try everything to still snatch souls from My adversary before the end. And anyone with faith in Me will be blessed, but the unbelievers will have to share the fate of him whom they followed voluntarily.... And you will not go short, even if everything you need to live will be taken away from you.... As soon as you believe that I Myself will take care of you, who are persecuted for My name's sake, My adversary's measures need not frighten you.... For what they take away from you, you will receive from Me again, although in a different form, but you will not need to starve for I Myself will satisfy your hunger.... For 'behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your Heavenly Father feedeth them....'

Remember these Words, remember that He Who created everything will truly also be able to maintain what He has created.... and that He will surely do so when His Own suffer adversity. But the time will come when people will try to force you with most brutal measures to forsake your faith.... and anyone of weak faith will not be able to endure these measures.... Severe tests of faith will be imposed on you, but I want to prepare you precisely for this time, then you will be able to be a shining example to your fellow human beings, you will be able to demonstrate to them what a firm faith can accomplish: that you live despite the fact that everything you need to live will have been taken away from you....

Seek always only the kingdom of God and His righteousness, and everything else will be added to you. And this promise will then be visibly fulfilled on My Own, on those who stand up for Me and My name before the world, who do not fear the earthly power because they feel safe under My protection. And only then will it become evident who has a living faith, and there will only be few. Then the structures which were built on sand.... which were not built on the rock of faith on which I built My church, will collapse too.... It will be a difficult time which no-one would be able to survive had I not conveyed the truth to earth in advance, which is an explanation of everything and which alone can result in a strong faith.... But error will not give anyone the strength to persevere, and only where there is love, can strength of faith also be found.

An extraordinary person will offer himself as a visible cover to My adversary, and this person will then instigate the last conflict on earth. Pay attention to this and you will know that the hour of the end is very near.... But also pay attention

to **My** messengers from above who will appear at the same time in order to guide you with their light, which you should follow.... Pay attention to all of those who spiritedly announce My Word and join them, so that the small flock will stay together, so that they can constantly get light and their faith can steadily grow stronger.... But to all these I promise My protection, My Fatherly care and My blessing....

They need not fear to fall prey to this brutal power, for I Myself will come to get them as soon as My adversary goes too far, as soon as even My Own are threatened by grave danger.... For this reason I will shorten the days, so that My Own will be able to endure and not weaken in view of the measures of persecution. But since I can still see a possibility to save individual souls I will also hold My hands protectively over those who represent Me before the world, so that the former can gain strength from them, so that a Power will be recognised which is stronger than earthly power.... And therefore I will also take extraordinary care of My Own, and despite adverse measures they will survive physically and spiritually.... And all this will happen soon.... What you cannot suspect today will happen then, but that is why already I draw your attention to it, and you, who are taught by Me, also know why it will happen....

The spiritual hardship on earth is evident to you as well, and by the signs of the time you will be able to identify the time on the world's clock.... But once this battle of faith flares up you need only expect a very short time, because everything will take place especially fast.... For the man chosen by My adversary as cover will not have a long life-span, and his regime on earth will not last long. He will be recognisable by his supernatural abilities, for he will be exceptionally endowed by My adversary, and that is why he will work for him and his plans. And even if the whole world pays homage to him, you will recognise and see through him.

But then you will have to be very careful and should not deliberately endanger yourselves due to excessive zeal Then you will have to be as cunning as serpents and as gentle as doves.... But when the decision is demanded of you, then you must stand your ground and firmly trust in Me and My help.... for no matter how powerful people are, they cannot match My might and a wisp of breath from Me would suffice to destroy them.... And thus I will also call a stop to it when the hour has come. I will bring those to Me who are in utmost earthly distress but place the oppressors themselves into chains, for the time will be up, a period of redemption will come to an end and a new era will start so that the deliverance of all spirits can continue.... Amen

Calm before the storm.... Visible appearance of the Lord....

A time of anxious misery and suffering lies before you and you can regard the time prior to this, the time in which you presently live, as the calm before the storm, during which you can still live your life within the scope of tradition, during which you can still speak of a certain extent of prosperity compared to the poverty and the deprivation which await you afterwards. And yet it will be a time of grace, a time when I will be clearly recognisable, when life will only be bearable if you deeply unite yourselves with Me in your thoughts, since then you will never be alone but will always be able to have Me as your protection. And I will also manifestly reveal Myself to you, I will approach individual people in the shape of the One Who harboured Me in all fullness within Himself. And I will be recognised wherever people's love for Me is strong, even if I dwell as a human being amongst people, for My eyes will tell them who I AM, and their hearts will come aglow with such burning love for Me as they would never be able to offer to a fellow human being. I will come to meet them with ardent love, I will illuminate them where they lack knowledge and comfort them in hours of distress and they will be able to overcome the most difficult situations and not despair, for they will sense My help, and wherever I visibly approach them they will be full of strength and profound faith. And once this fills a human heart no oppressive adversity will be able to exist anymore, for then they will only utterly rely on Me and I will truly not disappoint their faith. Yet anyone who lives without Me will hardly be able to endure this time. I cannot leave him in his spiritual adversity and will therefore have to sorely strike him with earthly adversity until his opposition against Me slackens, until he starts to believe and expects help from Me....

