Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

By that time she had received 9030 proclamations from the Lord which are intended to bring us enlightenment, comfort and help.

Announcements through seers and prophets....

What I proclaim to you humans through seers and prophets must be taken seriously.... Such is My will, and if you want to comply with My will then you should not half-heartedly and indifferently accept what My love gives to you. But you are indifferent if you indeed listen to My Word yet fail to arrange your life in line with My predictions, if you do not seriously strive for a change in your character and fulfil My commandment of love. With My announcements I want to warn you not to waste your life, I want to admonish you to still make use of the time remaining to you until the end, I want to stimulate your spiritual aspiration and guide all your thoughts so that you fully mature while you still live on earth. But if you do not take My Word, My prophesies, seriously, you will let all these instructions pass your ears by unheeded and My admonitions and cautions will have been futile. And when the hour comes that you are called away you will only be able to claim a poor testimony, for you will have failed on earth by not taking hold of My loving Fatherly hand when it was offered to you. If you have a spiritual guardian you must also unconditionally entrust yourselves to him for he will surely guide you in the right direction. But now, during the time of the end, I Myself want to be your Leader and Guardian, and if you only grant Me a little trust you truly need no longer take care of yourselves, neither bodily nor spiritually, for I Myself will take care of you, you only have to make sure that you constantly accept strength from Me which guarantees you the path towards ascent. And you can only receive this strength in the form of My Word. So if I give you the knowledge about the forthcoming event it is a very great blessing for you, for then you will have the opportunity to gain My affection with your right way of life, to such an extent that I will never leave you again, that I will take hold of you and pull you up to the pinnacle.

However, I now make it a matter of specific urgency, because you don't have much more time left to change your souls. And this is why I come close to and call you with every revelation, with every proclamation, and if you recognise the Father's voice you will also respond to it, like little lost sheep you will pay attention to the voice of the good shepherd, you will follow His call and it will be to your greatest advantage. But anyone who does not take notice of My voice will hardly find contact with Me, and once the hour of the end has come he will be weak and not turn his eyes heavenwards because he will still be far too earthbound. And this is what I want to avert from you, I want to help you and therefore repeatedly send to you My Word from above and with it also the reason for My Word, so that you take it ever more seriously, so that you listen to and read it whenever the opportunity presents itself. Believe My Word, believe that you won't have much time left until the end, so that you very seriously start your psychological task, so that you still receive many blessings from it, for the time is gravely serious and it is urgently necessary for you to try to imagine that the end will take you by surprise and you will not have time anymore for your actual earthly task. Listen to Me and believe My Word and it will always and forever fill you with strength, I Myself will be able to take care of you as soon as you look for Me in thought. And you will be able to master all difficulties because it is My will that much strength shall be sent to those who keep their faith in My might and love, and I will help them to progress spiritually.... Amen

Earth rotations.... Earthly tremors....

For a considerable period of time already the earth has been rotating around its own axis with extraordinary speed. Admittedly, the constant rotations are by no means noticeable to the human being, but only because he is on earth and they can only be observed from outside the earth. Nevertheless, changes in the cosmos are perceptible which are caused by this phenomenon. It is like a regular trembling which can be felt more or less faintly when the body is in a resting position and susceptible to the slightest movement. This phenomenon will lead to the total dissolution of Earth after an incredibly long period of time but will be hastened through human intervention on account of which the conclusion of this epoch can be traced back to human influence, even though it has been included from the start in the divine plan. The earth would actually have an inconceivably long lifespan, i.e. its existence would be guaranteed for an infinitely long time, yet God's will allows itself to be determined by human will, God allows people to accomplish what will cause them even the greatest harm. In His plan of eternity all changes in the cosmos are established according to His wisdom and love. But the scientifically educated human race does not want to know anything about a change with inconceivable consequences, and yet it constantly takes place.

This change.... an excessively fast rotation of Earth.... will also trigger the natural disaster which has been proclaimed by seers and prophets since the beginning of the period of Salvation and which is now revealed again through the spirit of God. This process is humanly not easily explainable, however, simply said, the rotations will increase and stop for seconds, which will manifest itself as earthly tremors of such tremendous effect that people will believe that the end of the earth has come. No equivalent to it can be found on earth, for it is an expression of power which comes from the universe and is unknown to earthly science. The consistency of the stars activates such forces, and the interior of the earth will be affected by them and to a certain extent therefore be moved beyond the law, which always manifests itself in a destructive manner, yet is sporadically allowed by God for the purpose of dissolving even the hardest matter in order to release the constrained spiritual substances within. And this act is approaching soon but will only be the spectacle of a few seconds, yet with preceding signs which by themselves can already be called catastrophic because they generate indescribable panic amongst people and therefore will have to be considered as being within the timeframe of the catastrophe. Nevertheless, everything is eternally predetermined and God's plan will come to pass, as it is written.... Amen

Supplement and explanation regarding no. 4348....

Explain the process to yourselves like this: The faster the earth moves, the shorter the period of time it takes for one rotation, and the stronger becomes the atmospheric pressure that is caused by its movement. Normally this atmospheric pressure should be felt on the earth's surface, but this is not the case. Hence this is already a scientifically unexplainable deviation from the natural laws, therefore it follows that the natural laws applicable to earth lose their validity outside of it. Nevertheless, this fast rotation affects the earth's surface insofar as a crust is being formed which is a suitable growth medium for vegetation, therefore a continuous habitation of the earth's surface is only possible due to its perpetual rotation, due to the generation of a force which affects the ground, that is, which does not spread outward and dissipates but works from the outside towards the interior of the earth. This force is life-giving but cannot be explained by human intellect, precisely because it arises and is effective beyond the law. Were the earth to stop its velocity all life on it would solidify, on the other hand, however, an increased velocity would encourage abnormal growth but also penetrate and affect the interior of the earth and bring about eruptions which would endanger the earth's core and jeopardise its continuation. Such increased velocity is currently happening and its effects will also soon become apparent. If the final result is to be avoided the excessive energy has to find a sphere of activity.... it has to have an explosive effect in places, which consequently takes the form of a natural disaster. This will slightly reduce the speed of the rotations, the newly generated energy will find new soil which it can animate with plants and animals and the continued existence of earth will be guaranteed for a brief period of time again, until human determination once again triggers forces which have not been completely ascertained as yet and which have an all-destructive effect, because they can effectively be described as adverse forces, i.e., they work from within towards the outside and the opposing actions of both forces signifies total destruction, which can certainly be explained to but not understood by people.... Spiritually advanced scientists will easily be able to understand this process, for they no longer look at the activity of natural forces beyond the law with so much disbelief, because they know that the sphere beyond earth is an area which cannot be fathomed with earthly reasoning power, because they are subject to other natural laws than those applicable to earth.