Thus all of you will be subjected to anxious distress and suffering through which I want to win you over completely. Nevertheless, you also have abundant strength and grace at your disposal which will help you to gain Me. I only want your love and once I own it I will come to meet you.... in the last days even visibly in order to strengthen your and other people's faith, because you are in need of extraordinary strengthening and consolation. Consequently, you won't need to fear the difficult time ahead of you either, for you will survive it with My help. Nevertheless, it will remain a time of grace, and the yoke I impose upon you will be an easy one if only you make correct use of the gift of grace. To be allowed to behold Me with your physical eyes is truly worth the cross you will have to bear until the end. Yet I will also offer Myself as a bearer of the cross to those who take refuge in Me and appeal to Me for My help.... And for their sake I will shorten the days until the end. I know every individual person's problems, and those who are faithful to Me are My true children who will really not call upon Me in vain for help. Therefore don't let My announcement frighten you, approach the coming events determinedly and calmly, detach yourselves from the world and wait for Me.... And I will come.... at first appearing to individual people, in order to then fetch My Own into My kingdom.... in order to lead them away from the place of perdition into to the kingdom of peace, where their life will be as blissful as in paradise....
Amen

The last day will come suddenly and unexpectedly....

A sudden end is being announced to you.... This has to be understood in a way that no-one is able to determine the day, that no-one knows the day which only My Own will be able to discern in view of the immense, almost unbearable adversity that has also been announced as an event occurring before the end. Many people certainly know that the time of the end has started and that it, sooner or later, will finish with this day.... they know this because it is talked about everywhere but they don't believe it so firmly as to prepare themselves for this day. Worldly people will be seized by a tremendous craving for pleasure, ever more greedily they pay homage to worldly pleasure and unscrupulously enjoy themselves at the expense of others, their wishes and demands become ever greater, and they sneeringly laugh at those who, in their belief in Me, ignore worldly pleasures, and cause them harm wherever possible. The world lives in sin.... And this shall be your certain sign, for you will experience things you wouldn't believe possible.... The evil conduct of your fellow men will reveal the hour on the world clock....

And despite the fact that you will be able to observe everything and that the signs of the time are completely obvious, you, too, will be taken by surprise, for the end will come sooner than you think.... The end will come from one day to the next, that is, the activity of the world will pulsate extraordinarily sprightly and make people believe that they are on top of life, that **they** are in control and can shape their life to their liking.... My Own will closely watch this commotion and anticipate the downfall, yet they, too, believe that the Judgment will still be delayed in view of people's seething joy of life although their nature is appalling and heartless. However, the harassments by the latter will grow and I Myself will stop them.... For this reason I will come suddenly and unexpectedly even for My Own, for the sins of worldly people are disgraceful, Satan oversteps his authority and therefore his hour has come.... When no-one expects it the day will come which has been determined from the start.... the last day on this earth, which brings fear and horror for those people who belong to Satan, but which also signifies deliverance for My Own from utmost adversity.... the day of Judgment, when it will come to pass what has been proclaimed in Word and Scripture.... Amen

Stormy times before the Last Judgment.... Paradise....

The Last Judgment will put an end to all abominations and peace will be on Earth for a long time. There will be a state of divine order on earth where only peace will reign, where love will unite all people, where the individual person's love will also guarantee God's working through His spirit, where everyone will be able to hear God's voice and be exceedingly happy to know God is so close to him.... where God will also visibly dwell amongst His Own in an as yet inconceivable way for present-day people.... People on the new earth will live in paradise again, in harmony of soul, in yearning for God and His love and in constant fulfilment of their longing. And all evil will be banished for a long time.... Yet before this state can come to pass on Earth a storm must sweep across it with a purifying and devastating effect, a storm which only people with profound faith and loyalty to God will stand up to. They will suffer great distress yet their later time on the new earth will amply compensate them for all previous adversities and afflictions. For as soon as evil has lost its power they will no longer be harassed and most blissful peace on Earth will be their fate.... This is why the final stormy time should not be dreaded by the believers, for God's will is above all happenings, God's love will work amongst His Own and His power will overcome Satan's power at the right time. And regardless of what will threaten the believers, worldly power, human hatred and unkindness will be unable to prevent the coming bliss on Earth or in the kingdom of the beyond for those who will remain loyal to God....

They cannot kill the soul although they want to kill the body. Yet God will even prevent this because He wants His Own to inhabit the paradise of the new earth.... because they are intended to form the root of the new generation and because they shall be compensated for their previous time of distress as a sign of God's greater than great love which wants to provide His Own with a blissful fate on Earth. Therefore they will also be endowed by God with extraordinary strength with which they will be able to overcome all evil and which will enable them to stand up to the worst hostility. For the bulwark of their faith will be most violently shaken.... And only in those who have overcome their desire for the earthly world will the strength arise to offer resistance. But anyone who will still allow himself to be captivated by the appeal of the world will relinquish all resistance, he does not belong to the flock of those faithful to God, he will sell his soul for ill-reward, for whatever he believes himself to have gained will crumble on the Day of Judgment.... And all atrocities will come to an end on this day.... all God-opposing spirits will be banished and a state of calm will ensue in the whole of the universe, a state of peaceful activity which is incomparable to the peace of death. The latter is the fate of the banished spirits which will be bound in utter weakness within solid matter and for an infinitely long time be unable to become active.... And this is the time you humans are approaching, and you don't have much time left. If you want to be successful during the last days before the day of Judgment you must still diligently work at improving yourselves, you must contact God increasingly more sincerely, you must draw strength for yourselves daily and hourly and constantly remain in prayer in order to always receive strength as soon as you open your heart and desire God's grace and strength. And He will be and remain with His Own until the end, He will dwell with them in the paradise of the new earth and stay inextricably united with them for all eternity.... Amen

2 Peter 3:10...

The day of the Lord will come as a thief in the night.... the day when I will reveal Myself to humanity with a voice of thunder which will be heard by everyone and which no human being will be able to avoid.... For sooner or later the act of transforming the earth will have to take place, sooner or later order must be established once again; the earth must again become a place of education for the souls which should mature fully and reach perfection. And this day has been planned for eternity, My plan is based on the fact that a transformation like that will occur one day because the human race itself will provide the reason for it.... which was certainly recognised by My wisdom.... And thus My power will also implement the plan and you can expect this day with certainty.... it will bring one period of Salvation to an end and a new one will start, as it is proclaimed in Word and Scripture.... Time and again I point this out to you, but since you humans don't believe, since you don't take My Words seriously, it will take you by surprise, for even if My adversary reigns on Earth in the last days, even if he brings people so completely under his control that they lose all faith and in the end are true devils which oppress My Own and cause them utmost distress, they will nevertheless be equally horrified when My Own are lifted up before their eyes and they realise that they cannot be saved anymore, that they will fall prey to an act of destruction themselves, that there is no way out anymore and that the earth will devour them.... For there is no other way to purify the earth; all living creations will have to be dissolved and the spiritual substances within be placed into new forms.... a comprehensive cleansing work has to take place so as to re-establish order, which will also guarantee progression for the spiritual beings and which will completely exclude My adversary's activity for a period of time, on account of which he and his followers will be constrained for a long time.

This day of the end is proclaimed to you humans over and over again, yet only a few believe in it and even these few have no idea how close it is.... yet I will repeat My admonitions and warnings until the end, until the end I will address everyone and draw your attention to it, and until the end every one of you will still have the opportunity to avoid the horror of this end.... And therefore don't pity those who leave you, whom I take from this life prematurely.... don't pity them, for their fate is better than yours who live until the end and don't believe.... They still have the opportunity to attain light in the beyond, but the former continue to descend ever deeper, for I know that they would also choose the path to the abyss in the kingdom of the beyond, that they would not make use of the blessings of an early death; after all, I know the state of every soul and accordingly also shape its earthly destiny. And even if it is difficult to believe in an end of this earth, people will nevertheless have no excuse for they should only live righteously, then their end will not result in their banishment into hard matter, then they will either belong to My Own, whom I will return to the new earth, or they will still be recalled before and then they will not go astray either.... But it is better that they prepare themselves for an approaching end, that they take the possibility into account of being suddenly faced by an act of destruction from which there will be no more escape.... Anyone who reflects on these thoughts just once will certainly also find the path to Me, to the Creator of heaven and earth, Who brought everything forth from Him and therefore can also destroy everything again.... And I would like to rescue all of you from ruin; consequently I will bring the final work of destruction on earth home to you time and again And anyone who believes will not have to fear this day either, for he will prepare himself, and even if he is still weak and not perfect, he will nevertheless find a merciful Judge Who will not condemn him but help him attain eternal life.... Amen

Make use of the time of grace

B.D. 3396

7.1.1945

Period of grace until the divine intervention....

It will still take a little while before God will visibly manifest Himself, before the cycle is completed, before the hour has come when the extent of human atrocities has gone too far. Yet it will not be a long period of time, you humans are given only a very brief period of grace in order to distance yourselves from those behaving disgracefully before God because they violate their fellow human being in a most ruthless way.... However, God allows it to come to the worst so that people will still learn to recognise which way they are heading.... For only this realisation will motivate them to change. Every day is important as for many people it is the last one, it can be decisive for the whole of eternity, but many others will only have a few days left until their temporal end has come, and this is why God still hesitates although the event is inevitable and His plan has been determined from the beginning. However, people's low level gave rise to it much sooner, their heartlessness made the day overdue before its time, so that every day is a gift of grace by God bestowed upon humanity by His forbearance and mercy. And thus every day can still be utilised and offers many people the opportunity to change, if only they are of good will. Therefore they are constantly informed of the divine intervention, both through His Word as well as through people's exchange of ideas who are mentally advised from above about the forthcoming event. Everyone can form an opinion about that which is imparted to him, everyone can think about the events in the world as well as the end of it, and the thought of a supernatural intervention in world events will not just occur to a few, and then a person will still be able to hold himself to account regarding his attitude towards good and evil.

Every human being will be warned, directly and indirectly, and if he heeds the warning he will be able to derive benefit for his soul. For then he will also recognise the divine intervention as such, he will learn to believe and be saved, even if he loses his earthly life. And because God still wants to open people's ears for His call He will not sound His voice prematurely.... Yet the designated period of time cannot be exceeded according to divine order.... And people should assume that every day is the announced one when He reveals Himself and His Power. For what He has proclaimed will happen without fail, God merely keeps the time concealed. Yet the day will come like a thief in the night.... unexpectedly and causing a large amount of material damage.... And only someone whose heart no longer clings to earthly goods, who has united himself with God and knows himself always and forever protected by Him will not be fearful. These, however, are instructed by Him to constantly refer people to the fact that He will manifest Himself, and to admonish them to choose the right path which leads to Him, so that they, too, will take refuge in Him in the hour of affliction and find protection and help in Him.... Amen

B.D. 5729
21.7.1953

Utilizing the time of grace before the end....