Every celestial body is a world unto itself, and in every celestial body the will of God's love has expressed itself differently, because His countless thoughts are implemented by His might and strength and every thought testifies to most profound wisdom. According to human opinion such manifold diversity of God's creations cannot exist, since the power of imagination is limited, but God's thinking is not limited and no obstacles exist for His creativity. The fact that the human being, the inhabitant of one of God's countless creations, would be able to completely ascertain God's reign and activity is entirely out of the question, for he instantly rejects what appears to be impossible but what is always possible for God. Thus, the timing of the movements of earth, its path and its composition can certainly be calculated and explored, yet only ever as far as the earth's applicable natural laws which are known to people form the basis of it. Anything over and above this is beyond his knowledge and intellect. But an 'over and above' does exist, or earthly science would be able to accurately determine when and in which form as well as for what reason the final destruction of earth will happen. It is incapable of establishing this, however, it is not proof that the destruction of earth will not take place. Here faith is placed in opposition to science.... anyone who values science more negates what faith affirms.... God proclaims the end of this earthly period; He proclaims a total change of the earth's surface along with the disappearance of all life on, in and above the earth.... This process is completely unknown to science.... hence it is an indication that a supernatural activity caused by God will happen; although not beyond natural law from His point of view yet for people who do not know all natural laws, all forces to the point that they can indicate and calculate such an event, but that investigations also have to be conducted on the basis of faith if they are to produce truthful results. Only then will the researcher also receive access to the area which otherwise remains closed to people, then he will be assisted and enlightened by spiritual co-workers, then he will also be able to have an insight into God's plan of Salvation, and much will be comprehensible and acceptable to him which his intellect would otherwise have discarded.... Amen

Death of a worldly ruler.... Turn of events....

When you hear of the death of a worldly ruler you have arrived at the point you can call the beginning of the end. Then the world will turn into a place of fire, flames will blaze high, unbridled hatred will rage and humanity will be gripped by horror as it sees no escape from the inevitable peril. And then I will urge you to speak, for whilst everything is in uproar great calm will take hold of you as you clearly realise that the time of My appearance is drawing near, and thus you proclaim it to those who will listen to you. People see themselves surrounded by enemies on all fronts and are therefore without hope for a peaceful solution. Hence those without faith in the only One Who can help will suffer immense fear. Consequently they will only focus on world events.... People will anxiously attempt to provide for themselves as they see the approach of great earthly hardship; they will anxiously try to secure worldly goods and prepare for escape even though it seems hopeless to them. Only the faithful remain calm, and then I will use these to encourage their distraught fellow human beings who despair in their unbelief. I attempt to bring Myself close to them once more, I let My servants talk to them and through them I Myself speak words of love and encouragement. I warn them against escape and not just to consider their physical well being; I demonstrate the futility of their intentions and admonish them to persevere and put their fate in My hands; and thus everything takes its course....

The fire is kindled and people will not extinguish it anymore, I will put it out Myself by opposing it with other elements, by confronting those Myself who want to tear each other apart.... And My voice will sound from above.... The earth will experience a natural disaster which will tear the fighters apart; they will be faced by a power which neither can match.... The process will only take hours but it will create a completely new situation in the world, totally changed conditions and an initially uncontrollable chaos, utmost earthly hardship and unspeakable grief and adversity amongst people. Yet you all must endure this, for the end is approaching and many opportunities for purification still need to be created since all people have a shorter lifespan now and need to mature in the shortest possible time.... The end is near and as soon as this point is reached you also can, without doubt, soon expect the last day and the Last Judgment, so that may be fulfilled what has been proclaimed in Word and Scripture.... Amen

‘Satan prowls around like a roaring lion....’ ‘Watch and pray....’

Wherever I know a child is in danger My love is willing to grant every help and I will rescue it from the control of the one who is My opponent and the enemy of My children. Wherever a soul struggles and intends to fulfil My will My adversary’s power truly need not be dreaded, for I caringly attend to those who push towards Me. And I will not abandon My children in their distress, I will erect a wall around them over which no-one will be able to climb unless I open the gate Myself and lead them to you.... Satan prowls around like a roaring lion, seeking someone to devour.... Remember these Words and don’t be surprised, for the time of the end has come when he knows that he has not much time left, and when he makes every effort to achieve My living creation’s downfall, when he uses means which aim to help him to succeed. How often have I pointed the dangers you are in out to you, for a fierce battle will start between the forces of light and darkness. You will all be subjected to this battle, but especially those who lead a spiritual life next to their earthly one. For they are involved in thoughts of Me and therefore particularly provoke My adversary’s hostilities in order to stop them. His battle strategy is often successful because he knows people’s weaknesses and uses them against them in order to overpower them. You humans, however, have unlimited blessings at your disposal. You can gain victory over him with My help. Don’t fear him but courageously stand up to him; know that you are strong and unassailable if you love Me and send a quiet thought to Me that I will remain with you in your battle against him.... And he will take flight from you because he cannot stand My presence. You are stronger than he is as soon as you enter the battle with Me.... I have no share in that which emerges from the nether world. I stay with My children, and even if these children of Mine only voluntarily place themselves at the Father’s disposal, are obedient to Him, as soon as He informs them of His will regarding the work in His vineyard.

I call those My children who recognise the Father’s voice and pay attention to His call.... and, if I give them a task, who are always willing to stand up for Me, thus to actively teach if I educate them as a teacher. Hence, whoever wants to be accepted as My child must also come to the Father like a child and get from Him the instructions for his journey through life. And if I then ask that My teaching shall be spread when I Myself send My teaching to earth through the voice of the spirit, then this teaching must be sacred to him and he must accept and highly value it as the purest truth from the heavens. In that case, however, it will also always remain the best and most sacred to him which he will no longer renounce, because it is strength from above which will also automatically pull him upwards. But to relinquish My gift very seriously violates the obedience owed to Me by a child and consequently cannot be a blessing either. And then you will be able to recognise the adversary’s influence and have to protect yourselves from it. This is why I draw your attention to it and indicate the signs by which you will be able to recognise him: he will appear as an angel of light to those whose faith is still weak and dazzle them, their eyes will get increasingly weaker and, in the end, no longer recognise what is right, because they only too willingly listened to him and let themselves be deceived by his mask. However, he will only have control over you if you doubt the pure truth. Then he will use your uncertainty and lead you astray.... ‘For he prowls about like a roaring lion, seeking someone to devour....’ But you shall watch and pray so as not to fall during the temptation.... Amen

Experiments towards the end of the earth.... Activating forces....

There is a set limit to how far people can go in their conduct towards what My creative spirit has brought forth. Thus, as soon as they presumptuously want to change natural creations, every one of which was given its purpose by Me, then people's attitude towards Me becomes irrational, they underestimate My wisdom and My might, believing themselves able to dismiss both and thereby sin against Me Myself as well as against what I have created. And then the limit I have set will be transgressed, and thus humanity will destroy itself, because their scholars will draw the wrong conclusions and the consequences of their experiments will be disastrous. People believe that they have the right to explore everything I kept hidden from them in recognition of their immaturity for such knowledge.... The earth in its core is and will remain inexorable for people until the end. Furthermore, forces of gigantic power are kept bound by Me in the earth's core so as not to endanger the earth's continued existence, only that eruptions ensue from time to time to allow these powers a brief outburst in order to give spiritual substances capable of development the opportunity to take shape above the earth and thus start their path of ascent. These forces unleash themselves with My approval, and therefore their effects are intended in My eternal plan of Salvation.