You cannot delay the end anymore, for the time is fulfilled which God determined from the start in the knowledge of your will, since this strives relentlessly downwards and needs to be constrained anew. Every individual person can still shape himself such that he will not belong to those who will fall prey to a renewed banishment and also influence his fellow human beings so that they will be protected from the worst judgment. The time is fulfilled.... it means that the day of the end, the day when the material creations on this earth will be disintegrated, can be expected at any hour, even if no time has been given to you humans, because this knowledge would only result in utter confusion but be of no benefit to anyone. Yet it will happen as you were told.... and the last days will pass by in what seems like an instant, for they are only the end of that which was predicted to you long before.... The days of Judgment are already here and everyone can see it if he looks around with open eyes, yet what only concerns individual people at the moment will extend to all people, suffering, distress, mortal fear, adversity and despair.... Everyone will experience it, for the forces of hell are let loose, they rage and provoke wherever something can still be destroyed and they always find willing people whom they can use to cause all kinds of damage. However, everyone is able to apply for help from God, every person has virtuous spiritual forces by his side which he only needs to call upon to protect him from danger of body and soul.... Anyone who entrusts himself to God and His messengers of light can very confidently anticipate the end.

The time you humans were given for your souls' maturation is fulfilled and the day of the end has been determined from the very beginning. But you don't know when it will happen and can therefore even now still tackle the work of improving your soul, for every hour you turn your thoughts upwards is beneficial for you, since you establish the connection with the spiritual world from whence you originate.... Just try to detach your thoughts from the world, don't let yourselves be controlled by the world and its possessions so as not to allow matter to become your fate for an infinitely long time to come.... Let your thoughts wander into a higher sphere and try to ascend to it. You will be able to do so because countless spiritual forces offer support to you, because they will carry you if you request them to do so. You **can** overcome the world if only you seriously **want** to. Use every day you are still given as an extraordinary gift of grace but bear in mind that every day can also be the last one for you and that only a very short time separates you from the end of this earth. For the end is not only granted to individual people but to the whole human race, because the law of eternal order is coming to pass and this law has existed for eternity. What you humans regard as a delay is part of the plan of eternity and can only be assessed as a delay insofar as that people already have reached the low spiritual level **before** the time which results in a disintegration of Earth.... However, God is merciful and will not pass Judgment **ahead** of the time.... In His love He still seeks to save people and distributes remarkable gifts of grace which are intended to contribute towards the redemption, but He will not change the Day of Judgment and announces it ever more admonishingly and warningly.... Yet He meets with little belief and the end draws ever closer.... And despite all predictions by His seers and prophets it will take humanity by surprise. And he who believes will be blessed, only he who believes will prepare himself even if he does not know the hour of the Lord's coming.... but he expects his coming and perseveres until the end.... Amen

Calm before the storm.... Forearmed fighters....

Keep yourselves ready so that I will find an army of prepared fighters when I lead you into battle.... Don't let yourselves be deceived by the apparent peacefulness around you, by the fact that global affairs seem to calm down, and don't let this make you become half-hearted in your spiritual striving.... Don't think that My intervention will be delayed, that there will still be a long postponement of that which I always and forever announced to you.... It is the calm before the storm, it is the time in which all people are still able to take stock of themselves, in which they should also withdraw into solitude and not solely pay homage to the pleasures of the world and thoughtlessly live from day to day.... It is still a time of grace which I grant to all people so that they won't be able to say that they, in their constant worry and physical anxiety, have had no opportunity to take care of their spiritual wellbeing.... Yet My faithful followers should not let themselves be deceived and consider the time of peace as the calm before the storm.... For it will only be of short duration, and suddenly everything will change, and then it will be too late for many people because they didn't make use of the short period of grace in order to gather strength for the impending time.... My Own, however, shall prepare themselves, for the battle will be severe, which will be waged for the sake of My name. And it will also require much strength in order to do justice to all the other demands.... For this you should also gather strength, which you will only be able to do by keeping in continuous contact with the spiritual kingdom, by constantly working at improving your soul, by turning your thoughts away from the world and by penetrating the spiritual spheres ever more, whose inhabitants are always at your service on My instructions....

Every spiritually directed thought will be blessed, and just like the earthly world is incessantly active by pursuing earthly interests, so will the spiritual world work and help to build up the kingdom which is not of **this** world.... It will not be so evident to you humans but My Own will be full of strength as soon as their thoughts apply to Me and their spiritual activity.... This is why My Own will also be noticeably guided, so that they will not tire in their striving, so that they will not interrupt their contact with Me, so that the world will not hold them captive when they are at risk of getting weak.... for My adversary is exceedingly diligently at work because he believes that the time is in his favour.... And so it is, for people greatly hunger for the world.... and My adversary will satisfy this in an obvious way.... He will give to people whatever he has to offer and they don't realise how dangerous an earthly life of luxury and earthly pleasures are for their salvation of soul.... However, the forces of light are just as diligently active, it is just that they don't find access with many people where My adversary has already found his way in. But My Own will feel the increased working of the world of light and be happy when the time comes that I will need them.... And then I will make sure that the flock of My Own will not become smaller, I will always be present with them so that their love and loyalty for Me will constantly grow, so that they will be willing to make sacrifices and do whatever it takes to be of service to Me and to live in accordance with My will.... so that they will fearlessly take up the battle when it matters to prevail over the enemy when the time has come.... Amen

There is not much time left

B.D. 4457
11.10.1948

Announcement of the end.... 'You only have little time left....'