The extent of an eruption will always be limited when it happens in accordance with My will, but human determination will never be able to stop it, human will can never be the cause of it since no-one is able to explore cause and effect. Yet in the last days people will presumptuously penetrate the earth deeply for reasons of research in order to release unfamiliar energies with the intention of utilizing them profitably, and won't consider the fact that they lack the knowledge and intellectual capacity for such experiments. Hence they will have no respect for My works of creation, they will penetrate an area which is quite naturally closed to them and wanting to investigate it can be called an impertinence, from a purely earthly point of view. But from a spiritual point of view it will mean entering the territory of the lowest spirits whose banishment I recognised as necessary and which will then therefore be unlawfully invalidated by people, that is why revoking My eternal order will have unimaginable consequences.

Their manipulations will aim to utilise earth forces against which every resistance gives way, and which therefore can be used for all experiments. But people won't consider that these forces are capable of disintegrating **everything** within their reach.... they won't take account of their power against which human will and intellect are futile. They will open locks which can never be closed again once they have been breached, for the area people want to enter is unfamiliar to them and they don't know its laws.... The earth's core cannot be researched in this way and every such attempt will backfire, not just on the researchers but on the whole human race.... For the limits I have set may not be exceeded according to My eternal order, which always favours progress but never destruction, and thus its infringement also has to have the opposite effect! Satan himself will put these thoughts into the people of the last days, he will urge them to undertake this plan, for he knows that the destruction of creation will end the spirits' progress, which is his endeavour in his blind hatred against Me and all spirits striving towards Me. Yet even this plan, albeit evil, will be an inadvertent service.... he will fall in with My eternal plan of Salvation.... A new earth will arise where the development will continue, whereas everything satanic will once again be banished into its creations.... Amen

A rock will be made to waver.....
(Spiritual upheaval)....

Humanity will experience significant spiritual upheaval to enable it to recognise a misconception which, until now, it had endorsed as truth. I will noticeably draw people's attention to My Word.... I will destabilise a rock.... and people themselves shall be able to decide what they want to discard: My Word or an organisation which had established itself as a result of this Word. They will only be able to accept one of them, and every person will be free to make his own decision. I will only allow this to happen for people's own sake in order to release them from a coercion which enslaved their thoughts and will and thus prevented the decision of will, which is the reason for a human being's life on earth.

I want to make a rock waver.... and once the foundation is shaken the entire structure will crash, i.e. people will no longer feel committed but freely think and act at their own discretion. They will no longer fear a power supported by God, because only now will they recognise Me, Who is stronger than this power and does not support it. It will certainly mean spiritual chaos and at first the error will still want to assert itself, but then the truth will flare up like lightning and will clearly highlight wrong doctrines. They will not bear up to truth, for messengers of truth, bearers of light, will appear everywhere and be listened to, even though they will attract bitter hostility from the followers of the deposed power.

I Am revealing the forthcoming event to you humans and you can expect it soon, however, everything will take its time, and this occurrence, too, will point to the approaching end, for seers and prophets announced the end of a great city.... It will be a world-shattering event which, nevertheless, has a spiritual foundation and is intended to have a spiritual effect. It shall testify of Me before the world Who, as Eternal Truth, will never tolerate untruth and will proceed against it when the time is right.... Amen

Large numbers of deaths.... Recalling the weak.... Decision....

And it will come to pass as I have proclaimed.... A large number of deaths will happen prior to it, and you will look upon it as a coincidence, as an accident, you will accept any other explanation but the right one, that I Myself recall people in large numbers who would fail in the last battle on this earth, who are too weak to offer resistance and who nevertheless shall not fall into My adversary's hands either.... For I know the hearts of people and will never ever let anyone become a victim of ruin who still carries a small spark of love within himself and can still revive this spark, if not on earth then in the kingdom of the beyond, to where My love and mercy also reaches in order to bring help. It will come to pass as I have proclaimed. The scale of adversity and unhappiness will be such that everyone can recognise the time of the end if he wants to. But there will only be sorrow where My Own can be identified, for their sorrow will be caused by their fellow human beings in order to destroy My Own's belief in their God and Creator of eternity in Whom they see their Father and to Whom they want to remain faithful. My opponent works against Me and uses people belonging to him to accomplish most disgraceful actions against My Own.... He wants them to desert Me and thus proceeds by using brutal means against which My Own are barely capable of standing up to. Yet the strength of My love supports them, the strength of My love prevails, even if My Own outwardly suffer greatest adversity.... they remain firm and surmount everything that is hostile, because My strength enables them to do so. The time draws to a close....

What does not seem believable to you today you will soon experience, there will be a momentous change in every respect which will adversely affect all people and demand of all people an attitude towards Me, the Creator and Provider of eternity. And this attitude can only consist of acknowledgment or rejection. That is the decision which will still have to be taken before the end. I will powerfully intrude into your thoughts and you can accept Me or reject Me.... yet the decision you then make will be for eternity.... And this is why My adversary's evil activity is being allowed, because he contributes towards the final decision for Me or for him.... he far exceeds his designated limits of authority, he presses My Own extraordinarily hard and gives to his followers in abundance.... earthly possessions, honour and fame, and therefore they would rather acknowledge him as their lord and renounce Me. Yet I will only allow those who are strong to experience the end, who are and will remain faithful to Me and constantly accept My strength of love. However, I will take care of the weak by recalling them before the end arrives, so that they will not fall into My adversary's hands and have to do penance for an infinitely long time. But those who are strong in doing evil will suffer death on the day of Judgment, for they, too, receive My grace often enough yet they take no notice of it and consciously join My opponent's camp, and thus they shall also share his fate when the end has come.... for everything will fulfil itself which was proclaimed through seers and prophets.... Amen

Witnesses to the end on the new earth for descendants....

You shall be My witnesses on the new earth, you shall give evidence of Me and My glory, of My might and love, for you will experience all these at the end of this earth.... you will see Me coming in the clouds in radiant brilliance of My splendour.... you will feel My love when I save you from utmost hardship, when I remove you before your fellow human beings' eyes who, with a truly satanic mind, have every intention to kill you. You shall experience the evidence of My power, because the last work of destruction on this earth will take place before your eyes. And thus you will enter the kingdom of peace with an experience which you are meant to remember in order to bear witness to future generations, to people who will only receive knowledge about the events on the old earth on account of your information, so that they, in turn, will pass it on again and thereby uphold the knowledge on the new earth for a long time. You shall bear witness to Me and My glory....

A devout generation, faithfully devoted to Me, will indeed populate the new earth, who will not doubt My strength and might, My love and perfection. And as long as I Myself can dwell amongst them because their faith and love for Me allows for it, it will not be necessary for you to testify of your experience.... But as soon as new generations come forth from them they will have to be given the knowledge again and the end process of the old earth has to be particularly emphasised, so that these new generations will also intimately unite with Me in order to be and remain My children.... The living testimony will have a remarkable effect on their hearts, and they too shall proclaim in future times what they received from you.... Then faith and love for Me will be upheld for a long time, for a long time the human generation will live in peace and unity, in harmony with the Infinite, in constant contact with Me, and My spirit will be able to flow into their hearts, they will be able to hear My Word and be blissfully happy.

And yet, even this situation will change. At first the influence of adverse powers will be only slightly noticeable and then gradually get ever stronger.... For the constrained spiritual substances in creation will arrive at the stage of embodiment as human beings once more, and these will have developed in different ways, so tendencies and instincts will surface in their human state which require more changes, which will still betray a tiny resistance to Me, and therefore human beings who need special, more effective methods of education.... will live on earth again. And then it will be necessary to inform them about what effect a way of life in opposition to Me will have. Then the battle between light and darkness will start anew, for the desire for matter will start to grow stronger in people's hearts again, they will no longer be able to hear My Word directly, and messengers of My Word will speak to them on My behalf. And for the sake of a living message, testimony shall also be given of the end of the old and the beginning of the new earth.... And therefore, those of you humans of earth who will experience the end, who will remain faithful to Me until the end, will also have a task on the new earth.... to make sure that the knowledge is preserved, that the following generation will be able to keep these events in mind, that it will be inspired to remain in My will, that it will let Me come alive within its heart and always endeavour to reach Me.... Amen

Success at the end of an earth-period.... Scientists....

The end of a developmental period will always have come when people have left the divine order, in as much as they feel themselves entitled to intervene in God's plan of Creation because they don't believe in God as a creative power and deem themselves capable of controlling everything in existence themselves.... people certainly received the creative spirit as a birthright from God and can considerably increase this inheritance, with divine assistance they can also achieve the seemingly impossible and still remain within the divine order.... as long as they receive the strength for their creativity from God.... But they will instantly step out of this order if all their plans are purely worldly orientated....if they set themselves apart from God as the creative power and thus conduct their experiments purely rationally.... if they use the divine creation itself as test objects and thereby turn themselves into henchmen of God's adversary whose objective it is to destroy divine creations. At the end of an earth period the world is always full of earthly wisdom.... Science believes to have found the key to all fields and the spiritual path will only rarely have been taken, which God has indicated in order to attain the right knowledge.... Without Him, however, all paths are dangerous, without Him the results are doubtful and people more or less enter danger zones, because they are guided by the one who does not want progress but destruction.... who lets people believe that they are constructively active while they are digging their own graves.... and contribute towards the ruin of the old earth. For the apparently scientific progress is his work, the work of God's adversary, he impels people into extreme intellectual activity without divine support. They will harness natural forces yet in a different way than is intended by God's will.... They will leave the divine order and the consequences of this will reveal themselves.... God, however, has foreseen humanity's will and activity since the beginning and therefore keeps referring to what will come to pass time and again, for He knows when and where the consequences of human thought and activity will express themselves.... He informs people about their wrong thinking and wants to persuade them to entrust themselves to **that** power which stands **above** everything.... He wants to warn them of His adversary's influence.... He wants to advise them to remain within the divine order.... He considers those who acknowledge Him as God and Creator of eternity and enlightens them about Himself and His opposing power.... Amen

Cosmic phenomena....

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time.... Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment.... And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer that the earth will be shaken to its foundations, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end.... And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end.

And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit their lack of knowledge.... And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course.... By observing its path their attention is drawn to ever new peculiarities.... And they will recognise it as a danger to earth.... and at the same time they won't want to believe in its destruction because it will never before have been experienced.... But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity.... and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion.... The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth.... And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event.... and these very phenomena will bear witness of the truth of My Word.... Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will.... The time is fulfilled and the end is near.... Amen

With the Lord a thousand years are as one day....

Infinite periods of time will still pass by until all works of creation, the whole material world which shelters unredeemed spiritual substances, can be dissolved.... until everything of a material nature has spiritualised itself.... until everything that had become imperfect has achieved perfection again.... Infinite periods of time will pass by.... But with the Lord a thousand years are as one day, for He exists for ever and ever, to Him any length of time is like an instant.... Yet for the imperfect spiritual being it takes infinite periods of time until it reaches perfection again, but then the time of retransformation will also seem to it like an instant. And thus you humans can rest assured that the earth, too, will continue to exist for an endless time in order to serve its purpose of helping people to attain childship to God; you can believe that time and again people will populate this earth and that therefore an 'end' of the creation work Earth cannot be spoken of yet.... However, you can just as confidently believe that the earth will time after time change itself again, i.e., renew itself, that it will have to be repaired time and again in order to comply with its task, and that this will repeatedly take place after certain periods of time, although the process of development will be far from completed and you cannot speak of an end of the world.... if you thereby understand the complete cessation of all earthly-material creations. As yet countless spiritual beings are still waiting for salvation, only a very small portion of the once fallen spirits have been redeemed and returned to God.... As yet the greater part is still subject to judgment, i.e., it is bound in all kinds of creations.... And all these bound substances must still reach the stage as a human being and be allowed to embody themselves as a human being on earth.... And this is why the earth will repeatedly arise anew once such a developmental period begins to slow down.

But the emergence of a new earth always signifies the total transformation of the earth's surface, an end for the people inhabiting the earth.... apart from a few whose earthly process resulted in their maturity. And this is why humanity also has to be informed of an approaching end, it has to be explained to them what it entails because they don't want to and cannot believe in a termination of the entire creation of the world and you will be unable to refute their arguments against it.... It is, however, irrelevant for people as to whether an 'end of the world' is possible.... They shall only get used to the idea that their end is imminent, that this planet earth will go through a transformation to which people will fall prey, even if it still takes forever until the earth has one day spiritualised itself completely. As yet this point in time has not arrived and yet the human race is facing its end.... because an orderly continuation of development for the spiritual beings on earth necessitates a disintegration and renewed transformation of the creation and this will always take place within certain periods of time. This knowledge can only be spiritually conveyed to people and will therefore find little credence. And it will be even less believed the closer it gets to the end, because people's ignorance is also a sign that the souls' higher development on earth begins to falter, that people no longer reach the degree of maturity they are intended to and would be able to reach.... or they would understand God's plan of Salvation. For an infinitely long time to come the earth will still remain a place of education for the lowest fallen spirits, but it will always have to be repaired anew in order to achieve the maturing of the spiritual substances in accordance with the divine plan of Salvation. Time and again new human generations will populate the earth, for God Himself will lead the people to the newly-formed earth from whom such generations shall arise.... who, at the end of a period of Salvation, are close to their perfection, so that every epoch will start again in utmost harmony with God and striving for unity with Him, and that then it will also be guaranteed that people will reach perfection and return as blissfully happy and illuminated spiritual beings to their Father of eternity.... Amen

Battle of faith – Antichrist....