You don't have much time left and seriously ought to prepare yourselves for the day when an act of destruction will happen the likes of which has never been experienced before. And although I keep announcing it, you nevertheless doubt My Words and are therefore slow in your work of improving your soul. And you only have a little time left.... But I cannot make you aware of it by any other means than through My Word; if you don't believe it you will be shocked when the last signs start to appear. Although shortly before I will indeed warn you once again, yet even these Words will not be believed by you anymore than the previous announcements because you will be incensed by My forbearance and can't understand that I Am waiting for the sake of the souls yet to be saved, even though the time has long been fulfilled. Some can still be saved, I want to spare them the infinitely long path of a re-embodiment on the new earth and Am therefore patient and wait. However, even the final extension of time will come to an end, therefore take My Words seriously that you only have a little time left and that you will regret every day you have not used correctly for your soul.

And world events will change surprisingly quickly, just a few days will suffice in order to place you into a completely new situation. And then you ought to remember My Words and consider spiritual issues as being more important than earthly ones, for worrying about the latter is irrelevant since you cannot keep anything for yourselves if I won't retain it for you, and that it is up to My will and My might to physically protect and take care of you. Always consider your soul, be helpful and generous when you come across adversity, and enter into heart-felt contact with Me so that you will receive the strength to endure and to do justice to all requirements of life. Constantly draw strength from My Word, for it is a source of strength which can refresh you and which will never run dry. Be always ready for Me and I will not abandon you, regardless of what happens to you.... Amen

Serious reference to the end....

Your days are numbered.... You won't live on this earth for long anymore, your lives will be shortened because the time I granted humanity for its salvation has come to an end, and you, who are presently alive, belong to those who will live to see the end.... I will certainly still recall many beforehand whose souls would not survive the last battle for Me and My kingdom, and many will die far and wide, and the various reasons will not make you humans aware of the fact that the last action has already started, that it is already an act of mercy, because I give those souls the opportunity to continue their process of development in the kingdom of the beyond, which will no longer be possible once the last day has come.... You all have not much time left yet none of you know if he will not be snatched from the midst of life earlier, no-one knows when his hour has come.... Don't mourn those who go before you, for they are recalled by My love; but often remember them in your prayer so that they will make use of the blessings which will also be granted to them in the afterlife. I seriously admonish you all to prepare yourselves for your last hour, for you don't have much time left. I urgently warn you through the events in the world, and if only you kept your eyes open you would recognise the gravity of the hour, for I clearly speak to you through the signs of the time.

However, you humans only have eyes for the world, you give the world your every attention but fail to think of Me, and irritably you shrug everything off what could draw your attention to Me and the end.... You don't want to believe and therefore remain untouched by all happenings which only too clearly demonstrate the truth of My Word to you. It is high time.... yet not in a worldly sense but for penance, for a change of will, for turning back and for reflection.... Don't remain indifferent when I admonish you for whatever it may be.... Ask yourselves in what state you are in when you are being called to leave the earth and to enter through the gate of death into eternity.... Ask yourselves as whether you will be able to stand before My eyes and believe that the hour will soon arrive when your earthly life comes to an end.... Therefore, only take care of your souls and turn your eyes away from the world, for it will perish, the soul, however, is everlasting and its fate in eternity will be according to your way of life on Earth.... Amen

Spiritual turning point.... The approach of night....

You humans cannot expect a spiritual revival on **this** earth anymore, for all forces of hell have been let loose which work on My adversary's instructions and truly have immense influence over people, because due to the extent of their own lack of spirituality they don't recognise who is controlling them. A spiritual turning point can no longer take place anymore, yet individual people can still be led onto the right path, individual people will still accomplish a change in themselves, and for the sake of these individuals everything will still be done before the end arrives. However, it will be strikingly obvious how rapidly humanity slides down, how increasingly deeper it descends into darkness and shuns the light.... it will be obvious how brutally the light of truth will be fought against, how much the unbelief comes to the fore, how far away from God people live yet pay homage to My adversary.... And therefore there can be no delay anymore because there is no further prospect that a change will ever take place unless I accomplish this change Myself.... but in a way which is **unwanted** by humanity.... by putting an end to everything and creating a new beginning.... The time span until the end is exceedingly short yet no-one knows the day, and therefore everyone strives half-heartedly, even My believers don't imagine it to be forthcoming so **soon** as to diligently work for their souls.... But I keep telling you time and again: You will be approaching it shortly.... I must reiterate this call over and over, I must incite you to be extremely active, I must also ask My servants to do their work ever more eagerly, because it is important and can still save individual people from ruin when the end arrives, which I announced on and on.... Although the events in the world will have to take their natural course, and this also places My Own into a certain state of calm, yet time and again I say to you: The end will arrive suddenly.... the day will dawn unexpectedly and end differently than usual.... it will be followed by an everlasting night and the light of day will only shine again for the few who are and will remain My Own despite the testing hostilities and pursuits by My adversary.... Admittedly, you still have to face the time of the battle of faith yet even this will only last for a short period of time, because it will be extremely fiercely waged, so that the day of My coming to earth will be precipitated by people themselves.... Events will very quickly follow each other and yet appear to people as completely natural occurrences which deserve no special merit.... hence they will not want to associate these events with the shortly approaching end....

For this reason it will also take My Own by surprise, for I will come like a thief in the night.... because no-one will think of it if the announced event still appears to be far away. If only you humans believed that your attention is merely drawn to it so that you can prepare yourselves.... Your remorse will be painful, for **all** of you still do far too little for the salvation of your soul. Earthly life was not given to you as an end in itself, and every day could be utilised such that you could attain an incredible abundance of light which will provide you with incomparable beatitude in the spiritual kingdom.... and one day you will realise this and sorrowfully remember the insufficiently used time on earth. But at the time of the end no-one believes or understands it, the prevailing low spiritual level can almost not be thought worse anymore, for you humans are unable to see that which is open before My eyes, you humans must **believe** what cannot be proven to you, and this also includes the termination of this earthly period, which is of great spiritual significance. You must, if you don't want to believe or think yourselves unable to believe, make an effort to live a life of unselfish love, and then you will feel within yourselves that you are approaching a completely different era.... And you will not go astray, for I take pity on all those who don't entirely belong to My adversary and help them to progress further in the kingdom of the beyond, if their earthly life comes to an end before the Last Judgment.... An extremely dark night is approaching, the day soon comes to an end but as yet there is still light.... you are still able to use the light of the day and ignite a light within yourselves which will never be extinguished again.... And then you need not fear the approaching night....

But woe to you if you are sluggish.... if you believe that the day will never end.... Woe to you if you live from day to day without considering your soul.... And to those of you who don't fear death because you believe that you will cease to exist.... I say that you will experience death with all its terrors and that you will be unable to escape these terrors.... Then you will no longer be able to discard your life for you cannot cease to exist, you will continue to live even in the state of death, you will have to suffer agonies which you cannot get away from.... For spiritual death is far worse than the death of the body, which can also be your admission into a blissful **life**.... Listen to My call from above, let yourselves be warned and admonished.... Don't be indifferent and let these Words pass your ears unheeded but vividly imagine the hardship which will await you if you don't give credence to My Words.... You will constantly be able to observe the signs of the end, yet everything will happen so naturally that you certainly could believe but don't have to. Nevertheless, your beatitude depends on your belief, for only the believer will prepare himself, he will remember Me and stay in contact with Me, even when the work of disintegration has begun. For time has run out and in keeping with divine order, what has been determined in My eternal plan of Salvation will come to pass. The earth will be transformed and with it all living creations, so that all spiritual substances will be engendered into **those** forms again in which they belong according to their degree of maturity.... The divine order will be restored again, because there is no other way to guarantee the spirits' higher development, yet the goal of My love is only ever this higher development which intends to bring you, My living creations, closer to Me again.... Amen

Admonitions to work at improving the soul

Serious wake-up call...

You don't have much time left.... Time and again I have to say this to you for you don't take My Words seriously, you are living in the midst of the world and cannot believe that everything around you will cease to exist one day and that only that will remain which is everlasting.... your soul. Time and again I want to admonish you to seriously envisage what kind of state your soul will then be in. Time and again I want to warn you against focussing your every thought and intention on acquiring earthly goods, on improving your earthly situation.... it is a futile effort, for you will not keep anything when your time has come, the time when you will either be recalled or when everything around you disintegrates. You really should believe that you are wasting your energy, that you work for nothing, that it is merely temporary prosperity which might still provide you with a few comfortable days of life but which is unfavourable for the soul if you don't consider it first and diligently aim to gain spiritual possessions. You may certainly enjoy a good living standard if you use your earthly possessions correctly, if you share them with those suffering poverty and hardship, if you manage your possessions beneficially, if you regard them as having been received from Me and show your gratitude by practicing active neighbourly love, by alleviating hardship in an earthly and spiritual way and thereby live an exemplary life for your fellow human beings and motivate them to also live a life of love.... Then earthly prosperity will have positive consequences, then your soul will not have to starve, then you are considering your soul **first** and need not be afraid of the forthcoming events.... But woe to those who only pay attention to their physical life.... it will be taken from them and the poverty they suffer in the spiritual kingdom will be a dreadful burden to them....

Believe that you are facing immense events, believe that you are only granted a little time longer, make every effort to attain spiritual possessions before it is too late.... Everything you acquire of an earthly nature will be lost to you; take care that you will possess spiritual goods; I seriously admonish you so that you cannot say that you were not informed of that which is irrevocably granted to you.... Don't turn a deaf ear to My advice and warning, they are My loving calls which come to you through a human mouth and intend to protect you from a dreadful fate and which I will repeat in a different way for those earthly children who are unwilling to listen and believe.... My admonishing wake-up call will very soon resound so forcefully that it will make you tremble. I want to speak to you once more through the forces of nature and call to you from above: Wake up, you sleepers.... pluck up courage and stop being feeble.... don't look for worldly pleasures and everything of a transient nature; try to gain My kingdom and consider your true Self.... consider your soul, whose fate in eternity is prepared by yourselves.... Once again I Am telling you: Shortly after this final wake-up call the last Judgment will follow and the disintegration of Earth and the end of everything that lives on it will take place.... That is why you humans are in such great danger, because you don't want to recognise and believe that your end has come or you would yet prepare yourselves and pay no further attention to the world and its commodities.... The time I have granted to you is over and until the very end I will still try to save souls, hence My love constantly calls to people to take stock of themselves, to do penance and to turn back, for I don't want them to go astray.... I only want them to become blissfully happy.... Amen

Every day is a gift....

Every day is still a gift for you which you should use wisely, for you will never be able again to catch up on that which you neglect to do on earth, even if it is still possible for you to continue your higher development in the spiritual kingdom. However, you can achieve far more on earth because you have strength at your disposal which you will lack in the spiritual realm if you have failed on earth. It will be a completely different situation for your soul once it has left the body if it has no spiritual strength to take along, which it is certainly able to acquire here on earth and which will signify an incredible wealth for the soul in the spiritual kingdom. Here on earth it can be active and gather spiritual possessions every hour and every day.... but in the beyond it requires support from loving beings in order to receive just a small gift of strength, and ruefully it will remember the time it wasted on earth the moment it realises what it had neglected to do. Every day you still live on earth is a gift from God, where you can be freely active and able to acquire much for yourselves, yet you will only gain **spiritual** possessions by using this time in keeping with God's will, hence you are always admonished accordingly, because every day will be irrevocably lost if you don't live with eternity in mind, if you only use it to meet worldly requirements, since you only attain earthly possessions which are transient.