The closer the end, the fiercer will the battle between light and darkness rage.... However, you will not experience the full horror of the battle until it turns against My followers, when it is planned to banish the faith in Me in Jesus Christ, when the act of Salvation will become My adversary's target.... when people will be demanded to openly confess their faith and brutally forced to renounce it. Only then will the hardship and adversity start, the time I have promised My Own I will shorten.... And then My adversary's fury will become obvious, for people will lose their inhibitions, nothing will hold them back because they will be incited by Satan and shall completely submit to his will. Let it be said that there is not much time until this battle of faith, but that it will be preceded by an immense crisis on earth which, however, will come from a different source.... It is My will that it shall fall upon people so that they can already prove or even strengthen their faith. Precisely this crisis, which will be inflicted on humanity through a natural disaster of huge proportions, will be used by many people as a reason to already take action **against** the faith, because now more than ever they will doubt a God and Creator Who Himself destroys what He has created. However, anyone who knows the truth will also have a correct explanation for everything, and then he can inform his fellow human beings of this truth too. Then the ensuing battle of faith can even result in a strong faith in them, which subsequently will withstand all the threats the believers will be exposed to.

However, the fact that most people will no longer have a living faith is My adversary's doing, who therefore will not cease to work against Me and the truth, and he will be far more successful with people than the representatives of the pure truth, the true representatives of Christ's teaching.... For they rarely will be believed, but My adversary can offer people what he wants.... it will be accepted. And that is why it will already have to be clarified in advance, everyone will have to openly and freely declare whether they are **for** or **against** Me.... Everyone will have to make this decision within himself during the coming time of need which comes upon earth due to My will, for when I speak through the forces of nature everyone will have to choose: to call upon Me for help or to entirely isolate himself from Me.... which is the same as turning to My adversary.... Following this, however, the decision has to be taken again **publicly**: when it will be demanded of you humans in the last battle of faith on this earth to testify of Me in Jesus Christ or to deny Me.... But then you, who were instructed in the truth by Me Myself, will know that the end has come.... Then you will know that I will shorten the days for the sake of My Own, that I will come Myself to help them and release them from their suffering.... that I will gather them from this earth and take them to a place of peace, before I carry out the work of destruction, which will mean the end of all created beings on this earth....

If only you would believe what I have announced to you time and again.... the conditions on earth should prove My adversary's rage to you already, because he knows that he is running out of time. And the fact **that** he is raging and the earth is populated by his own kind can be recognised by all of you and should make you think. Every day is still a blessing for people, for even the most depraved person still has the opportunity to change and gain faith in Me before the end.... because I will try everything to still snatch souls from My adversary before the end. And anyone with faith in Me will be blessed, but the unbelievers will have to share the fate of him whom they followed voluntarily.... And you will not go short, even if everything you need to live will be taken away from you.... As soon as you believe that I Myself will take care of you, who are persecuted for My name's sake, My adversary's measures need not frighten you.... For what they take away from you, you will receive from Me again, although in a different form, but you will not need to starve for I Myself will satisfy your hunger.... For 'behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your Heavenly Father feedeth them....'

Remember these Words, remember that He Who created everything will truly also be able to maintain what He has created.... and that He will surely do so when His Own suffer adversity. But the time will come when people will try to force you with most brutal measures to forsake your faith.... and anyone of weak faith will not be able to endure these measures.... Severe tests of faith will be imposed on you, but I want to prepare you precisely for this time, then you will be able to be a shining example to your fellow human beings, you will be able to demonstrate to them what a firm faith can accomplish: that you live despite the fact that everything you need to live will have been taken away from you....

Seek always only the kingdom of God and His righteousness, and everything else will be added to you. And this promise will then be visibly fulfilled on My Own, on those who stand up for Me and My name before the world, who do not fear the earthly power because they feel safe under My protection. And only then will it become evident who has a living faith, and there will only be few. Then the structures which were built on sand.... which were not built on the rock of faith on which I built My church, will collapse too.... It will be a difficult time which no-one would be able to survive had I not conveyed the truth to earth in advance, which is an explanation of everything and which alone can result in a strong faith.... But error will not give anyone the strength to persevere, and only where there is love, can strength of faith also be found.

An extraordinary person will offer himself as a visible cover to My adversary, and this person will then instigate the last conflict on earth. Pay attention to this and you will know that the hour of the end is very near.... But also pay attention

to **My** messengers from above who will appear at the same time in order to guide you with their light, which you should follow.... Pay attention to all of those who spiritedly announce My Word and join them, so that the small flock will stay together, so that they can constantly get light and their faith can steadily grow stronger.... But to all these I promise My protection, My Fatherly care and My blessing....

They need not fear to fall prey to this brutal power, for I Myself will come to get them as soon as My adversary goes too far, as soon as even My Own are threatened by grave danger.... For this reason I will shorten the days, so that My Own will be able to endure and not weaken in view of the measures of persecution. But since I can still see a possibility to save individual souls I will also hold My hands protectively over those who represent Me before the world, so that the former can gain strength from them, so that a Power will be recognised which is stronger than earthly power.... And therefore I will also take extraordinary care of My Own, and despite adverse measures they will survive physically and spiritually.... And all this will happen soon.... What you cannot suspect today will happen then, but that is why already I draw your attention to it, and you, who are taught by Me, also know why it will happen....

The spiritual hardship on earth is evident to you as well, and by the signs of the time you will be able to identify the time on the world's clock.... But once this battle of faith flares up you need only expect a very short time, because everything will take place especially fast.... For the man chosen by My adversary as cover will not have a long life-span, and his regime on earth will not last long. He will be recognisable by his supernatural abilities, for he will be exceptionally endowed by My adversary, and that is why he will work for him and his plans. And even if the whole world pays homage to him, you will recognise and see through him.

But then you will have to be very careful and should not deliberately endanger yourselves due to excessive zeal Then you will have to be as cunning as serpents and as gentle as doves.... But when the decision is demanded of you, then you must stand your ground and firmly trust in Me and My help.... for no matter how powerful people are, they cannot match My might and a wisp of breath from Me would suffice to destroy them.... And thus I will also call a stop to it when the hour has come. I will bring those to Me who are in utmost earthly distress but place the oppressors themselves into chains, for the time will be up, a period of redemption will come to an end and a new era will start so that the deliverance of all spirits can continue.... Amen

Everything that happens serves to perfect the soul....