The end will come to each one of you before long, only a few will live to see the final end, but the majority will already be recalled before they descend into the abyss. For the last days will make great demands on a person's free will who should work for his soul but only takes care of and works for the body. Only few people will avail themselves of the last days as is necessary to be able to enter the realm of light, however, most people fail to consider their soul, they don't listen to the admonitions and warnings which God's love and mercy still sends to them, they do not believe.... and that will be their downfall.... And God's mercy will prematurely remove those from earth where the possibility still exists that they will be able to ascend on the other side, if only under far more difficult conditions than on earth. Yet where this prospect is no longer given people will keep their physical life until the end in order to then approach a dreadful fate due to their total failure.... to be engendered into material creations again for the purpose of advancing again from the abyss to the pinnacle.... Every day is still a gift for you humans which you should use to the best of your ability.... Live life according to God's will and only be active and work for the life of your soul, for the earth will disappear and with it everything that exists on it.... Amen

Consider the end....

I send the same admonition to all human beings: Consider your end. For it is granted to all of you; right now you all have to count on a natural recall from this earth when your hour has come. But many of you will have to leave earthly life prematurely, because I don't want to let them fall into My adversary's hands since their resistance is not strong enough to resist his coercion in the last days....

However, even the people who will experience the end will have to count on a shorter lifespan than they would naturally expect, for this end will happen to you soon.... And you humans are not yet mature enough to anticipate this end without reservations.... And thus, in view of the near end I admonish you all to make every effort to improve your soul. I caution you to live consciously and not to let a day go by without having done a kind deed, without having offered your soul a gift to help its ascent.... I urgently remind you all to accept My Word, to let yourselves be addressed by Me in My Word and thereby also receive the strength to help you ascend.... Don't just live your earthly life but engross yourselves at least once a day in My Word, briefly communicate with Me and commend yourselves to Me and My grace....

Just a heartfelt thought to Me is already refreshment for your soul, and if you read or hear My Word in silent devotion you will provide your soul with the nourishment that will help it mature for sure. I only admonish you humans to live consciously.... to remember that your life will not last much longer and that you will prepare a bearable fate for your soul after the death of its body....

Don't let the time you have left until the end slip away.... don't let it pass by without using it for your soul, and you only provide for your soul when you entertain spiritual thoughts, when you make mental contact with your God and Creator of eternity, Who is Father of you all, Who would like to admit you into His kingdom but requires your own will to do so: to create a state of soul which allows its entry into My kingdom.... Therefore I admonish you time and again: Consider the end....

As long as you stand in the midst of life you will always resist this idea because you don't know that you can be granted an extremely blissful fate afterwards.... But My love would like to grant you a blissful fate, consequently you will constantly hear these Words of exhortation from above, because you yourselves have to **want** to become blissfully happy.... Every pensive hour, every moment of inner reflection will be of utmost benefit for you.... Yet woe to those who will never find time for this, who are so attached to the world that they are incapable of detaching themselves for a short time.... For they are firmly under My adversary's control from which they will hardly be able to escape if they are not helped through loving intercession, through calling upon Jesus Christ to be helped by Him directly.... You can call upon Me at any time and I will hear you, for I want to release you from his chains and not prolong your captivity....

Consider the end.... and consider the state of your souls. Call upon Me for help.... This is what My never-ending admonitions intend to achieve, that you will remain in contact with the only One Who can help you.... that you will direct your eyes and appeals heavenwards and become and remain conscious of the fact that you will not live forever on this earth.... Amen

Prepare yourselves for the approaching time!

B.D. 3949

1.1.1947

Reference to a natural disaster.... Urgent admonition to prepare....

My call goes to all those of you who receive My Word: Prepare yourselves for the coming time which will considerably change your circumstances of life, which will confront you with immense spiritual and earthly tasks and which you therefore cannot take seriously enough if you don't want to damage to your soul. For you must already draw strength in advance because overwhelming requirements will be demanded of you, both spiritually as well as earthly. Earthly life will burden you so heavily that you will only be able to endure it with Me and My help, and therefore you must first of all remain in contact with Me, you must not waver in your faith and think that I have forsaken you, for you can only find comfort and strength in your faith in Me, then you will come to Me and I will help you. And although many people around you will lose faith in view of the immense adversity which will irrevocably occur.... remain steadfast and devoted to Me in your heart and you will feel Me and My presence, you will always find the help which I had promised you. As yet you are unable to believe that which I have proclaimed to you time and again, as yet it still seems questionable to you that I Myself will visibly appear.... Nevertheless, the hour comes constantly closer and with it a complete change of your normal living conditions.... And you should prepare yourselves for this already by detaching yourselves from all material things in advance, by leaving your further lifestyle entirely up to Me and in complete faith in Me only take care of your soul. For regardless of how much care you take you will be unable to keep earthly things if I consider it more helpful for you to lose them.... Yet whatever I want you to keep will not be touched by the forces of nature through which I will manifest Myself.

Believe that I direct everyone's fate according to My love and wisdom and that any anxious worry by you is unfounded. I Myself look after My Own such that they will still be able to achieve as much maturity of soul as possible on Earth. The time until the end is but short and for many people it will also signify a shortened life on earth; they should and would indeed be able to reach the goal, even in a shorter time, because My love makes every opportunity available to them. Therefore, take My Words seriously, count on a speedy end and on the natural disaster beforehand, and expect it daily, for it will come suddenly, even for My Own. And utterly entrust yourselves to Me.... I will never ever leave you if only you remember Me, and if you call upon Me in your heart I will hear you. Yet make full use of the time before, let go of all earthly striving and only try to gain spiritual benefits. And remain faithful to Me even in times of greatest adversity and you will have Me as a constant helper by your side, you will evidently experience My often miraculous help, for I have promised you this and My Word is and remains eternal truth. Believe in this and also in the forthcoming great time of adversity and prepare yourselves for it by constantly drawing strength from My Word, by seeking Me more sincerely than ever and by remaining in constant contact with Me through prayer and actions of love, for you will need much strength so as not to falter when I manifest Myself through the forces of nature.... However, don't fear anything regardless of what will happen, for I will protect My Own so that they will be strong supporters for Me during the last days before the end, who shall help to spread My Word in order that souls of good will shall still be saved....
Amen

B.D. 4838
14.2.1950

Reference to great adversity.... Battle of faith.... Admonition....

Not much more time is given to you.... you should know this and live the short time consciously so that it will still be a time of grace for you during which you can prepare yourselves and gather strength for the forthcoming event which will require all your strength. Don't let yourselves be deceived by the apparent calm and state of peace, for this will change overnight and the conduct of people at whose mercy you are will petrify you. You will not want to believe that the past hardship repeats itself so soon and follow the events in the world with horror; yet believe that you will only be helped if you turn to the One Who is Lord over everything, Who can protect you even from the greatest danger and to Whom you must entrust yourselves if you want to endure the coming time and remain steadfast in the battle which you must fight for the sake of your soul's salvation. You can still gain much if you make use of the period of rest in order to reinforce your faith, to accept God's Word and to accumulate spiritual wealth.... yet sooner than you think great adversity will threaten to overcome you if you don't appeal for strength from above, which requires strong faith from you in order to be able to pray in spirit and in truth. The opportunity to be able to enter into contact with God exists for you at all times, and you should use it before it is too late, for once you get into difficulties you will hardly be able to think straight. This is why you should turn your eyes upwards now and call upon the One Who hears you in every adversity and who wants to and can help you if only you turn to Him with complete trust. Be seriously admonished not to forget about Him so that He will not forget you when you need Him and depend on His help. There is only a little time left, therefore make use of it and gather strength, which God imparts to you through His Word.... Amen

B.D. 6870

End time prophecies and admonitions....

As yet the period of Salvation is not concluded, a short period of time is still separating you humans from the final work of destruction on this earth.... And all of you could still become blessed if only you would recognise and acknowledge Me Myself in Jesus Christ. Nevertheless, the spiritual state you are in when the end of this earth, or even the end of your earthly life, comes upon you depends on this..... For the end you are granted will come suddenly and unexpectedly. And yet, no human being need be unprepared, for every person will still be told often enough what is in store for all of you, he just will not want to believe it. What is about to happen to you will ring in every person's ears again and again, for all coming worldly events are also indications and signs of a near end. And likewise all people will also hear My voice resound from above, for this event will not remain hidden from any person and can still be a last warning for everyone that the end can happen just as suddenly to them as it will happen to those who fall prey to the natural disaster. It will only be a little while longer, yet it will soon pass by.... But then the end will come without fail along with the Judgment which will decide the fate of every single soul. If only you humans would just acquaint yourselves with this idea that you create your own future fate, and if only you would believe Me that you can still attain your goal with ease providing you still make use of the short time, providing you entrust yourselves to Me and appeal for My guidance.... But you don't listen to My warnings and admonitions, you remain indifferent, and you allow the disaster to confront you without protecting yourselves from it or averting it.... For you do not believe.... You don't believe My Words and I Am unable to inform you of the coming events in any other way than through My Word, in view of the fact that you must find the path to Me of your own volition and therefore you may not be given more obvious proof....

And the wheel of time keeps turning relentlessly.... Countless people will still be recalled by Me and this, too, should arouse people from their sluggish, routine life that is like a sleep from which they will be rudely awakened one day but then have no more time to prepare themselves for the end. The sleepers don't want to forgo their rest and slowly slip into a sleep of death, for their souls can only look forward to death because they don't appreciate life enough in order to acquire eternal life for themselves. People distance themselves ever further from Me Whom they should, after all, strive towards, and they think of their divine Redeemer even less, His act of Salvation is totally ignored, and thus My adversary, who can only be overcome by the One in Whom I embodied Myself for the sake of sinful humankind, is in control of people.... But without Him the end will also be terrible for people, for they will be hopelessly at the mercy of their destiny, they will be unable to find redemption because they reject the Redeemer Himself.... because they don't take the path to Me Who alone can help them. Again and again I approach people in Jesus Christ, again and again will people be told about His Gospel, they will repeatedly be invited to profess Jesus Christ and to adopt His divine teaching of love, and the approaching end will also be repeatedly mentioned. But it will be left to them to profess Him and to accept His blessings. But without Jesus Christ they will be unable to survive this end and neither can they be admitted to the kingdom of light if they are recalled earlier without having found Him.... All the same, the end will come without fail. However, it would not have to be feared, it would not have to be dreadful if faith in My Word impelled people to diligently work at improving their soul, for then a person would establish the connection with Me in Jesus Christ and the blessings of the act of Salvation would be utilised and assuredly also lead to maturity, so that he would not have to fear the end and the Judgment.... Amen