There is purpose and reason in everything that happens, because everything depends on God's will and is therefore also wisely considered by Him and arranged by His love in a manner that benefits the soul of the human being. The decisive factor is always the effect on the soul, which can certainly be negative if the person's will so decides, but it is always possible to be positive too. The body often has to accept various kinds of suffering and ailments; but as long as the soul's spiritual development is progressive these afflictions are insignificant, because they only last a limited time, whereas the soul's state of immaturity can last for an eternity and will cause it appalling torment in the spiritual kingdom. The human being should always be conscious of the fact that God's love, wisdom and power determines his destiny, that nothing happens to anyone arbitrarily, that nothing is coincidental, that a kind, devoted Father at all times wants to help His lost child to find its way back to Him.... And therefore the human being should at all times call upon God as his 'Father' and thereby show Him that he wants to return to Him. He should always humbly accept God's will, even when he has to carry a cross which appears to be almost unbearable, because Someone will come to his aid and carry his cross with him, if only He is asked to do so.

But whatever the human body endures in this life will be gratefully understood by the soul one day, when it can leave the body in order to enter the kingdom in the beyond in a pure and clear state. Although divine love wants to spare every living creature suffering it cannot be avoided because the human being on earth does not consider his soul enough to do whatever it takes to remove its impurities. And thus help is needed which is frequently painful but which nevertheless promises success. But the certainty that everything is God's will, Who is love Himself, should enable you humans to bear everything with greater ease and it should be a comfort to you too that you are never left to your own devices, that there is always Someone Who cares about your spiritual maturity and wellbeing. And He will never allow that anything should happen to you without reason and purpose, because His love, wisdom and power is limitless, and His love and wisdom will forever be the decisive factor when His will and His power express themselves.

For this reason every minute can be of benefit to you, you can derive spiritual achievement from every experience, from every event, from every physical adversity which you encounter. Because as soon as you learn to view it as a means of help for the maturing of your souls you will also do whatever it takes to help the soul to mature. Your cross will soon be taken from you, since it is only a burden to you until it has served its purpose. If, however, you want to live your earthly life entirely without suffering, you will also have to be pure love.... and only few people will reach a level where their souls will purify themselves through love. More often than not they will require suffering as a means of help, because the time of their earthly life is only short and yet should yield the greatest possible perfection for the soul. Hence you should bless the suffering too, surrender to it and thank your Heavenly Father for His love for you, which only ever wants the best for you.... Amen

Revelation 16, 18.... Star....

A violent quake will shake the earth.... spiritually as well as physically the earth will be faced by a tremor the likes of which will never before have been experienced by people since the start of this epoch.... But this is predicted because it is the beginning of the end that will follow not long afterwards. There is not much time left and your attention will ever more urgently be drawn to it, because you should still make use of every day by helping your soul to mature, for time flies and you are approaching the very end with giant strides. And then a long night for all those who did not take advantage of the day in order to work for the salvation of the soul will follow. For only a few will survive this last end and be allowed to occupy the new earth, only a few will stand firm in the last battle on this earth. The signs of the end will be presented to you humans time and again, and the last powerful sign will be the great quake. ... You have already been told how it will come about: a star will leave its orbit and with gigantic speed head for the earth.... And the fact that you are still uninformed of it is due to the great distance this star will still have to cover before it comes into the field of view of those who will detect it. But then the anxiety will be great, for everyone will realise the danger in which the planet 'earth' is in but no-one will be able to do anything in order to ward off the danger.... And now that you know of it you should make especially good use of this last brief period of time, for none of you know whether you will survive the event, none of you know which part of the earth will be particularly affected and no-one should count on being spared, for it is God's last great wake-up call before the end which He will resound in order to find belief in this very end and still convert a few who are not yet entirely enslaved by the adversary.

Do not consider these predictions lightly, do not let yourselves be misled by the apparent work of progress which you can observe in the world, but understand that the shadows of destruction are already emerging, that not much time will elapse until you receive knowledge of the approaching disaster in the form of a star which will be hurled from its orbit, because it is God's will that the earth shall be stricken by a tremor which shall and will be able to save people who are of good will. There will really not be a lack of signs of the near end, but this last sign will have enormous consequences and many people will lose their lives in the process.... And no-one will be able to turn a deaf ear, for it will be too powerful as not to affect all people. Only the results will differ, for people will either partly revive their weak faith and hand themselves over to God again, but partly even lose their weak faith as well and completely turn to the adversary, which will be expressed by an increased pursuit of material possessions, mostly by dishonest means. And there will be great hardship amongst people.... And that is when the right strength of faith will prove itself, which will signify help for every person who faithfully entrusts himself to God. For He will help all those who want to be His Own, who even in their greatest affliction remember the One Who alone will be able to help them. And this will be the start of the time when real vineyard work must still be carried out in order to help all those who are still weak in spirit and who shall experience a strengthening of their faith. For it will be followed by the time of the last battle of faith which will still require a final decision by the believers, yet anyone who perseveres until the end will become blessed.... Amen

About the Last Judgment and the new earth....

You cannot really imagine in what way the Last Judgment will proceed; suffice it to know, that it is only a short action where everything will fall prey to its huge power of destruction, and that you will then have no more time to change your thoughts and intentions, because everything will happen rapidly and leave you no time to think.... You will be judged at a moment's notice, i.e. whether you will enter into life or death within a very short time.... Those of you who remain loyal to Me until the end will be carried away, the others will be devoured by the earth, which denotes their souls' new banishment into hard matter. Only people who still have a small glimmer of faith in God will have the strength to call upon Me in the last moment and still be saved by being spared the fate of a new banishment, albeit they will not belong to the flock of the raptured. Nevertheless, their share will be an easier fate, since they will be granted another embodiment as human beings in which they should and will be able to prove themselves because the time on the new earth will be free from the adversary's temptations, who will be constrained for a long time, as it is written....

And that is an exceptional act of grace which, however, will only be taken up by a few, for humanity is completely subject to My adversary at the end, and a person will only seldom detach himself from his restraints in view of the last Judgment.... which will be dreadful. For all human beings face an appalling physical death, yet before they can spend much thought on it, it will already have happened.... And My Own will witness this event, because I want them to get to know My might and glory, My righteousness and My wrath towards the sinners and testify to it as long as they live. For they will become the root of the human race on the new earth.... The event of the rapture is equally unimaginable because it happens in a way that defies all laws, and never before has it been experienced on earth that human beings were lifted up and taken away in their living bodies.... that I move them unharmed into a divinely beautiful region, from where they will then be brought back to the new earth, as soon as it is created in accordance with My Will.

I will not require time for this, because all spiritual substances are just waiting to be placed into works of creation which correspond to their degree of maturity in order to continue their path of development.... Human eyes will not see the act of creating the new earth, therefore it is not necessary to observe a specific duration of time for the sake of people.... And the people who are raptured will lack all sense of time, so that they will be unable to ascertain what time it takes to create the new earth.... Yet My might is unlimited and will reveal itself in the formation of the new earth, for this will show new creations which you humans cannot imagine but which will highly delight you, who may experience this earth.... It will truly be a paradise on earth.... For My Own who remain loyal to Me during the battle of faith shall receive their reward for their loyalty.... All human beings could experience this happiness if only you would use the short time until the end well. But you do not believe and don't do anything to improve your soul's maturity, and therefore everyone will receive the reward he deserves.... a blissfully happy life in the paradise of the new earth or new banishment in the creations therein, so that after an infinitely long time you may once again live as a human being on earth for the purpose of a final test.... Amen

Renewed banishment is the result of spiritual death....

Spiritual death necessitates banishment into matter, that is: a spiritual being having succumbed to death, which remains in a lifeless state, must be engendered into hard matter again in order to slowly return to life. As long as there is still a small spark of life within the spiritual being everything will be attempted in order to guide it further towards life, and this can certainly be successful so that the being will then be spared being banished into matter, and it will nevertheless slowly come alive, if only after an infinitely long time. But there is also a possibility that the being will become completely paralysed, that it will descend ever more into the abyss.... which many souls in the beyond allow to happen.... Then the spiritual substance of this being will be dissolved and once again placed into hard matter.... into the creations on earth. And it will have to travel a tremendously painful path in order to come back to life again. And people on earth can similarly descend in their spiritual state in the last days; they can keep striving towards the abyss of their own free will, they can completely commit themselves to the lord of darkness and, as his followers, descend into utmost darkness themselves.... And then it will also be necessary to dissolve the souls into countless minute particles and to place them into the creations again, they will have to take the path of higher development through untold forms once more until they awaken to life all over again.... And this low spiritual level has occurred; during the last days spiritual death is unmistakable and everything is being done on earth as well as in the beyond in order to stimulate individual sparks of life, in order to strengthen existing life and to prevent it from falling prey to death. For it is a time of infinite torment which the spiritual being will have to endure if it is banished into matter again. And God's love and mercy also applies to what has descended to the lowest point and wants to protect it from this fate. However, where the spiritual being's free will opposes Him God's plan of Salvation has to be carried out, after which a renewed banishment into matter will be unavoidable.

Were people to have precise information about this they would truly do everything in their power in order to escape spiritual death.... But they do not accept the knowledge of it, they don't believe in a continuation of life, they don't believe in a justification before God and neither do they believe in a God and Creator Who will demand accountability from them one day.... Their 'Ego', however, cannot cease to exist anymore and its abode will be appropriate to its state, and although it will no longer be conscious of itself in a state of death it will nevertheless feel the agony of its captivity, since it was originally created as a free spiritual being. Even so, in its lifeless state it cannot be placed where life exists because it had voluntarily chosen a state of death and its will was subsequently complied with. Free will, however, is a state of beatitude and the bound state is a state of torment.... And as a human being the soul chooses its own state. And God's love and wisdom allows it to keep its freedom but helps the human being in every conceivable way to attain eternal life.... just as He will grant His help **again** through a banishment into matter so that what is lifeless can awaken to life again one day. And God's love applies to all once fallen spiritual beings, it also follows them into the abyss and helps them ascend again.... but it is particularly active during the time when the being has regained its self-awareness and free will.... during the time as a human being.... so that it will then change its initially still dead state into a state of life. But the human being's free will remains untouched, it will be respected, and this free will determines whether the being will lose its external form for good or whether the form will become solid again.... so that it will return into hard matter once more. Then the being will have fallen prey to spiritual death and it will take an infinitely long time until it once again receives the grace of embodiment as a human being where it can acquire **life** for itself.... Amen

End of a period of Salvation and start of a new one....

There will be no spiritual change during this period of Salvation anymore. People have lost faith in Me, and even if My Gospel is spread throughout the world there will only ever be a few who accept it; yet increasingly more will fall away whose belief was just a conventional faith and who only need an incentive in order to cast it completely away when a decision of faith is demanded of them. Only a small flock of people have a living faith, who establish the contact with Me in their hearts.... only a few people associate with Me like children associate with their father, who therefore also always experience My evident help when they encounter difficulties and who thus will also passionately endorse Me because they are inwardly convinced, thus have a living faith. And this number will not get much larger.... The battle of faith, however, which will be waged everywhere and the beginnings of which are already noticeable everywhere, will merely reduce the number of the faithful, for then everyone will be willing to surrender Me for the sake of earthly gain, and they won't muster the courage to fight for Me because they are lacking living faith. And thus the earth will ultimately no longer fulfil its purpose of serving the souls to attain spiritual maturity.... Most people's earthly progress is in vain because it does not lead to the souls' maturity, which is the reason why they live on earth.... Nevertheless, the spiritual beings' development has to continue.... And therefore the earth will have to be restructured so that it will be able to be and remain a place of education for the spirits, as it is intended to be....

Consequently, this period of Salvation will come to an end and a new era will start. New creations will shelter the spiritual substances whose development was prevented.... which necessitates a dissolution of these creations so that the bound spiritual substances can be set free and placed into new forms again.... And so people, too, ought to take an impending end into account and those who failed on earth will have to be banished into creation again, into the hard matter on the new earth. And if people cherish the illusion that humanity's **spiritual** attitude might still change on this earth, that they will come to believe in Jesus Christ and His act of Salvation and in this belief live a different way of life with spiritually orientated intentions and aspirations, then it will remain the wishful thinking of a few people which will never materialise. For My adversary is in authority which people themselves had granted him; and his activity will so get out of control that he will have to be bound.... and for that reason alone an end will have to come, so that his activity will be stopped or no-one would be able to become blessed anymore.... And this time has been referred to ever since the beginning of this period of Salvation; and no matter how far away these announcements seem to you humans.... one day even the future will become the present, and that has to be said to you time and again. This is why a spiritual change must come, however, not on this earth anymore but in a world of peace and happiness.... A new developmental era will start with spiritually highly evolved human beings, whom I will remove from this earth due to their loyalty of faith and lead back to the new earth again.... And then a spiritual change will have taken place and people will live in peace and harmony again.... in constant contact with Me, their God and Creator, and the blessed beings in My kingdom. For then love will reign again on Earth, My adversary will no longer be capable of influencing the people on the new earth, for he will be bound for an infinitely long time.... until people themselves loosen his chains and enable him to exert his influences once more. But prior to that there will be a long time of peace and happiness.... Amen

2 Peter 3:10....

The day of the Lord will come as a thief in the night.... the day when I will reveal Myself to humanity with a voice of thunder which will be heard by everyone and which no human being will be able to avoid.... For sooner or later the act of transforming the earth will have to take place, sooner or later order must be established once again; the earth must again become a place of education for the souls which should mature fully and reach perfection. And this day has been planned for eternity, My plan is based on the fact that a transformation like that will occur one day because the human race itself will provide the reason for it.... which was certainly recognised by My wisdom.... And thus My power will also implement the plan and you can expect this day with certainty.... it will bring one period of Salvation to an end and a new one will start, as it is proclaimed in Word and Scripture.... Time and again I point this out to you, but since you humans don't believe, since you don't take My Words seriously, it will take you by surprise, for even if My adversary reigns on Earth in the last days, even if he brings people so completely under his control that they lose all faith and in the end are true devils which oppress My Own and cause them utmost distress, they will nevertheless be equally horrified when My Own are lifted up before their eyes and they realise that they cannot be saved anymore, that they will fall prey to an act of destruction themselves, that there is no way out anymore and that the earth will devour them.... For there is no other way to purify the earth; all living creations will have to be dissolved and the spiritual substances within be placed into new forms.... a comprehensive cleansing work has to take place so as to re-establish order, which will also guarantee progression for the spiritual beings and which will completely exclude My adversary's activity for a period of time, on account of which he and his followers will be constrained for a long time.

This day of the end is proclaimed to you humans over and over again, yet only a few believe in it and even these few have no idea how close it is.... yet I will repeat My admonitions and warnings until the end, until the end I will address everyone and draw your attention to it, and until the end every one of you will still have the opportunity to avoid the horror of this end.... And therefore don't pity those who leave you, whom I take from this life prematurely.... don't pity them, for their fate is better than yours who live until the end and don't believe.... They still have the opportunity to attain light in the beyond, but the former continue to descend ever deeper, for I know that they would also choose the path to the abyss in the kingdom of the beyond, that they would not make use of the blessings of an early death; after all, I know the state of every soul and accordingly also shape its earthly destiny. And even if it is difficult to believe in an end of this earth, people will nevertheless have no excuse for they should only live righteously, then their end will not result in their banishment into hard matter, then they will either belong to My Own, whom I will return to the new earth, or they will still be recalled before and then they will not go astray either.... But it is better that they prepare themselves for an approaching end, that they take the possibility into account of being suddenly faced by an act of destruction from which there will be no more escape.... Anyone who reflects on these thoughts just once will certainly also find the path to Me, to the Creator of heaven and earth, Who brought everything forth from Him and therefore can also destroy everything again.... And I would like to rescue all of you from ruin; consequently I will bring the final work of destruction on earth home to you time and again And anyone who believes will not have to fear this day either, for he will prepare himself, and even if he is still weak and not perfect, he will nevertheless find a merciful Judge Who will not condemn him but help him attain eternal life.... Amen

The earth's last hour....

And the last hour of the world's clock comes constantly closer.... These Words don't mean much to you humans for you don't believe that you are so close to the end.... And for your sake I cannot give you compelling evidence of this for your fear would render you incapable of fulfilling your earthly task. And thus you may or may not believe it, and your nature will be in accordance with this unbelief when the hour has come. For My plan has been determined for eternity, and profound love for My living creations made Me decide on this plan in all wisdom and will also determine Me to bring it to fruition because the time is fulfilled. My Nature is forever unchanging, and what I once foresaw as being necessary and successful for the beings which are still separated from Me I will also carry out and not allow people to make Me change My plan, since it was based on humanity's will which I have eternally foreseen as no longer capable of change on this earth. I do not plan and act arbitrarily but immeasurable love and wisdom determine Me in everything that happens. Hence there is no reason why I should refrain from implementing My eternal plan of Salvation, for I can see every situation clearly and therefore know that nothing will be gained by changing or deferring My plan of Salvation.

You humans must bear in mind that you truly have had enough time at your disposal and yet those of you who do not believe in Me have not changed. ...Even if you had far more time at your disposal you would still not change, hence a postponement of the end would be completely ineffective and pointless and would even put My Own at risk of falling prey to My adversary as well if I do not constrain him as it is intended.... You really ought to grant Me supreme wisdom and profoundest love, then you will no longer appeal to Me for preventing the end of this earth, then you will expect the coming time with complete trust in My love which shall protect everyone who wants to belong to Me and which will truly also use its might when My Own need help in any adversity. Even if you humans don't want to believe that your time is nearing its end you should at least consider the possibility that you suddenly will be recalled from earth; for you know that you cannot prolong your own life and that you don't know when your last day will come. Just consider that you cannot stop death and think what will happen to your soul, which is immortal, which is your real Self whose fate you decide yourself during your earthly life.... But you do not even believe in your soul's continuing existence, and as a result of your unbelief you are in serious trouble for it will not stop Me from carrying out what is proclaimed in Word and Scripture.... For the time is fulfilled and everyday is still a blessing which you can use if only you are of good will.

However, don't put your hope in false prophets who deny an end, who believe that they can change My mind, for they do not speak in My name but are the instruments of the one who wants to keep you in spiritual darkness and who therefore wants people to believe that they have unlimited time.... People would rather believe these false prophets and only ever seek fulfilment by enjoying a good life but fail to consider their souls whose existence they doubt or deny. And it will come to pass as it was foretold.... I Myself will come in the clouds in order to fetch My Own before the work of destruction of the old earth begins.... Not one stone will remain on the other, for the earth will have to be renewed. A new earth will arise, a paradise-like creation which will accept all immature spiritual beings again which were released at the destruction of the old earth and require new forms once more in order to continue to mature fully. And this new earth will be inhabited by those who had remained true to Me until the end.... For they will have reached the degree of maturity which allows them to enter the sphere of light and therefore they will also be allowed to inhabit the paradise which will truly be the same state of beatitude for them as if they had entered My spiritual kingdom without their physical shell. Yet they shall serve Me as the root of the new human race....

A new period of Salvation can only start with spiritually mature human beings who will also help all still constrained spirits within their environment to speedily achieve maturity, who have such a heartfelt bond with Me that they will also teach love to their children and children's children and bear witness to their God and Creator's glory, and thus the release from the form can progress quickly because I will dwell amongst them in the living Jesus.... Because all people who will then inhabit the new earth will also entrust themselves to their divine Saviour and Redeemer Jesus Christ and in awareness of the original sin also consciously take the path to Him and therefore all resistance will have been broken, for then every person will consciously take the path of return to Me so that I Myself can be present to him since his great love for Me will allow it. Hence this will be the thousand-year kingdom in which the victory over Satan will be evident, for he cannot and will not oppress anyone anymore since all have entirely freed themselves from him and achieved the return to Me, leaving him unable to enter My kingdom until even this blissful time will gradually change again.... until people once again show an inclination towards matter and thereby release the chains of My adversary.... who is lord over matter.... and his influence markedly manifests itself again.... Yet before this time comes to pass many souls will have entered My kingdom in a completely redeemed state.... I will have been able to reap a good harvest, and then the battle with My adversary for the souls will start again.... Yet I will be victorious and time and again wrest souls from him and reduce his follows who represent his power. And time and again he will contribute towards the fact that the redemption of the fallen spiritual will continue. For I will never surrender what is Mine, even if it takes eternities.... one day it will return to Me and then remain united with Me forever.... Amen
